The Juniata Sentinel.

WEDNESDAY MORNING, August 8, 1866.

TOWN AND COUNTRY.

GEARY CLUB.—The *Juniata Central Geary Club* meets in the Court House on 1st and 3rd SATURDAY evenings of each month at 8o'clock. Any person wishing to sign the Constitution can do so by calling at the SENTINEL Office or at the meeting of the Club

DYSENTERY.—Dysentery is prevailing to quite an extent in our twin boroughs and vicinity, caused by the recent hot weather and the plentifulness of green fruit and vegetables.

GYPSIES.—A band of these wandering people passed through this place on Friday last. They are encamped below Thompsontown persuing their usual business of telling fortunes, trading horses, &c.

APOPLEXY.—Mr. William Young, of Mexico, whom we noticed some weeks ago as being severely injured by a run off above this place, was struck by apoplexy on Friday last. He is slowly recovering.

THANKS.—Captain Lee has our thanks for the able report of the proceedings incident to the laying of the corner stone of the Orphans' New Home and Institute at McAllisterville. It will repay a careful perusal.

BASE BALL.—The base ball fever is still raging in this place, one more club having been organized. We now have three clubs in this borough, namely, Alfarata, Excelsior and Independent. No need of one dying of inertia.

NEW INSTITUTION.—A new and convenient institttion in the form of a passenger train for Sunday travil has been put upon the Pennsylvania Railroad, it is called the Cincinnati Express, leaves Mifflin Station, east, at 6,48 P. M.

JOHN MCLAUGHLIN, Esq., Deputy Collector of Internal Revenue for this county, announces the time and place for the payment or U. S. Taxes. A heavy penalty is added to all who neglect to pay after ten days of the time.

SHAD COMING.—We learn that on the 1st instant the work of altering the dam at Columbia so as to admit the free passage of fish up the river, has been commenced. It is to be hoped that by next spring we will have an abundance of shad in the Juniata to supply the wants of all.

SOLDIERS' BOUNTY BILL.—Soldiers' and all interested are referred to the new bounty bill as passed by Congress which we publish in full in to days issue, also to an advertisement in reference to the same by J. Lyons, Claim Agent at this place.

CHOLERA.—There are rumors of Cholera everywhere. In some places facts relative to cases of this epidemic are suppressed, while at other places exaggerated. It becomes our citizens to be more cautious now than ever with rubbish and garbage accumulating in and around their premises.

DROWNED.—A young man, named Houtz, was drowned in Kishacoquillas creek, near Yeagertown, on Friday evening, while bathing. Several of his comrades were on the bank at the time, one of whom, a boy, ventured in to save him, but narrowly escaped being drawn under by the drowning man. The body was afterwards recovered, and every means taken to restore animation, but without success. The deceased was about 18 years of age and was serving an apprenticeship to the milling business at the mill in Yeagertown. His home formerly was in Juniata county.—*True Democrat, Lewistown.*

FATAL ACCIDENT.—Major Daniel W. Flickinger. a well-known and worthy citizen of Turbett township, Juniata county, was fatally injured by a freight engine at Perrysville on Thursday afternoon last.—The Major was walking between the two main tracks carrying a pail of water to some hands he had engaged in snaking ties from the mouth of the creek at that place. The train approached him from behind; he was called to by his men warning him of his danger, but being apparently engaged in deep thought at the time, he became confused in his efforts to escape, and unfortunately stepped on the track immediately in front of the engine. His right leg was smashed and his head badly bruised. He was taken to the house of Dr. G. M. Graham where his leg was amputated and his other wounds dressed. He lingered until Saturday evening when he died. Major Flickinger held a number of offices of trust in this county, and was always foremost in every laudible enterprise. He was also a prominent member of the Presbyterian church at Perrysville, holding an eldership in that body. He leaves a wife, ten children and a large circle of friends to mourn his sudden death.

FRUIT.—Green corn, water melons, tomatoes, apples, peaches and pears have made their appearance in our markets.—Prices as yet are considerably up.

THE ATLANTIC CABLE BROKE—all the news have stopped at J. M. Thompson's, in Perrysville, where they can be had very cheap. See advertisement.

NEW PAPER.—The *Central Courier* is the name of a new paper started at Selinsgrove, Pa. It is Republican in principle and we wish the Editor and Proprietor success in his new enterprise.

IMPROVEMENT.—The company wood station in Patterson, is undergoing what we might call a general overhauling preparatory to its being converted into a warehouse, which we believe is the object.

WEATHER.—The weather in this locality for several days past has been dry and windy. Unless rain soon comes to the relief of vegetation it must wither away.—The corn is suffering materially.

Married.

LEMON—GEEDY—On the 31st, ult., at the Juniata Hotel, by Rev. M. Allison, Mr. Jacob Lemon and Miss Lavina Geedy, both of Beale township, Juniata county, Pa.

Died.

JACOBS—On the 30th, ult., in the borough of Perrysville, Mary Clementine, daughter of G. W. and Caroline Jacobs, aged 18 years.

PARKER—In this borough, on the 4th, inst., Mary Wilson, daughter of E. S. and M. I. Parker, aged 8 months and 12 days.

CHOLERA.—Don't be startled! The Cholera can be prevented and cured by using Dr. J. M. Lindsey's Cholera and Diarrhœa Medicine. This preparation has been before the public for fifteen years, and has been used with entire success. Thousands of Certificates could be furnished, but a trial of the medicine will be more satisfactory than volume of Certificates and will convince the most sceptical of its wonderful curative properties. It is not a cure-all, but is designed to relieve all who may be attacked by Cholera, Cholera Morbus, Diarrhœa, Dysentery, Cholic or Cramps and Pains in the Stomack, &c. Don't be without a bottle at hand. Sold retail by all first class Druggists and Wholesale by the Proprietors Hazard & Smith No. 197 Arch Street, Philadelphia. may, 9-6m.]

DISSOLUTION OF PARTNERSHIP.—The partnership heretofore existing between the undersigned in the practice of medicine has this day been dissolved by mutual consent. The books will remain in the hands of Dr. D. M. Crawford for collection. Dr. T. M. Leight's interest in the same has been placed by himself under control of Noah A. Elder and R. P. McWilliams.

D. M. CRAWFORD,
T. M. LEIGHT.

The practice will be continued in the same office by Dr. D. M. Crawford. Thankful to his friends for past preferences he hopes to merit their continuance.
