Notice.—The next meeting of the WYOMING ASSOCIATION will be held at Laceyville, commencing on Wednesday Sept. 30th at 10 o'clock A. M.

Introductory sermon by Rev. J. KENNEDY. Rev. E. STURDEVANT alternate.

36w3.) D. D. GRAY, Cor. Sec'y.

Pimples and Blotches are the result of impure blood. The blood becomes thick and clogged. The skin is not able to cast off the impurities so important to health. How many young men and women we see with their frees covered with pimples and blotches, who are trying to remove them by the use of soaps and washes of various kinds. This is very dangerous and sho'd never be practised by persons desirous of good health. Mothers who have children afflicted with sores and eruptions, should never dry them up by external applications, for in this way they will drive in the humors and produce ill health for the child during its whole life time. There is no mother that likes to see her children afflicted with feeble health.

MORSE'S INDIAN ROOT PILLS are prepared expressly for the cure of eruptions of the skin, such as Pimples, Blotches, Sores &c. They cleanse the blood of all impurities, producing a beautiful clear, healthy skin, so much admired by all people of taste and refinement.

Susquehanna Association.

The Susquehanna Association of Universalists will hold its annual session at Montrose the first Wednesday and following Thursday in Oct. (7th & 8th.) A cordial invitation is extended to all friends, both layman and clergy. Those coming from a distance can call at the Church where a committee of arrangements will direct them to places of entertainment. We expect a good time. Do not fail to be present to enjoy it with us.

A. O. WARREN, Standing Clerk.

A MEDICINE, scientifically compounded, which performs all it promises, and is recommended by persons of the highest respectability, deserves our confidence. Such a medicine is the OXYGENATED BITTERS. Sure cure for Dyspepsia.

Holloway's Pills.—Armed with this great antidote, the traveler is prepared to encounter all varieties of climate, for he has the means of eradicating nearly every species of internal disease. The endemics of the alluvial districts of the West, and the miasmatic swamps of the South, and the epidemics which at particular seasons decimate the population of our crowded cities, are susceptible of being controlled by the purifying, disinfecting action of the pills upon the animal fluids; while external diseases and injuries are rapidly and thoroughly cured by the anti-inflamatory and healing agency of the Ointment.

NEW MILFORD STOVE EMPORIUM.

GREAT REDUCTION OF PRICES!!

DICKERMAN & GARRATT are now receiving their Stock of Stoves for the Fall and Winter Trade, and would beg leave to say to their numerous friends and customers that they have on hand the largest and best selected Stock of Stoves ever offered to the inhabitants of Susquehanna Co. Their Stock consists of the most approved patterns of Elevated Oven, Large Oven, Premium and Coal Cooking Stoves. Wood and Coal-Parlor Stoves of Elegant patterns, also Six-Plate Office and Hotel Stoves, Coal Burners, &c. We have the best Stove constructed on the diving-flue principle, ever made, at a very moderate price.

We would take this opportunity of reminding our friends who are solicited to purchase their Stoves of Hawkers & Pedlars, that a moments reflection will convince them that it is very bad economy to do so.

It is a well established fact that the cost of selling Stoves by pedling them about the country is not less than 15 or 20 per cent, and generally as high as 30, to say nothing of bad debts and cost of collections. Of course this extra expense must come out of the pockets of the purchaser.

In consideration of the above facts we offer our entire Stock of Stoves at 20 per cent less any Pedlar will or can sell. Call and see if these things are not so.

New Milford, Sept. 16th, 1857.

Stump Candidate!

I would respectfully notify the public that I am a candidate for your suffrages, and I pledge myself, whether elected or not, to fill the duties of my office, (which is to make your Coats, Vests and Pants,) to the best of my ability, and in a style that shall be neat and durable. If a thorough knowledge of the business, faithfulness to promises and a determination to please my customers, are merits worth anything, then am I entitled to your suffrages. Bring along your cloth, and your money to pay for cutting or making, and see if I am not all right. Poor Richard says:

"He that by the Plow would thrive,
Himself must either hold or drive."

True,—and if applied to Tailors, it would read in delectable rythm:

"He that by the Shears would thrive,
Must make good work or—Yankee Doodle."

I pledge myself to make good work. Drop in and look at the Fall Fashions.

