## TOWN AND COUNTRY.

FOR SALE.—Three stout work horses, for information call at this office.

FLYING VISIT.—The Junior Editor of the Lewistown *Gazette* paid our office a flying visit on last Thursday.

**New Spring Wagon**, made after the latest style, for sale by N. E Littlefield, Mifflintown. Any person calling soon may secure a bargain.

A SQUADRON of wandering Gypsies has gone into winter quarters at Danville, and the people are putting their chicken coops in order.—*Ex.*

THE statement made some time since that William Littlefield, a native of this town, had been elected a member of the South Carolina Legislature, was premature.

DON'T DYE, but use a bottle or two of that incomparable article known as Nature's Hair Restorative. It makes the the head feel so good. Sold by B. F. Kepner, Mifflintown. See advertisement

CAPTURED BY THE INDIANS.—The painful intelligence has been received, that Homer Sample, son of Moses A. Sample, of this place, was lately captured by the Indians, together with his companions, whilst on their way from Texas to Kansas with a drove of cattle.—*Lewistown Gazette.*

RELIGIOUS.—The protracted meetings in the Lutheran and Methodist churches are still in progress. Both meetings are still very interesting, and the congregations large and attentive. One hundred or more individuals have thus far professed conversion in each church. May the good work go on.

HIRAM RHODES, of Huntingdon, the other night, dreamed that some one had entered his room and stolen his pocket book. He awoke up to discover his dream true, and very singular the next day found the book under his porch concealed under some building rubbish, with the contents undisturbed He thinks the thief was in his room when he retired to bed.

ATTENTION, MARKSMEN —

Huntingdon papers are bragging about a citizen of the town, who shot two deer last week. They think he is the best shot along the Juniata.—*Juniata Sentinel.*

We *know* he is, and will go our "pile" that he can beat any man in Juniata Valley. Our town can boast of three of the best marksmen in the State, and if you don't believe us, send some of your "crack shots" up this way Any communication on the subject, addressed to this office will receive prompt attention.—*Huntingdon Journal and American*

The above two items explain themselves. If our marksmen think they can drive the nail oftner than can the marksmen of Huntingdon, it is now in order for them to say so, and arrange matters, and go up and do it. Huntingdon *Journal's* "pile" is in it.

JUST RECEIVED.— John Yeakly & Son have just received a general assortment of New Goods. This firm has for some time been steadily increasing their stock, and now they offer to the public goods of a kind and quality that must please, and at such prices that customers cannot fail of being greatly profited by calling and buying of them, Ladies' Dress Goods of all kinds, Shawls of the latest styles, Ladies' Shoes, Children's Shoes, Clothing for Men and Boys, Cloths, Cassimeres, Boots and Shoes, Queensware, Groceries and almost everything one can expect in a store. Persons from distant parts in the county, when visiting town to purchase goods, should not fail to call at Yeakly's store, on Main street, opposite the Court House Yard. Note particularly that they have for sale an assortment of Watches and Clocks.

Nov16-3t

HURT.—Last Saturday morning Henry Knisely, a resident of Patterson, and an employee of the Railroad company, when at work on the railroad, not far from Tuscarora station, was knocked to the side of the track by the Cincinnati Express going eastward. A freight train had just passed westward, to which his attention had been drawn; consequently he did not notice the approach of the down train. The locomotive "bumper" merely grazed the side of his face, yet with such force that he was picked up for dead, and taken home to Patterson, where, under treatment of Dr Banks, he is doing well.

AMERICAN SUNDAY-SCHOOL WORKER.—The November number of this journal published by J. W. McIntyre, St. Louis, besides its usual valuable contents, has very full announcements of its plans and reduced terms, with list of lessons for 1871. As the publisher offers to send this number free of charge, we advise Sundry-schools adopting a series of lessons for next year to send for specimen copy.

For Coughs, Sore Throat, Bronchitis Laryngitis and Consumption, in its early stages, nothing equals Dr. Pierce's Alterative Extract, or Golden Medical Discovery. It is also a great blood purifier and strength restorer or tonic. Sold by druggists or send three and a quarter dollars to R. V Pierce, M. D, Buffalo, N. Y., and get three bottles free of Express charges.

Sufferers from coughs, colds, bronchitis croup, influenza or whooping cough, will find relief in *Dr. Wistar's Balsam of Wild Cherry*, which has now been in use for nearly half a century, and still maintains its long established reputation as the great remedy for all diseases of the throat, lungs and chest.

Dr. PAUL SCHOEPPE is looming up again another effort is being made to secure his pardon.

SAMUEL WILSON started to-day on his way to South Carolina, with a pair of horses for Col. J. J. Patterson.

THE PEOPLES JOURNAL is a first class monthly, containing 16 pages four-column pages; a popular Journal, independent in its discussion of subjects, ignoring nothing of general interests to The American People. It is in charge of able Editors, who keep it with the times.

Its Department cover the field of magazine and news literature. That of Morals and Didactic Literature is sufficiently abundant and thoughtful to make the Journal an ever-welcome Sabbath day or devotional companion. The aged may find rich food for comfort in its columns; and the young, jewels of fact and counsel.

Another department is especially devoted to The Young Folks. This will prove a mine of wealth to the thoughful and diligent. It is not only instructive, but so adjusted as to excite a love for reading and study in the young. Abundant space is given to the News of the Month, and the treatment of National, Political and other secular topics, after the manner of our best weekly and daily journals.

The Farmers' Department is in charge of a practical agriculturists, who makes it equal to the advanced wants of the most enterprising farmers and gardeners.

Besides all these, there will be found Departments devoted to Science and Art in the abstract, to news of Literature, to Wit, Humor and general Facetiæ.

In short, the PEOPLES JOURNAL is a most exhaustive and complete Monthly Repository of Information and Though.

We are now prepared to offer the PEOPLE'S JOURNAL as a Free Gift for one year to all new subscribers (or renewals) to the Juniata Sentinel, in accordance with statement in local column.

The Great Medical Discovery!

Dr. WALKER'S CALIFORNIA

**VINEGAR BITTERS,**

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION.

Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.
