The Juniata Sentinel.

WEDNESDAY MORNING, June 13, 1866.

TOWN AND COUNTRY.

GRANGE CLUB.—The *Juniata Central Grange Club* meets in the Court House on 1st and 3rd SATURDAY evenings of each month at 8 o'clock. Any person wishing to sign the Constitution can do so by calling at the SENTINEL Office or at the meeting of the Club

TEMPERANCE SALOON.—Old Sam. Bridge has been *induced*, through the *influence* of the Good Templars, to dispense with selling lager, ale, and all drinks of an intoxicating nature, and open a temperance saloon. This is a praiseworthy act, and Sam deserves to be patronized by the temperance public.

PIC NIC.—The Good Templars of this place intend holding a Celebration on the 4th of July. Invitations will be extended to the different Lodges in this district, composed of Perry, Juniata and Mifflin counties, and it is expected quite a number of members of the order will be present on that occasion.

SERIOUS ACCIDENT.—On Friday evening of last week as Mr. Isaac Decher, of Walker township, and Miss Henrietta Meredith, of Delaware township, were returning home from this place in a buggy after the tying of the nuptial knot by Rev. M. Allison, their horse ran off when near Mexico, throwing both of them out and injuring Mr Decher seriously. Hopes are entertained of his recovery.

SMASH UP.—A smash up occurred on the Pennsylvania Railroad, near Mamayunk, on Friday afternoon of last week, in which nine cars became a total wreck. The cause of this was the breaking of a wheel in one of the front cars. The cars were loaded with starch, pop corn, Brandy, wheat and wool. Some one hundred head of hogs died from heat and want of water owing to the delay occasioned by the accident.

THE NOTES OF STATE BANKS.—After the 1st of July, the Notes of all State Banks will not be received in payment of debts at the counters of the National Banks, or on deposit except at such a discount as will pay the expense of returning these notes to the Banks that issued them, and exchanging them for National Currency. This is done on account of the high tax imposed by the Federal Government on the circulation of all State Banks that is out after the date named

☞ Davis and Allison attempted to run the Democratic Convention on Monday, but they were informed by the leaders of the party that they were too late coming over, and that they must take back seats for a few years. This must be consoling to these honest fellows, as they expected to be taken into full communion at once. The fact is the Locofocos tried Allison once before and were glad to get rid of him, and Bill Davis is so low and notoriously corrupt that they preferred putting him on probation until his heels would get well.

BEWARE OF COUNTERFEITS.—The public should take notice that there is just now a couple of very bad "bills" afloat in Mifflintown. They purport to be issued by the bank of True Republicanism, but any one with common sense can detect them as most felonious spurious. The fact is they are an outside production of a double-geared concern, of which accidental Johnson is president, and a fellow they call Cole is cashier. N. B. But as the said spurious "bills" are of a very low denomination it is presumed none will loose much by them.

DON'T BE HOODWINKED.—We observe bills posted up at different places in our town, giving notice that there will be a "Peter Funk" exhibition, in Perrysville, some time in this month. The wagon, containing the "show bills," entered town on Saturday last, and if their grand entree into town does not attract more attention than it did, the whole thing will prove a perfect farce. The bill wagon was painted red, and ornamented like a cellar door; one horse was blind, the other lame. The bills represent a bow legged, crooked-shined, cross-eyed, bald-headed, lantern-jawed, large mouthed, toothless simpleton looking clown; a little bow legged girl riding a hobby-horse; a little boy performing some astounding feats on a wood horse, and a man rolling a large-sized gum ball on his arm, and several other minor feats. The agent called at the *Register* office and begged a sheet of white paper on which to write the date of the exhibition. A circus that will beg from a printer, should not be patronized, and we advise the citizens of our county to watch their hen roosts as they pass through. If we were keeping a hotel, we would demand of them pay in advance for their boarding, and count the knives, forks, spoons, etc., as there is no telling what might happen, especially as these fellows have advertised in Johnson's organ—the *Juniata Republican*.

ATTEMPT TO ROB.—As Porter Thompson, of this county, was returning from the neighboring county of Perry, where he had been to purchase horses, an attempted was made to rob him. The affair occurred about 10 o'clock on Friday evening near the base of the Tuscarora mountain, on the Juniata side. The highwayman came out of the woods and caught Mr. Thompson's horse by the bridle and demanded "his money or his life." "That," said Mr. Thompson, "remains to be tested," at the same time jumping out of the buggy, and with a birch billy, which he happened to have in his possession, succeeded in scaring the rascal off.—It seems that the country is full of all kinds of villains, and persons whose business requires them to travel after night should go well armed.

RECORDER'S NOTICE.—I would respectfully inform the citizens of Juniata county, and elsewhere who have Deeds, Releases, Powers of Attorney, Mortgages and other instruments of writing filed in said office for record, that all these papers, prior to the 1st day of June, 1866, have been recorded and are now ready for distribution. As there are quite a number of Deeds, &c., remaining in my office unlifted, I am desirous that persons call at their earliest convenience and lift them. All business now being done on a cash system, I am compelled to establish that system myself in order to meet my expenses.

INCREASE OF RATS.—The *Farmer's Gazette* (English) reports and proves by figures that one pair of RATS will have a progeny and descendants no less than 657,659 in three years. Now, unless this immense family can be kept down, they would consume more food than would sustain 65,000 human beings.

☞ See "Costar's" advertisement above.

1866.

RATS versus BIRDS.—Whoever engages in shooting small birds is a cruel man; whoever aids in exterminating *rats* is a benefactor.—We should like some one to give us the benefit of their experience in driving out these pests. We need something besides dogs, cats, and traps for this business.—*Scientific American, N. Y.*

☞ See "Costar's" advertisement above.

1866.

"COSTAR'S" RAT EXTERMINATOR is simple, safe and sure—the most perfect RAT-destroying preparation we have ever attended.—Every Rat that can get it, properly prepared will eat it, and every one that eats it will die generally at some place as distant as possible from where it was taken.—*Lake Shore, Mich., Herald.*

FARMERS AND HOUSEKEEPERS—should recollect that hundreds of dollar's worth of Grain, Provisions, &c., are annually destroyed by Rats, Mice, Ants, and other insects and vermin—all of which can be prevented by a few dollars' worth of "Costar's" Rat, Roach, Ant, &c. Exterminator, bought and used freely.