☞ Shop at the old stand a few doors west of Searle's corner. Cutting done as usual.

He has since administered the wonderful remedy to thousands of sufferers in all parts of the world, and he has never failed in making them completely healthy and happy.—Wishing to do as much good as possible, he will send to such of his afflicted fellow-beings as request it, this recipe, with full and explicit directions for making it up, and succes-fully using it. COUNTRY MERCHANTS!

The Apple Harvest of 1857 has arrived,

And if you wish to make money, please your customers and save canvassing agents (who can make one, two, or three hundred dollars per month) from supplying the goods in your town and county which you ought to sell, you can do it by sending ten dollars for a sample box containing six of Pratt's Apple Parers (250,000 already sold) and Pratt's Apple Slicer, (a new article,) and 1000 printed circulars to distribute in your town or county. By so doing you will find no trouble in ordering and selling at a very large profit, ten, twenty or even a hundred dozen machines during the season.

PRATT'S APPLE PARER was patented in 1853. Having a loose head or knife carrier so arranged as to readily adjust itself to the inequalities of the surface of apples, or other fruit, the working qualities of which have proved so excellent and advantageous to the community, that the manufacturers, Messrs. Sargent & Foster, have already been called on to supply more than half a million of machines.

PRATT'S APPLE SLICER, made to accompany the Parer, was patented in 1856. It is a small neatly constructed machine, and like its companion, the Parer, does most excellent work, cutting, in about five seconds, each apple into 22 equal parts, leaving, without waste, only a small core to be removed. A child can readily work either Parer or Slicer at a speed of about three bushels per hour.

RETAIL PRICE OF EACH, $1.50. All orders by mail or otherwise should, to meet prompt attention, be addressed to E. L. PRATT.

Given under my Hand, at my office in the Borough of Montrose, the second day of September Anno Domini. 1857, and in the year of the Commonwealth the eighty-first.

F. P. HOLLISTER, Sheriff.

To the Independent Voters of Susquehanna County.

I offer myself an Independent candidate for the office of **Trensurer,** hoping to receive votes enough to elect me that office. My politics are the same as heretofore. Last Fall I voted for Buchanan; previous to that time I always supported the Whig ticket, and was never identified with Republicanism, now so called. This Fall I intend to vote for the best men for County officers; setting aside the opinions of cliques and wire-pullers, and stand or fall on my own platform. Opposition I expect from the Montrose aristocrats. More anon.

RUFUS THAYER JR.

Montrose, Sept. 9, 1857.

To the Independent Freemen of Susquehanna County.

IN compliance with the expressed wish of numerous friends in various parts of the county, as well as in accordance with my own sense of duty and propriety, I am constrained to announce that, (until further advised of the "popular will,") I am still a candidate for your suffrages for the office of Register and Recorder for said county. Should a sufficient number of my fellow citizens—approving the manner in which I have thus far striven to discharge the duties of the office—be disposed to sustain me upon the *true merits of the question*, after a fair and candid view of the case, I can only promise a continuation of my utmost efforts to *deserve* that confidence, with all the increased ability to discharge those duties to the public advantage, which three years experience has given me. It, however, a majority should deem other considerations paramount, I hope they will treat my motives with forbearance, so long as I do not impugn theirs.

JAMES. W. CHAPMAN.

Sept. 19, 1857.

To the Independent Voters of Susquehanna county.

By earnest solicitations of my friends, of all parties, I have been induced to offer myself as an *Independent Candidate for SHERIFF.*

If elected, I will endeavor to discharge the duties of the office faithfully, impartially, and to the best of my abilities. I ask the votes of my fellow-citizens, on behalf of the *southern* part of the county, which has yet never had the office of Sheriff.

In principle, I have ever been opposed to the extension of slavery, and in favor of freedom. At the same time I hold that the North has no right to interfere with slavery where it exists as a State institution.

I ask the votes of all my fellow citizens of whatever name or party, Democrats, Republicans, Whigs, Americans and Fofelgtiers, and should both of the nominating Conventions nominate me, I shall not be offended, but will fully appreciate the favor, and feel under many obligations for the same, and if elected will try to remember that I received the office from the People. T. KINGSFORD & SON'S *PURE* OSWEGO STARCH.

