NEW ADVERTISEMENTS.

MONOPOLY! MONOPOLY!!

THIS is the great principle among our selfish, small merchants. In proof of this look at the late Act passed at Harrisburg, prohibiting hawking and peddling in Susquehanna County; an Act passed to gratify some of the Merchants who have expressed a desire "*to stop some large wagons.*"

Guttenberg, Rosenbaum & Co., SAY

DOWN WITH MONOPOLY.

Their large wagon will run more regularly than ever before, until their license for peddling expires. In order to accommodate the community and be able to battle monopoly successfully, they have made arrangements to get New Goods weekly from New York, and they will sell the same from 15 to 20 per cent. cheaper, than any other establishment in Susquehanna County. We have now received our

NEW SUMMER GOODS!

The largest, cheapest, and best selected stock ever offered in this market. It is not necessary to enumerate the articles which our assortment comprises; it is sufficient to say that we have a general stock of the latest and most fashionable goods in the market, and we cannot fail to suit the public, as well in taste, as in prices. A few words more to our fellow-citizens, and particularly to those who feel themselves independent and not obliged to purchase at some particular store. We know that it will be for your interest to examine and price our goods before purchasing elsewhere; that is a true motto that "a penny saved is better than two earned." We are determined to spare no pains to give general satisfaction, and we shall always be ready and happy to exhibit our assortment to those who will favor us with a call.

GUTTENBERG, ROSENBAUM & Co.

A CHANCE FOR ALL.

KNOWING as I do that the high prices which have prevailed here for some time past, have deterred many from getting their Pictures, I propose to reduce the price so that all may obtain them after this date. I will give Ambrotypes with Cases for 50 cents, and large Morocco Cases for 75 cents to all who choose to favor me with a call.

See Here Young Man!

I perceive that your teeth which were originally very uniform and beautiful, are becoming broken and discolored, and in a very short time, should you continue to neglect them, you will be despoiled of one of the chief ornaments, your noble and attractive face. I hope you will call on me without delay at my office in the Brick Block over Wilson's store, where it will give me pleasure to preserve them for a very small consideration, just what your means will allow and no more.

MOST RESPECTFULLY YOUNG MISS!

You are proud of your **beauty and graces** so is your Ma, and *so be I*.
Your smile is a sunbeam on the garden bower
Your tear a raindrop on the Sommer shower,
But 'twont be so long fair one if you continue
to stay away from the Dentist for
Even now it gives me pain to view
Those crumbling arches "veiled in ebon hue,"
Then come along without delay to my office
in the Brick Block over Wilson's store, and if
as poor as you are beautiful, no matter,
Come along, come along plead "not able" no more
For just what you can pay your charms I'll restore.

RARE INDUCEMENTS.

A Present to Every Body

Who purchases an Ambrotype between this and the first of June.

FINDING it necessary to raise a considerable sum of the "needful" during the next two months, I have chosen this plan to increase my business, trusting that my efforts to please my customers will be so well appreciated that I shall lose nothing by the operation.

These presents consist of Gold Lockets, from $3.00 to $10.00; Books from 50 cts. $1.50; Ambrotypes from $1.00 to $2.00; and Daguerreotypes from 12 1-2 cts. to $1.00.

Two hundred of these, worth over $100.00, will be given to the purchasers of 200 cases selected for the purpose.

There are no pickets and consequently no waiting for a "prize drawing," but each one *gets his present with his likeness.*

So now, my good people, make no delay,
For April and May will pass swiftly away;
Whether rainy or shining, we don't care a feather,
For we do take good pictures in all sorts of weather.

To the Families and Business Community of Montrose, and Surrounding Districts.

WHEN going or sending to New York for supplies, you are respectfully invited to make a trial of the superior TEAS, imported expressly for the

IMMENSE TEA WAREHOUSE OF

CHRISTIANSON & CO.

Dealers in TEAS and COFFEES exclusively.

This is by far the greatest concern of the kind IN THE WORLD, affording the opportunity, at all times, of procuring a pure, reliable, and choice variety of TEAS and COFFEES, which in quality and price, present unrivaled inducements to both Dealers and consumers.

The facilites possessed by this establishment are of such a character as to warrant the proprietors in speaking thus confidently, and they are prepared to abide the decision of all who may test their sincerity by a critical examination of their stock and prices.

This immense establishment is situated in the very heart of the city of NEW YORK, at the corner of Broadway and Grand Street, affording every convenience of easy access, and in the midst of the most extensive establishments of this great commercial metropolis.

Holding ourselves responsible for a fair and truthful representation of all we sell, and with the assurance to our customers that unless such shall prove to be fully equal to our representation, that the goods will be taken back and the money cheerfully returned, we are sure that our system of doing business must meet with the hearty approval of purchasers.

In conclusion, we respectfully renew our invitations to Families and Dealers, believing that a trial will convince them of the great advantages which we hold out to customers in making their purchases at

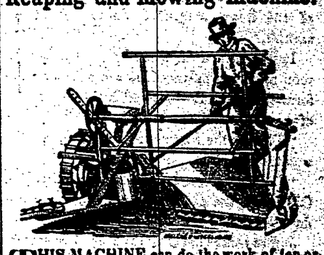
MANNY'S COMBINED Reaping and Mowing Machine.



THIS MACHINE can do the work of ten or fifteen men. It took the first premium at the great National Fair at Paris in the summer of 1855, and when on exhibition at the County and State Fairs in our own country has *always* been pronounced the best Machine in use. I invite the Farmers of this county to call on me at Montrose and examine the Machine for themselves, as an accurate description of the same in print would occupy too much space in the columns of a newspaper.

HAVING just returned from New York, with a complete assortment of goods for the Spring Trade consisting in part as follows, viz: **Dry Goods, Groceries, Crockery, Hardware, Boots & Shoes, Clocks, Looking Glasses, Umbrellas, Wall Paper, Ladies' Bonnets, &c. &c.**

A fine stock of *PANAMA, STRAW*, and *PALM-LEAF HATS*, and many other articles too numerous to mention, would invite the especial attention of cash buyers to an examination of his stock, which will be shown freely to all, and sold as cheap as they sell goods this side of New York. Thankful for the patronage that has been bestowed upon him the past year, he hopes by constant attention to the wants of all, to suit all who may call.
