The Juniata Sentinel.

WEDNESDAY MORNING, May 9, 1866.

TOWN AND COUNTRY.

MR. WEIDMAN requests us to say there will be no auction at his store until Saturday afternoon and evening, May 19th. See hand bills.

RESTAURANT.—For a nice Lunch a good cool glass of Ale or Nectar Beer or a fine Cigar, call at Lewis Mickey's, in Patterson, next to Snyder's Hotel.

THANKS.—Major D. W. Flickinger of Turbett township, and C. G. Shelley, Esq. of East Salem, will please except our thanks for large lists of new Subscribers. Who will send the next list?

GEARY CLUB.—Jeremiah Lyons, Esq., will deliver an address before the Mifflintown Geary Club on Saturday evening next at 7½ o'clock, in the Court House. The members of the Club and the friends of General Geary are respectfully invited to attend.

PERRYSVILLE HOTEL.—This well known establisement has been taken charge of by Milton Dewees. Mr. Dewees has spared no pains in having the House and Stabling renovated and fitted up, and as he is a clever fellow and a good land lord we bespeak for him abundant success in his new location.

ACCIDENT.—On Sunday morning last as a wagon passing through town struck one of the cross walks it gave a sudden jerk, throwing two ladies and a child, who were seated in the back part of the vehicle to the ground. They were considerably scratched and bruised, but not seriously injured.

BEEF.—Mr. J. S. Thomas has opened a sale room under the old Union hotel, where he is prepared to furnish our citizens with good Beef every Tuesday, Thursday and Saturday mornings. Mr. Thomas, having adopted the cash system, is prepared to sell beef a little cheaper than can be purchased elsewhere.

FRANK, COOK & Co., are recieving and opening out the largest and finest stock of Dry Goods, Groceries, Queensware, Boots and Shoes, &c., ever brought to Juniata county. They have enlarged their Store Room and increased their Stock, and are thus enabled to supply everybody in the county with goods at reduced prices. Call and examine their stock.

IMPORTANT TO SOLDIERS.—By virtue of a recent law of the United States, all soldiers in the war of 1861, who have been discharged from the service in consequence of wounds received in the line of duty as soldiers, either in battle or in any other manner if they were actually in service under military orders, is entitled to receive the same bounty as if he had served out his full term of enlistment.

DON'T BLAME HIM.—The following remarks we copy from an exchange:—"We cannot censure a man in business who does not advertise, if he has nothing worth advertising; but the reader must know that the business man who throws out his sign in a newspaper, and is not ashamed of his stock of goods, can always furnish better quality at a lower price than those who, either through shame or penuriousness, never let the public know what they are doing."

THAT'S SO.—The spring flowers are visited at early dawn by the industrious little bee, extracting honey from their luscious leaves, without robbing them of any of their beauty or fragrance, while the spider draws from the same fountain the most deadly poison, without disfiguring their folds or stealing therefrom any of their odor; and so it is with Rollman Brother's Drug Store—it contains many sweet-scented articles, and also the most deadly poisons. They have just received from the East a large assortment of Drugs, Medicines, Notions, &c., which they are prepared to sell a little cheaper than can be purchased elsewhere.

COUNTY SUPERINTENDENT.—A convention of the School Directors of this county was held in the Court House on Tuesday of last week for the purpose of electing a County Superintendent. On motion A. A. Murray of Monroe township was elected President, and John N. Moore of Walker township and A. G. Bonsall of Mifflintown, Secretaries. Sixty-eight Directors answered to their names when on motion H. B. Zimmerman of Perrysville, and G. W. Lloyd of Delaware township, were placed in nomination.—On the vote being taken Mr. Lloyd received 47 votes, Mr. Zimmerman 21.—Mr. Lloyd having received the highest number of votes, his election made unanimous.

SOLDIER'S CONVENTION.—In accordance with a call published by Maj Gen. John F. Hartranft, dated May 1st, 1866, the honorably discharged Officers and Soldiers of Juniata county are requested to meet in convention in the Court House in the borough of Mifflintown, on the 12th day of May, at 1 o'clock P. M., for the purpose of electing delegates to attend the Soldier's Convention to be held at Pittsburg, on the 5th day of June, 1866, and to make arrangements to effect a permanent organization in this county.

INCREASE OF RATS.—The *Farmer's Gazette* (English) asserts and proves by figures that one pair of RATS will have a progeny and descendants no less than 651,050 in three years. Now, unless this immense family can be kept down, they would consume more food than would sustain 65,000 human beings.

RATS *versus* BIRDS.—Whoever engages in shooting small birds is a cruel man; whoever aids in exterminating *rats* is a benefactor.—We should like some one to give us the benefit of their experience in driving out these pests. We need something besides dogs, cats, and traps for this business.—*Scientific American, N. Y.*

"COSTAR'S" RAT EXTERMINATOR is simple, safe and sure—the most perfect RATification meeting we have ever attended.—Every Rat that can get it, properly prepared, will eat it, and every one that eats it will die, generally at some place as distant as possible from where it was taken.—*Lake Shore, Mich., Mirror.*
