Special Notices.

Bear in Mind.

When disease has undermined the health, and the physical system has become prostrated, a stimulant that will not only strengthen, but remove the cause, should be immediately resorted to. Mental distress is also a fruitful source of the breaking down of the constitution, and the ravages of this enemy to health are truly alarming. For all such maladies Hostetter's Stomach Bitters have been found unsurpassed. By acting directly upon the digestive organs, they remove the heavy, disagreeable feeling after eating, so often complained of by persons of delicate temperament. As soon as digestion is restored, the patient finds his strength increasing, and his general health improved.

Thousands of persons certify that it may be relied on in all cases of weakness or nervous debility attendant upon sedentary habits. The generality of Bitters are so disagreeable to the taste that they are objectionable to a weak stomach. This is not the case with Hostter's Bitters, which will be found mild and extremely pleasant. Balsamic plants, barks and roots contribute their restorative juices to render it soothing and strengthening. Its basis is the only pure stimulant which has ever been produced, containing no *fusil oil*, or any other deliterious element. The most careful and skillful chemists have analyzed the Bitters, and pronounced them harmless. This is scientific testimony, but the testimony of the hundreds of thousands who have experienced the preventive and curative effects of the Great Vegetable Tonic and Alterative of modern times is still more conclusive. In Fever and Ague, Dyspepsia, Billious, Nervous Complaints, Chronic Complaints and general debility it is nearly infallible as anything in this fallible world can be.

FOR SALE!—The Subscriber has on hand for sale one pair of mules, three years old this Spring, large size well broke.

ALSO some Norway Oats left, said oats may be found at Wilson's store in Montrose, S. V. Trumbull's, Franklin, John Trumbull's Bridgewater. Price $1,00 per bushel, or ½ the oats, the Norways yield over the common, in which case some rules and regulations, such as were published last fall will be necessary. Come and get your oats without money. There are several kinds of oats claimed to be Norway, many of them must be spurious. The best kind for us to sow is those that will yield the best. My oats yield for me ½ more than the common per acre, and I think they will do it for you. One bushel per acre is enough.

FIRST MORTGAGE LAND GRANT GOLD BONDS

OF THE

Northern Pacific
RAILROAD COMP'Y.

THESE BONDS are secured, first, by a First Mortgage on the Railroad itself, its rolling stock and all equipments. second, by a First Mortgage on its entire Land Grant, being more than Twenty-Two Thousand Acres of Land to each mile of road.

The Bonds are free from United States Tax; the Principal and Interest are payable in Gold—the Principal at the end of Thirty years, and the Interest Semi-annually, at the rate of Seven and Three-tenths per cent. per annum.

They are issued in denominations of $100, $500, $1000 $5,000 and $10,000.

The Trustees under the Mortgage are Messrs. J. Cooke, of Philadelphia, and J. Edgar Thomas, President of the Pennsylvania Central Railroad Company.

These Northern Pacific 7-30 Bonds will at all times before maturity, be receivable at ten per cent Premium (or 1.10), in exchange for the Company's Lands at their lowest cash price.

In addition to their absolute safety, these Bonds yield an income larger, we believe, than any other First Class security. Persons holding United States Five-Twenties can, by converting them into Northern Pacifics, increase their yearly income one-third, and still have a perfectly reliable investment.

HOW TO GET THEM!

Your nearest Bank or Banker will supply these Bonds in any desired amount, and of any needed denomination. Persons wishing to exchange Stocks or other Bonds for these, can do so with any of our Agents, who will allow the highest current price for all Marketable Securities.

Those living in localities remote from Banks, may send money, or other Bonds, directly to us by express, and we will send back Northern Pacific Bonds at our own risk and without cost to the investor. Dr. C. F. BROWN'S

YOUNG AMERICAN

LINIMENT.

In offering this Liniment to the public, as we do in full confidence, that it must supercede all others now in use, as an internal remedy, for the cure of all diseases in the reach of that class of medicines, we can safely assert, without the least fear of contradiction, that it stands unrivaled in the list of medical compounds externally applied for the cure of disease. Feeling therefore that it is unnecessary to puff a remedy so eminently wonderful in its effects, so mysteriously infallible in its powers of relief, causing the deaf to hear, the blind to see, the nervous, drawn and crippled rheumatic to walk erect and rejoice again in the power and vigor of manhood, this preparaiton is offered to the public on its own merits, and claims no volcanic origin or essential oils of the Arabian deserts; but on the contrary is what its imports, and is a rare combination of the powers of North American products.

New York, Dec. 14, 1870.

This notice is to inform all dealers in proprietary medicines, that we have established a Depot in Susquehanna county at Montrose, Pa., for the sale of Dr. C. F. Brown's Young American Liniment, and that Mr. A. BALDWIN is our agent for that purpose.

PERRY DAVIS & SON PROVIDENCE R.I.
1840 1870

A Family Medicine.—We call the attention of our readers to the advertisements of that favorite home remedy, Perry Davis' PAIN KILLER. It has been before the public over THIRTY YEARS, and probably has a wider and better reputation than any other proprietary medicine of the present day. At this period there are but few unacquainted with the merits of the Pain Killer; but while some extol it as a liniment, they know but little of its power in easing pain when taken internally, while others use it internally with great success, but are equally ignorant of its healing virtues when applied externally. We therefore, wish to say to all that it is equally successful whether used internally or externally, and it stands to-day, unrivalled by all the great catalogue of Family Medicines. It is sufficient evidence of its virtue as a standard medicine, to know that it is now used in all parts of the world, and that its sale is constantly increasing. No curative agent has had such widespread sale, or given such universal satisfaction. It is a purely vegetable compound, and perfectly safe, even in unskillful hands.
