$1,000 REWARD!

BRIGGS' ALLEVANTOR is composed of Ammonia, Chloroform, Spirits of Camphor, Tincture of Topaline, Oil of Juniper, and Alcohol This compound is unequalled in the annals of medicine for the cure of Nervous or Sick Headache, Neuralgia, Trembling or Twitching of the Muscles, Hot Flashes, Dizziness, Fever, counteract all poisons, banish pimples; cure scaly eruptions, itching, humors, &c., it equalizes the circulation, invigorates the system, increases the action of the heart, without exciting the brain, cures Heartburn, Palpitation and Fluttering of the Heart, Dyspepsia, &c. Briggs' Alleviator absolutely possesses more curative properties than any other preparation. Physicians, chemists and others are requested to examine and test the remedy and $1000 will be paid if found different from representation.

COUGHS. Much has been said and written, and many remedies have been offered for the relief and cure of throat and lung diseases; but nothing has been so eminently successful or obtained such a wide celebrity, as Briggs' Throat and Lung Healer.

CORNS. The excruciating pain produced by Corns, the unceasing twinging from Bunions, the piercing, distressing pain from Ingrowing Nails, cannot be described. Thousands suffer, not knowing there is a cure. Briggs' Corn and Bunion Remedies are no acid or potash compounds, but are reliable soothing, and effectual, and just merit the success they have earned from an appreciative public. The Curative is a healing ointment; immediate relief is obtained by its application, and it will positively cure the worst cases of Festered Corns, Inflamed and Ulcerated Bunions, the sorest instep, the largest and severest Blisters, the most extensive Callosities on the soles or heels of the feet, unequalled in the cure of Chilblains or Frosted Feet. The Alleviator for ordinary corns and preventing their formation is absolutely unexcelled by anything known.

PILES have been a terror to mankind for centuries, and almost every attempt to cure them has been baffled. By unceasing study and experimenting, Dr. Briggs has discovered and absolute cure for internal, bleeding, external, and itching piles. Briggs' Pile Remedies are mild, safe and sure.

Corns, Bunions, Bad Nails, Diseased Joints and all diseases of the feet, also, Piles, Cancers and Scrofulous Humors, skillfully treated by Dr. J. Briggs & Co., 697, Broadway, N. Y.

SMYTH'S REVOLVING CARRIAGE GATE.

[PATTENTED, OCTOBER 31, 1871.]

It claimed by our best Judges, to meet the necessity so long felt, of a Convenient, Practical, Durable Gate, so indorsed by the highest authority in America. Is entirely different from and has many advantages over any other Gate ever invented. Is Cheap and easily constructed and for convenience cannot fail to please all. Can be opened and closed without the operator changing his position, lifting or pulling a pound, and if desired can be easily arranged to be opened and closed without dismounting. It occupies no more ground when opened than two posts without gate, this making it very desirable over any other Gate to farmers and those living in Villages and Towns. Is in order every day in the year, no snow to shovel in winter. It cannot sag or get out of repair.

For further particulars address the undersigned, who will as far as possible visit the several Counties in Pennsylvania and adjoining States, for the purpose of exhibiting and introducing the same.

Farmers and enterprising men generally, will do well to give this special attention, as this Gate certainly will go into general use.

HALL'S VEGETABLE SICILIAN *HAIR* RENEWER

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical [illegible] as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Buckingham's Dye.

FOR THE WHISKERS.

It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents.

Ayer's Sarsaparilla

Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of **Scrofula**, and all scrofulous diseases, **Ulcers, Eruptions**, and eruptive disorders of the skin, **Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm**, and internal **Ulcerations of the Uterus, Stomach, and Liver.** It also cures other complaints, to which it would not seem especially adapted, such as **Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility**, and **Leucorrhœa**, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.
