## INSURANCE.

**State Mutual Fire Insurance Company,**
HARRISBURG, PA.
THE very liberal patronage extended to this company, having issued policies to the amount of near one and a Half Million of Dollars, during the last three months, is sufficient manifestation of the estimation and confidence of the public in the system of management on which its business is conducted.
To city or country merchants, and owners of dwellings, and isolated or country property, it is believed this company affords advantages in point of cheapness, safety, and security, inferior to no Insurance Company in this country.
Conducted on the equitable and greatly improved system of Classification of Risks, excluding all special hazards, insuring only a limited amount in any one locality, thus precluding the frequency and occurrence of large fires, and also on both the Stock and Mutual plan, it not only possesses the cheapness and accommodation of both methods, but entitles the insured to a participation in the profits.
It is under the control of the following Directors:—John P. Rutherford, A. J. Gillett, John B. Packer, Samuel T. Jones, Alonzo A. Carrier, Philo C Sedgwick, Robert Klotz. ——— J P RUTHERFORD, Pres't

**CHEMICAL STOVE POLISH**
THE Phœnix Manufacturing Company now offer to the public their Premium Chemical Stove Polish; and without exaggeration, or fear of contradiction, by those who have tested it, pronounce it far superior to any other in the market. The consumer need have no apprehensions of soiling carpets, &c., as its composition prevents a dust from arising when being applied, which must be done when the Stove is cold.
The quantity required is so little to produce a beautiful lustre. A saving of over fifty per cent is insured to the consumers. A coating applied to Stoves, Pipes, &c., when laid away for the summer, is a sure preventative against rust. After having tried it once, (if it is accessible) no person will use any but the Phœnix Manufacturing Company's Premium Chemical Stove Polish. For sale by

**DUNHAM'S PIANOS.**
**Sole Agency for Dunham's Pianos.**
H. KLEBER takes pleasure in announcing to the public that he has succeeded in securing the sole agency for Dunham's celebrated Piano Fortes, for Western Pennsylvania.
The Pianos made by Mr Dunham, of the firm of Stodart & Dunham, are too well and favorably known in this neighborhood to require any comment at this time, suffice it to say, that for a long time no other pianos were known in the Western country than those of Stodart & Dunham and Nunns & Clark.
Mr Dunham, the practical partner of the above firm, has spent upwards of twenty years in the factory of said firm, as practical manager and director of the business. Within a year or two Mr Dunham has bought out the entire history and appurtenances of the firm, and continues to manufacture, as before, in his own name. Dunham's Pianos have attained such popularity, that in some of the western cities, Cincinnati, &c., they have sold two to one of any other manufacture. They are distinguished by their power and brilliancy of tone, and extraordinary durability.
N. B.—A large invoice of the above elegant Pianos now receiving. SIGN OF THE GOLDEN HARP.

## MEDICAL.

**PROCLAMATION.**
KNOW all men who are sick and afflicted with disease of the bladder and kidneys, with rheumatic pains in back or limbs, stiff joints, old sores, running ulcers, &c, that they can be cured by taking the Petroleum! You may talk about its being a nostrum as much as you please, but this does not make it so, for we proclaim in the face of an honest community, that it has virtues which are not contained in any other remedy. The man who is racked with pain and suffering from disease, can for fifty cents, get relief from any of the ills ennumerated above. Reader! it costs very little to make a trial. This Petroleum is no mixture—no compound, put up for the purpose of imposing on the community; but it is a remedy elaborated by the master hand of nature, and bubbles up from the bosom of our mother earth in its original purity, and offers to suffering humanity a ready remedy, a certain and cheap cure.
It has cured Piles after other medicines have failed to render any relief. It has cured Rheumatism of long standing, and of the worst and most painful character. It has cured Cholera Morbus by one or two doses; it has cured old cases of Diarrhea, in which every other remedy has been of no avail. As a local remedy in burns and scalds, it is better than any medical compound or ointment that we know of. It will cure chilblains or frosted feet, in a few applications; undoubted testimony can be furnished of the truth contained in the above statement by calling on Samuel M. Kier, Canal Basin, 7th street; or either of the agents.
Keyser & McDowell, corner of Wood street and Virgin Alley; R. E. Sellers, 57 Wood street, D. A. Elliot & D. M. Curry, Allegheny city, are the agents.

