W. B. GUILE, Sec'ty.

New Milford Meeting.—The Democratic Association of New Milford held a meeting at Vail's Hall, on Saturday evening last. R. B. Little and A. J. Gerritson were the speakers. The attendance was large, and a feeling of earnest enthusiasm manifested. New Milford will poll a vote for Woodward this fall that will hurt the abolition managers worse than the unusually large vote for Denison last year.

Outrageous.—We have heard of two letters having been mailed to us in this county about a week ago, which have not been received. Like many letters and papers sent from here to soldiers in the army, within easy reach of the mails, they have been indefinitely delayed or stolen from the mails and destroyed. Democratic citizens, and especially soldiers, are not now like others allowed the free use of the government mails. How long will such infamies be allowed?

Friendsville Ahead.—We added among others, about 100 names to our list of campaign subscribers from Friendsville and vicinity on Monday. The club was got up by our enterprising friend, Wm. Buffum, Esq., who is ahead of any other in this matter, and has set an example worthy the attention of our party friends in the county. He is entitled to the hearty thanks of ourself and our friends for his industry, and if such exertion should be made the custom of our friends for the future, our regular list could be heavily increased, and also the county redeemed from the rule of the colored dynasty.

Soldiers' Aid Society.—The ladies of the Soldiers' Aid Society acknowledge with thanks, the gift of $100 from the Emergency Band, the avails of the concert given Aug. 28th.

—The Treasurer of the society reports as follows for August:

Ominous and Significant.—Seward and his party who have been on a pleasure tour North, returned through Great Bend last week. In attempting to pass from the Erie car to one on the Del. Lack. & W. road, the platform fell, pitching sundry members of the party to the ground; but there was "nobody hurt." After getting into the car for Scranton, they were taken off by their friends in the dark, without light, it being near 8 o'clock p. m., when they left. Arriving at Scranton, the guard left by a cannon to fire a salute in honor of their arrival was drunk and asleep; so there was no salute! The break-down of the platform reminds one of the breaking up of the principles of the Republican party; while the ride at night in the cars, without light, is characteristic of the *dark* nature of the africanized party.

County Convention.—The Democratic County Convention assembled in the Old Court-house, in Montrose, on Monday, Sept. 7th, according to call. Every district was fully represented. Isaac Rockhow, Esq., of Great Bend, was chosen Chairman, Wm. Hartley, Esq., of Lenox, and Jonas Carter, Esq., of Auburn, Vice Presidents, and S. S. Thomas, of Springville, and P. Hayward, of Great Bend, Secretaries. An excellent ticket was nominated, which will be found on editoral page. Some of the candidates were chosen after a spirited and pleasant contest, others on first ballot, and others by acclamation, and all finally endorsed unanimously.

The officers of the Convention have furnished no report of the names of delegates, ballotings, &c., and we are therefore obliged to omit them.

The following resolutions were adopted:

WHEREAS, The American Constitution was ordained and established by our fathers, in order to form a more perfect Union, establish justice, ensure domestic tranquility, provide for the common defence, promote the general welfare, and secure the blessing of liberty to posterity.

Resolved, That the only object of the Democratic party is the restoration of the Union as it was, the preservation of the Constitution as it is.

Resolved, That the true and only object of the war is to restore the Union and enforce the laws.—Such a purpose alone is worthy the awful sacrifice which it costs us of life and of treasure; with such a purpose alone can we hope for success. And those who from sectional feeling of party or private motives are giving other direction to the efforts of our armies are unjust and unworthy to be entrusted with power, and would cause all our exertions, extraordinary and unparalleled as they are, to prove futile in the end.

Resolved, That we denounce Northern Abolitionism and Southern Secession as the co-operating sources of our present calamities—alike treasonable to the Constitution and inimical to the Union. The only way to a restored Union and a respected Constitution with returning peace and prosperity is through the overthrow of both.

Resolved, That as the neighbors, acquaintances and friends of George W. Woodward, who have (many of us) known him intimately all his life, we take pleasure in bearing testimony in favor of him as a moral, upright man, as an eminent jurist, and will do honor to the position for which the Democracy have selected him and will receive our cordial support.

Resolved, That the Hon. Walter H. Lowrie, our candidate for Supreme Judge, desires a fair and impartial administration of the law. We can point to his long public life and can say in truth that no blemish is found upon it; he is sound and reliable upon the important issue of the day but with great prudence refrains for participating in politics—believing with the democratic party that the Bench and the Pulpit is no place to proclaim the angry issues of the day.

After concluding the business, R. B. Little and M. C. Tyler made short speeches to the Convention which were received with earnest attention and enthusiasm.—After supper at the Keystone, the people returned to their homes determined to go to work in earnest for the success of the whole Democratic ticket.

County News.—Our friends are invited to send us items of interest for this column, from the different parts of the county. Accidents or noteworthy incidents of any kind; Democratic meetings held or to be held; and any news or notices thought to be of interest to our party or to the public generally. Write down the facts, even if in not proper style for publication—the printers can make the necessary corrections. Deaths and marriages should also be sent in.

Graded School.—The Graded School opened last week, and has now nearly two hundred pupils. We are pleased to see this evidence of success, and hope it may continue. The system is a desirable one, and works well where properly tested; and should take the place of village academies and select schools.

MONEY VS. MEN.—Just forty men have been sent forward to the Elmira Depot, as the result of the draft in Tioga County, out of 868 drafted, including substitutes furnished; whilst $82,500 commutation money has been paid to the Government Collector!—*Owego Gazette.*

WYOMING.—The following is the Democratic ticket for Wyoming county: Sheriff—Abira Gay. Prothonotary—H. L. Furgeson. Register and Recorder—Lewis Parrish. County Commissioner—Edwin Stephens. Wm. M. Piatt. Representative delegate, and C. D. Gearhart Senatorial delegate to the next State Convention. The ticket is a good one, and will be elected.

FIRE.—The building in the neighborhood of Jacob Lowman's in the town of Chemung, occupied as a church and school house, was destroyed by fire Monday morning about 2 o'clock. A pock-marked fellow, who gave his name as Chester Parks, and his residence as Montrose, Pa., was arrested the same day on the charge of firing the church. He confessed the crime and was committed.

DRAFTING.—They have no trouble of enforcing the conscription law down in Bucks County. Mr. E. S. Bodder, of Springtown, went down to Frankford and was exempted by the Examining Board on ground of defective eye-sight.—He had been given his exemption certificate, when a Doylestown abolitionist whispered in the ear of the draft commissioner that he was a Democrat, he was immediately recalled and had his papers taken from him and was obliged to pay his $300.

Another man named Wrenmer, a Democrat, of Bedminster, went to the enrolling board for exemption, and was asked in regard to his political principles. He was smart enough to tell them that he was a "good Republican," and got his papers.

Orange Judd, of the "American Agriculturist," says of the UNIVERSAL CLOTHES WRINGER:

"A child can readily wring out a tub full of clothes in a few minutes. It is in really a clothes saver! A time saver! and and strength saver! The saving of garments will alone pay a large per centage on its cost.—We think the machine much more than pays for itself every year in the saving of garments! There are several kinds, nearly alike in general construction, but we consider it important that the Wringer be fitted with Cogs, otherwise a mass of garments may clog the rollers, and the pressure upon the crank-shaft slip and tear the clothes, or the rubber break loose from the shaft.—Our's is one of the first make, and it is as good as new after nearly four years' constant use."

Every Wringer with Cog Wheels is warranted in every particular. No Wringer can be durable without cog wheels.

A good Canvasser wanted in every town.

☞ On receipt of the price from places where no one is selling, we will send the Wringer free of expense.
