THE GENESEE FARMER.

[Established in 1831.]

Extraordinary Offer.

THE GENESEE FARMER is now admitted to be the cheapest agricultural paper published in America. It is believed to have a larger circulation than any similar journal in the world. But there are thousands of farmers who do not take this or any similar paper. To reach this large class, although the Farmer is now cheaper than the cheapest, we have determined to make it cheaper still.

TO ALL WHO SUBSCRIBE NOW,

Or before the first of December, we will send the Genesee Farmer for 1860, and the remaining two months of this year (November and December), for fifty cents. In other words, we will send the remaining numbers of this year as *A PRESENT to new SUBSCRIBERS.* Send the fifty cts. in three-cent postage stamps, at our risk; or get one of your neighbors to join with you, and send a dollar bill.

Published for 29 years, in the very heart of the "Genesee country," with hundreds of the best farmers and fruit-growers, in every State, as correspondents, the Genesee Farmer contains information of great value. It is the

"FARMER'S OWN PAPER,"

And no effort is spared to make worthy of their support.

WHEAT CULTURE receives special attention. Every subject connected with the farmer's vocation is discussed. Management and breeding of stock, cultivation of grain and grass, farm-houses, buildings, fences, underdraining, plowing, sowing, harvesting, threshing, marketing, dairy management, and every operation on the farm or garden, receive attention.

Full and Reliable Reports of the Markets, in New York, Boston, Philadelphia, Rochester, Buffalo, Toronto, Chicago, Cincinnati, Liverpool, and London, are given each month, prepared expressly for the Farmer by a gentleman of great experience, intelligence, and sagacity.

DOMESTIC RECEIPTS.

Ladies, too, write for the Genesee Farmer, and furnish hundreds of well-tried and valuable receipts. We design to make the volume for 1860 decidedly the best of the series.

TO THE INDEPENDENT FREEMEN OF SUSQUEHANNA COUNTY, GREETING:

But more Especially to every Alderman and Justice of the Peace in the State of Pennsylvania.

THE undersigned has the general agency of this State for the sale of B. Glidden's Form Docket for Justices of the Peace, containing abbreviated forms for entering actions, both civil and criminal, and all subsequent proceedings thereon; also bills for Justices' Constables' and Witnesses' Fees; being a complete guide to new Justices, and saving much labor and time to both new and old. The work is highly recommended by Hons. S. B. Chase, D. Wilmot, Wm. Jessup, U. Burrows, C. F. Read, F. B. Streeter, and by nearly all the Attorneys of the county. The Attorneys in their testimonials say that a "strict economy, saying nothing of the great convenience of the work, will, in our judgment, induce every Justice in the county to purchase the book as soon as it is examined by them."

It is substantially bound, and contains six quires of good paper, and is sold at the uniform price of $6. Call and see it at the Montrose Book Store. Orders by mail from any part of the county or state, enclosing the cash, promptly attended to, and the work sent by express, or as directed.

DR. CHURCHILL'S REMEDY

FOR THE PREVENTION AND CURE OF

CONSUMPTION.

WINCHESTER'S

GENUINE PREPARATION OF THE

HYPOPHOSPHITES

OF LIME AND OF SODA,

The Specific Remedy for Consumption, Chronic Bronchitis, Asthma, Scrofula, Dyspepsia, General Debility, and all Nervous Diseases.

The success of this NEW REMEDY (discovered by Dr. Churchill, of Paris) is obtaining for it the most UNBOUNDED POPULARITY throughout Europe and the United States. It is a purely SCIENTIFIC PREPARATION, and acts with INVARIABLE EFFICACY in all stages of Pulmonary and Nervous Diseases. The *Hypophosphites increase the Principle* which constitutes *nervous force*, and are *the most powerful blood generating agents known.*

The Cure of Consumption,

In the SECOND and THIRD STAGES (as a period, consequently, when there can be no uncertainty as to the nature of the disease,) can be obtained, IN ALL CASES, by this treatment, except when the existing lesion of the lungs is of itself sufficient to produce death. *Cure* is the rule, *Death* the exception.

This REMEDY has not only a curative effect, but will, if used wherever there exists a suspicion of the disease, PREVENT ITS DEVELOPMENT, and thus act as a PRESERVATIVE WITH REGARD TO CONSUMPTION, JUST AS VACCINATION DOES WITH REGARD TO SMALL-POX.

Professional Correspondence.

"COLUMBUS, OHIO, Aug. 8, 1859.—I have been treating this disease for twenty-five years, and have derived more satisfaction from the use of the HYPOPHOSPHITES *than from all other forms of medication combined.*"

"MANCHESTER, MICH., Aug. 8, 1859.—I have used the HYPOPHOSPHITES in my practice *with very happy effects*—so much so that I WOULD NOT BE SATISFIED TO REMAIN WITHOUT THEM."

"MIDDLEBURY, VT., Aug. 9, 1859.—I believe the HYPOPHOSPHITES used in the manner and way Dr. Churchill uses them, WILL CURE CONSUMPTION."

"SHEPHERDSTOWN, VA., Aug. 15, 1859.—I have prescribed the Hypophosphite in several cases, and *am delighted with its effects.* IT IS ACCOMPLISHING WONDERS."

"LOWELL, O, July 4, 1859.—I have used it all about forty bottles, and in but one instance have they failed to benefit the patient, and that was a hopeless one before I was called. I have had several cases given up by attending physicians who ARE NOW ENJOYING COMPARATIVELY GOOD HEALTH, and EXEMPT FROM ALL THE SYMPTOMS of pulmonary disease. I have used the
