Death of D. Wilmot.

Hon. David Wilmot died at his residence in Towanda, on Monday March 15, about 1 o'clock, p. m. During his life he acted as politician of some note, being a member of Congress, a candidate for Governor of Penn'a, U. S. Senator, Judge of the court of this district, Judge of the Court of Claims, &c. He leaves a wife and one son.

Judicial Appointment.

Benj. S. Bentley, Esq., late of Montrose, now of Williamsport, has been appointed by Governor Geary, President Judge of the new Judicial District composed of Lycoming county.

April Court.

April court will afford opportunity to many persons who wish to become citizens to obtain their naturalization papers. Democratic Committees of Vigilance, and all others interested, should see that such matters be attended to. The Chairman of the County Committee will render material or other aid in such matters, if required. Inquire at this office.

Remedies for the Times.

Freedom of speech in relation to public acts of officials; an equal, mutual and peaceable UNION of all the States; a strict adherence to the letter and spirit of the Constitution; no military rule; an independent judiciary; honor, honesty and economy; majority in Congress to be "impeached" by the People; Drugs and Medicines can be obtained in the Brick Block.

Fire in Montrose.

About one o'clock on Saturday last, a fire was discovered in Rogers' carriage shop. The rear part of the shop is used for the blacksmith's shop, and a small barn adjoins. It is supposed the fire took from the furnace while the workmen were at dinner. Exertions of firemen and citizens saved front part of shop only. A cow was burned in the barn. Loss estimated at $3,000; insured for $2,000.

Naturalization.

Aliens who come to the United States under 18 years of age, can, after five years residence therein, obtain full certificate of citizenship, on first application, in open court, with a witness as to residedce, etc.

Aliens who enter the Union after arriving at the age of 18, must, after three years, file declaration of intention to become citizens, and at the end of two years can obtain the certificate of citizenship in open court, with two witnesses.

Aliens who have been in the military or naval service, can obtain certificates of citizenship on presentation, in open court, of honorable discharge, and proof of one year's residence in the country.

Minor children become citizens upon naturalization of their father.

Declaration of intentions can be filed in Prothonotary's office at any time, without witness; but certificates of citizenship can only be granted when Court is in session, and witness present.

The Freshet.

The water in the Susquehanna is said to have been nearly as high recently as in 1865, when much damage was done. The flood seems to have been greatest about the 15th, and its results in this region are reported hereunder:

A single span of the turnpike bridge at Susquehanna was carried away Sunday evening.

A small bridge at Kirkwood was carried away, but the main structure across the river held its place.

All but one span of the bridge at Union was carried off Saturday night.

Three spans of the Owego bridge are gone. Also a bridge at Smithboro.

Taxable Watches.

As the present law in reference to internal revenue tax on watches is not correctly understood by all, the following points are published as important to be known.

Every watch kept for use, composed in whole or in part of gold or gilt, is subject to a tax of $1; if the value exceed $100, the tax is $2.

The fact that a watch is not "carried" does not exempt it from tax. If used, or kept running, occasionally, at home or elsewhere, it is taxable.

Ladies and childrens' watches are taxable.

The present law requires that every one using a taxable watch shall report the fact to the assistant assessor, or be liable to penalty; and in case of neglect to do so, that officer must according to law make an assessment and add penalty.

The person who has a watch on or about the first of March should pay the tax, although owned by some one else; the intention being that each watch shall be taxed once a year—the tax being a lien on the watch.

Notice.
