The Juniata Sentinel.

WEDNESDAY MORNING, February 14, 1866

TOWN AND COUNTRY.

WANTED.—Mr. William Whitson, of Fermanagh township, desires purchasing a six or eight horse power Engine. Any person having one to dispose of, will find a ready purchaser in Mr. Whitson.

CORRECTION.—In publishing the Receipts and Expenditures of the county of Juniata, last week, we published the salary of A. J. Greer, Esq., Clerk to the Commissioners, as $850,00. This is a mistake—Mr. Greer only receives $350,00.

A MARRIED gentleman has informed us of a sure way of raising a storm before breakfast. Kiss the servant girl at the moment your wife is entering the kitchen. He says he tried it, but adds for the benefit of those who may desire to try the experiment, to get their hair cropped and by all means not to neglect to hide the broom before attempting the experiment.

SOLDIERS DISCHARGES.—It has been ascertained that individuals engaged in purchasing honorable discharges from soldiers dispose of them to "conscripts" who evaded the draft by fleeing to Canada. The names of the discharged soldiers, by means of a chemical process, are removed and the names of the purchasers substituted.

TOTAL ECLIPSE OF THE MOON.—March is to close out as did January, with nights made beautiful by a full moon. The almanac tells us that on the evening of March 30th there will be a total eclipse of the moon. The time will be very favorable for observation, as it begins at five minutes past nine o'clock, is at its total at twelve minutes past ten, and begins to disappear at fifty-one minutes past eleven. It is visable throughout the United States.

WHOLE columns of some of the Philadelphia dailies have been occupied by details of a haunted house in that staid old city. Dishes, framed pictures, books looking glasses, and all kinds of loose articles travel around through the rooms promiscuously, cut up all manner of mysterious antics, and finally land upon the floor. No doubt it is a trick to depreciate the value of the property, or give the family notoriety. As the days of witchcraft have passed away, there is some ingenious trickster at work.

STATE LUNATIC HOSPITAL.—From the report of the trustees, just issued, we learn that on the 1st of January, 1865, there were 281 patients in the State Lunatic Hospital. Of this number 151 were males and 130 females During the year 153 were admitted, of whom 67 were males and 86 females 40 were discharged, restored, 38 improved, 15 stationary, and 35 died. On the 1st of January, 1866, there remained in the institution, 396 patients, consisting of 157 males and 149 females.

NOTICE FOR THE MUSICAL.—Mason & Hamlin's Cabinet Organs are the only instruments that have the "Automatic Bellows Swell," and they having it *patented*, no other makers DARE use it. Persons wishing organs should be careful, therefore, in purchasing, as agents selling an INFERIOR article, invariably *represent* it, to be as good as Mason & Hamlin's, when no one else *can* USE their "*Automatic Bellows Swell*," the very thing that makes their instrument *so much superior* to those of any other maker.

We would advise any of our readers who think of purchasing, to visit the music store of B. M. Greene, Huntingdon, Pa., Agent for this county, where can be seen a full assortment of these very fine instruments, and also Steinway & Sons' Pianos.
