Cheering Facts for the Bilious.—*Every day demonstrates more clearly that fever complaint, in all its distressing forms, can be controlled and cured without difficulty or inconvenience. It is an obstinate disease, but its obstinacy is not proof against the pertinacious, remedial and restorative operation of Hostetter's Stomach Bitters. That genial corrective compels the organ to do its duty. It must secrete regularly and healthfully under the influence of the Bitters. Their action brings it back from a state of rebellion into perfect harmony with the laws of health. If there is costiveness, it disappears; if there is side-ache or back ache, it ceases; if the skin and the whites of the eyes are tinged with superfluous bile, they recover their natural hue; if the appetite is gone, it returns; if the digestion is impaired, it is restored; in brief, whatever the symptoms of the complaint may be, and whatever the phase it has assumed, a cure is certain. Such are the uniform effects of this preparation where bilious disease has been already developed; but in cases where there is merely a constitutional tendency to liver complaint, it may be prevented throughout life by the regular use, in small quantities, of this palatable antidote. These are proven facts, and should be seriously pondered—or, rather, acted upon—by all persons of bilious habits.*

FINANCIAL.

New 7-30 Gold Loan

SAFE! PROFITABLE! PERMANENT!

Jay Cooke & Co.

Offer for Sale at Par and Accrued Interest, the

FIRST MORTGAGE LAND GRANT GOLD BONDS

OF THE

Northern Pacific RAILROAD COMP'Y.

THESE BONDS are secured, first, by a First Mortgage on the Railroad itself, its rolling stock and all equipments, second, by a First Mortgage on its entire Land Grant, being more than Twenty-Two Thousand Acres of Land to each mile of road.

The Bonds are free from United States Tax; the Principal and Interest are payable in Gold—the Principal at the end of Thirty years, and the interest Semi annually, at the rate of Seven and Three-tenths per cent. per annum.

They are issued in denominations of $100, $500, $1000 $5,000 and $10,000.

The Trustees under the Mortgage are Messrs. J. Cooke, of Philadelphia, and J. Edgar Thomson, President of the Pennsylvania Central Railroad Company.

These Northern Pacific 7-30 Bonds will at all times before maturity, be receivable at ten per cent Premium (or 1,10), in exchange for the Company's Lands at their lowest cash price.

In addition to their absolute safety, these Bonds yield an income larger, we believe, than any other First Class security. Persons holding United States Five-Twenties can, by converting them into Northern Pacifics, increase their yearly income one-third, and still have a perfectly reliable investment.

HOW TO GET THEM!

Your nearest Bank or Banker will supply these Bonds in any desired amount, and of any required denomination. Persons wishing to exchange Stocks or other Bonds for these, can do so with any of our Agents, who will allow the highest current price for all Marketable Securities.

Those living in localities remote from Banks, may send money, or other Bonds, directly to us by express, and we will send back Northern Pacific Bonds at our own risk, and without cost to the investor. For further information, pamphlets, maps, etc., call on or address the undersigned, or any of the Banks or Bankers employed to sell this Loan. For sale by

Dr. C. F. BROWN'S

YOUNG AMERICAN

LINIMENT.

In offering this Liniment to the public, we do in full confidence, that it must supercede all others now in use, as an internal remedy, for the cure of all diseases in the reach of that class of medicines, we can safely assert, without the least fear of contradiction, that it stands unrivaled in the list of medical compounds externally applied for the cure of disease. Feeling therefore that it is unnecessary to puff a remedy so eminently wonderful in its effects, so mysteriously infallible in its powers of relief, causing the deaf to hear, the blind to see, the nervous, drawn and crippled rheumatic to walk erect and rejoice again in the power and vigor of manhood, this preparation is offered to the public on its own merits, and claimsno volcanic origin or essential oils of the Arabian deserts; but on the contrary is what its reports, and is a rare combination of the powers of North American products.

NEW YORK, Dec. 14, 1870.

This notice is to inform all dealers in proprietary medicines, that we have established a depot in Susquehanna county at Montrose, Pa., for the sale of Dr. C. F. Brown's Young American Liniment, and that Mr. A. BALDWIN is our agent for that purpose.
