The Juniata Sentinel.

WEDNESDAY MORNING, February 20, 1867

TOWN AND COUNTRY.

WE hope our friends will bear in mind that the SENTINEL OFFICE is now located on Bridge street, three doors below Belford's corner, and that we are now prepared to execute all kinds of Job Work at short notice.

WASHINGTON'S BIRTH-DAY.—Friday, the 22d inst., will be the anniversary of the birth of "the Father of his Country."

FOR SALE.—Mr. A. T. Barnes offers at private sale his Tobacco and Cigar Store, in Mifflintown. As he intends going west, we have no doubt a good bargain can be had.

NEW BRIDGE.—Workmen are engaged at tearing away the old structure, preparatory to spanning the canal at this place with a new wire bridge—a something that was very much needed.

THE TEACHERS' INSTITUTE of Juniata county will be held at Wilt's School House, Greenwood township 22d and 23rd inst., commencing at 10 oclock A. M. It is hoped that as many teachers will be present as possibly can.

G. W LLOYD, Co. Supt.

TIN SHOP FOR SALE.—N. E. Littlefield offers for sale his Tin Shop, consisting of good will and Tools, with his entire stock of Ware. This is the only Tin and Sheet Iron Establishment in Mifflintown, consequently it offers a fine chance for some person to enter into a good paying business, on a small capital. Possession given immediately. Apply to N. E. Littlefield, under the Sentinel Office.

H. D. WELLER, having purchased one of Singer's Sewing Machines, is prepared to manufacture Ladies' and Misses' Boots, Shoes and Gaiters equal to any city-made work. Having seen some of his work we have no hesitancy in recommending it to our citizens, and Mr. Weller's reputation as a substantial shoe maker is in itself enough to induce every person to patronize him. Call at his establishment on main street, Mifflintown.

BOUNTY ACCOUNTS.—In last week's issue we refered to the provisions of the general law requiring the township Auditors to settle all Bounty accounts. Since then we learn that a special law has been passed restoring the old law authorizing the court to appoint special Auditors to settle such accounts and has been signed by the Governor. Under this act, ten or more tax payers can apply to the court by petition for an Auditor, and the Auditor's report, as amended or approved by the court is final.

A GENERAL CALL.—An appeal has been made for a convention to be held at Harrisburg, on Tuesday, February 26th, at two o'clock P. M. The call is signed by Governor Geary and the members of the Legislature. It begins by representing that 60,000 die annually, 100,000 go to prison, 100,000 to the almshouse, and that 500 murders and 400 suicides are committed every year, through the appetite for strong drink. It is to devise measures to do away with the evil. Very eminent speakers are announced to be present on the occasion.

BENEFIT OF THE JUNIATA CORNET BAND.—The address delivered in the Court House, in this place, on Last Saturday Evening by Captain S. Adams Lee, was a decided success. Buisness prevented us from hearing all of the address, but what we did hear and the commendations of his audience convinced us that Capt Lee understood his subject and had discharge the duty he had so kindly taken upon himself in behalf of the band. The Band was out in full force and discoursed excellent music for the ocasion, The reciepts were $39,70

A NEW COUNTERFEIT QUARTER.—A new and dangerous counterfeit of the twenty-five cent issue has recently appeared. It is almost perfectly engraved and well calculated to deceive the most practical eye. Upon close examination it may be detected by noticing that the scroll work around the figures "25," on the upper left hand corner, touches the fine lines around the edges of the note which form the bordering, while on the genuine no part of the scroll work touches the line. When these notes become worn and dirty they will defy detection.

SALMON.—We learn that Mr. Enoch Horning, while seining on Friday last, where Lost Creek empties into the Juniata, caught a Salmon, weighing twelve pounds.

FLOUR.—Persons wishing a good article of flour, purchased at the best steam mills in the State, can be accommodated by calling at William Maxwell's Bakery and Flour Store, Mifflintown, Pa.

The following resolution was adopted at the late Convention of the I. O of G. T., held at Mifflintown:

To the Honorable, the President, and Associate Judges, District Attornies, and Members of the Bar.

WHEREAS: Intemperance is a curse that should be removed from our midst, and

WHEREAS: You from your positions can wield a powerful influence to this, and therefore

Resolved, That you are hereby earnestly requested, to give the Temperance cause your united influence.

E. W. KIRBY, *Pres't.*

W. D. ESHELMAN, *Sec'y.*

☞ A Young Lady returning to her country home, after a sojourn of a few months in the City, was hardly recognised by her friends. In place of a coarse, rustic, flushed face, she had a soft ruby complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the **Circassian Balm**, and considered it an invaluable acquisition to any lady's toilet. By its use any lady or gentleman can improve their personal appearance an hundred fold.—It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful. A GREAT DISCOVERY.—One of the greatest and most useful discoveries in medical science was made by the celebrated Dr. J. Dumas, of Paris, Chief Physician to the Imperial Infirmity of France, in 1861. Those who have been afflicted with the painful disease known as the Pills, and effectually cured by the use of Dr. J. DUMAS' FRENCH PILE SALVE cannot speak too highly of the benefits conferred upon them by the use of the certain remedy. It has never been known to fail in effecting a permanent cure in a single case. In this respect it surpasses all other medicines of the kind. It will do just what it is recommended for; if not the money will be refunded. One or two boxes is sufficient to effect a permanent cure in four or six days, if the directions on the boxes are followed.—Price one and two dollars per box, according to size. DR. SCHENCK'S

PULMONIC SYRUP.

This great medicine cured Dr. J. H. Sonneen, the Proprietor, of Pulmonary Consumption, when it had assumed its most formidable aspect, and when death appeared to be inevitable. His physicians pronounced his case incurable when he commenced the use of this simple but powerful remedy. His health was restored in a very short time, and no return of the disease has been apprehended, for all the symptoms quickly disappeared, and his present weight is more than two hundred pounds.

Since his recovery, he has devoted his attention exclusively to the cure of Consumption and the diseases which are usually complicated with it, and the cures effected by his medicines have been very numerous and truly wonderful. Dr. Schenck makes professional visits to several of the larger cities monthly, where he has large concourses of patients, and it is truly astonishing to see poor consumptives that have to be lifted out of their carriages, and in a few months healthy, robust persons. Dr. SCHENCK'S PULMONIC SYRUP, SEA-WEED TONIC, and MANDRAKE PILLS are generally all required in curing Consumption. Full directions accompany each, so that any one can take them without seeing Dr. Schenck, but when it is convenient it is best to see him. He gives advice free, but for a thorough examination with his Respirometer his fee is three dollars.

Please observe, when purchasing, that the two likenesses of the Doctor—one when in the last stage of Consumption, and the other as he now is, in perfect health—are on the Government stamp.

Sold by all Druggists and Dealers. Price $1.50 per bottle, or $7.50 the half dozen. Letters for advice should always be directed to Dr. Schenck's Principal Office, 15 North 6th St., Philadelphia, Pa.