HAS established a greater celebrity than has ever been obtained by any other Starch.

This has been the result of its marked superiority in quality, and its invariable uniformity.

The public may be assured of the continuance of the high standard now established.

The production is over Twenty Tons daily, and the demand has extended throughout the whole of the United States, and to foreign countries.

Working thus on a very large scale, and under a rigid system, they are able to secure a perfect uniformity in the quality throughout the year. This is the great Desideratum in Starch making, and is realized now for the first time.

The very best Starch that can be made, and so OTHER, is always wanted by consumers, and this will be supplied to them by the grocers, as soon as their customers have learned which is the best, and ask for it—otherwise they would be likely to get that article on which the largest profit can be made.

Mr. Kingsford has been engaged in the manufacture of Starch continuously for the last 27 years, and during the whole of this period, the Starch made under his supervision has been, beyond any question, the best in the market. For the first 17 years, he had the charge of the works of Wm. Colgate & Co., in which period he invented the process of the manufacture of Corn Starch.

It is sold by all the best grocers in nearly every part of the country.

T. KINGSFORD & SON'S

OSWEGO CORN STARCH,

(FOR PUDDINGS, &c.,)

Has obtained an equal celebrity with their Starch for the laundry. This article is perfectly pure, and is, in every respect, equal to the best Bermuda Arrow Root, besides having additional qualities which render it invaluable for the dessert.

Potatoe Starch has been extensively packed and sold as a Corn Starch, and has given false impressions to many, as to the real merits of our Corn Starch.

From its great delicacy and purity, it is coming into extensive use as a diet for infants and invalids. E. N. KELLOGG & CO., Agents,

NEW YORK WEEKY NEWS!

PUBLISHED BY

W. DRAKE PARSONS,

Every Saturday Morning, at No. 102 Nassau Street, New York, at One Dollar per annum. The Cheapest Paper in the world! Any person remitting Twenty Dollars will be entitled to Twenty one Copies, if sent to one post-office address.

PAYMENT IN ALL CASES WILL BE REQUIRED IN ADVANCE.

The New York Weekly News, a large and handsome paper for general circulation, is published every SATURDAY MORNING. It contains all the interesting matter of the Daily News.

It represents the sound constitutional principles which have ever been upheld by the National Democracy of New York, opposed at once to "Abolitionism," "Free-Soilism," and every species of fanaticism. It will oppose, at all times, any interference by the General Government with the reserved rights of the States, and strive to secure in every section of the Union its fair participation in the public domain, purchased by common blood and treasure, and which should be a'ike the common property of all, as free to the Southerner with his slaves, as the Northern man with his goods and merchandise.

It is decidedly Anti-Know Nothing and Anti-Maine Law. Upon this conservative platform the National Democracy of this State have erected their standard.

THE WEEKLY NEWS will contain each week a full market report of Cotton and other Southern Staples; Cattle, Grain, and all description of Western produce; Dry Goods, &c., &c., with quotations of the New York Stock Exchange, the Financial and Commercial movements of the week, and the notable incidents of trade generally. In this department it will be excelled by no other weekly paper in the city, and rivalled by scarcely any. It is the intention to render it in every respect a valuable guide to the country merchant, farmer, storekeeper and business man. Its Agricultual department will also embrace everything in the way of news and general information.

THE NEW YORK DAILY NEWS is published EVERY MORNING, in connection with THE WEEKLY NEWS. To subscribers by mail, Five Dollars a year, parable in advance.

THE DAILY NEWS is handsome sheet containg all the earliest domestic and foreign news, reports, correspondence, and communicated matter. Its editorial management is able and decided in tone, conservative upon the agitating questions of the day, and favorable to the views of the National Democratic organization. It contains all the Telegraphic intelligence, full reports of Markets, able Commercial and Financial Reviews, with a carefully selected and original Literary department, embracing Poetry, Tales and Facetiæ. It is the object to combine intelligence of the most attractive description to all classes of readers.

THE DAILY NEWS is the cheapest and best newspaper in the world of its class. It has already attained a very large circulation, ranking among the first of the daily papers in New York.

All communications enclosing subscriptions, or concerning business connected with THE WEEKLY NEWS or DAILY NEWS, must be addressed to the publisher.