BEAUTY—It is universally conceded that beauty is more common in this country than in any other, while at the same time it is said that in no other country is it lost at so young an age. Now this is true to a certain extent, but the loss is often caused by neglect. We say to all, do not neglect your personal appearance, but read the following, and you need not lack good looks. These articles are scientific preparations, and have all attained a high popularity.
JULES HAUEL'S EAU DIVINE DE VENUS AND NYMPH SOAP, for removing tan, sunburn, pimples, blotches, and other eruptions of the skin; the most perfect conservator of beauty ever known. Purchase nothing purporting to be Nymph Soap, unless it has my name attached.
JULES HAUEL'S PERSIAN OR CHINESE POWDER, for imparting to the most bilious complexion a radiant whiteness. In nothing should a person be more careful than the use of a powder for the skin, as many of those sold are very injurious. My Chinese Powder is compounded in a scientific manner, and contains no ingredient which can possibly inflict an injury.
JULES HAUEL'S DEPILATORY POWDER, for removing superfluous hair. What is more unsightly than hair upon the face or arms of a lady. This article will remove it in a short time, without the use of any sharp instrument.
JULES HAUEL'S VEGETABLE LIQUID HAIR DYE will instantaneously impart to red, white, or gray hair, a beautifully black, brown, or auburn color. It will color the hair in a shorter time, and more effectually than any other Dye, being at the same time indelible.
JULES HAUEL'S SHAVING CREAM.—It is really a pleasure to shave with this cream. There is none of the smarting sensation usually experienced in the use of most Soaps. On the contrary, it leaves the skin smooth and soft as an infant's, and not liable to become chapped.
JULES HAUEL'S ROSE TOOTH PASTE.—Next to the hair, we think the Teeth were intended as the greatest ornament to the human face; but when neglected, nothing is so disfiguring, or so quickly seen. My Rose Tooth Paste will impart to the teeth a pearly whiteness, at the same time keeping the gums firm and healthy.
Also on hand, a complete assortment of French, British, and American Perfumery and Fancy articles.

The Charter of the Western College of Homœopathic Medicine was granted by the Legislature of Ohio, during its session of 1849-50. It confers all the rights and privileges usually possessed by Medical Colleges in the United States, and, unlike many colleges, it exists independent of any other institution, having in itself the power to confer degrees, and possessing a common seal.
The degrees are conferred by the Faculty and Trustees upon the recommendation of the Faculty.
The amount of fees for the full course will be $55. Matriculation fee, $5—to be paid but once. Demonstrator's ticket, $5. Graduation fee, $20. Persons who have attended two full courses of lectures in other colleges, are admitted to the full course in this Institution on the payment of $20. Graduates of respectable medical schools are permitted to attend the course on the payment of the matriculation fee only.
Good board, including room, light, and fuel, can be obtained from $2 to $2 50 per week. For farther information, address, ——— CHAS. D. WILLIAMS,

**IMPORTANT TO THE AFFLICTED,**
**Dr. Rose's Celebrated Remedies.**
DR. JACOB S. ROSE, the discoverer and sole proprietor of these most popular and beneficial medicines, and also the inventor of the celebrated instrument for inflating the Lungs, in effecting a cure of chronic diseases, was a student of that eminent physician, Doctor Physic, and is a graduate of the University of Pennsylvania, and for thirty years since has been engaged in the investigation of disease, and the application of remedies thereto.
Through the use of his inflating tube, in connection with his Prophylactic Syrup and other of his remedies, he has gained an unparalleled eminence in curing those dreadful and fatal maladies, Tubercular Consumption, Cancers, Scrofula, Rheumatism, Asthma, Fever and Ague, Fevers of all kinds, Chronic Erysipelas, and all those obstinate diseases peculiar to females. Indeed every form of disease vanishes under the use of his remedies, to which humanity is heir—not by the use of one compound only, for that is incompatible with Physiological Law, but by the use of his remedies, adapted to and prescribed for each peculiar form of disease.
Dr. Rose's Tonic Alterative Pills, when used are invariably acknowledged to be superior to all other, as a purgative or liver pill, inasmuch as they leave the bowels perfectly free from costiveness; as also his Golden Pills is admitted by the faculty to possess peculiar properties adapted to female diseases, but being satisfied that a simple statement to establish what has been said in the minds of the most skeptical.
The afflicted are invited to call upon the agent and procure (gratis) one of the Doctor's pamphlets, giving a detailed account of each remedy and its application.
