FROST.—On Friday, Sunday and Monday mornings hoar-frost revealed itself. Question—Did it kill the fruit?

SHIPPED.—Mr. Noah A Elder, on Friday, shipped another lot of fat cattle to the Eastern market.

AN exchange says that "Victoria Woodhull" is the title of a new brand of Pittsburg whisky.

WHITE.—The cherry trees on Cherry street are white with blossoms. So are they everywhere, except in latitudes further north.

LECTURE.—C. J. Arms, Esq., of Lewistown, will deliver a lecture in the Court House in Mifflintown, on Tuesday evening, April 25th. Subject—"Honor."—The lecture has been well received wherever delivered, and highly complimented by the press.

THE most pleasant and least perplexing occupation in the world is that of the American farmer, provided that he has a strong body and few debts.

THE local of the Harrisburg *Telegraph* says: Horseback riding is quite a popular amusement among the young ladies and gents of that city.

HONOR.—Every man should have it, but, alas! how many live without it.—Don't fail to hear the lecture on Honor, on Tuesday evening next, in the Court House.

WHY don't you use Nature's Hair Restorative? It is perfectly free from poisons and will restore gray or faded hair to its original color. For sale by B. F. Kepner & Son, Mifflintown.

FORNEY'S correspondent of the *Press* for the San Domingo Commission says that in March the sun was that warm on the Island where they traveled that it became necessary to use umbrellas.—Query—How is it usually in August?

ACCORDING to the latest decision of the Supreme Court of Pennsylvania, a person furnishing supplies for a new building cannot secure himself or obtain a lien on the building unless he first has a distinct understanding with the builder and owner of the premises. Otherwise he cannot collect one cent for whatever he may furnish for the structure.—*Ex.*

FORTY YEARS' EXPERIENCE have tested the virtues of Dr. Wistar's Balsam of Wild Cherry, and it is now generally acknowledged to be the *best* remedy extant for pulmonary and lung diseases: embracing the whole range from a slight cold to a settled consumption. Were it not for its *merits*, it would long since have "died, and made no sign."

CHANGED HANDS.—The market car recently owned by Sam'l H. Brown has been bought by Mr. George Wilson, of Patterson, by whom the car will hereafter be run Mr. Wilson will supply our citizens every Wednesday afternoon with fresh fish, vegetables, and everything in the market car line. He is a worthy young man, and we bespeak for him a large share of public patronage.

INFORMATION WANTED.—Mrs. Helen Giles wants information of her father, William Elijah Weeden, lately from England, who left Boston on the 2nd of February for Penna. Her address is No. 169 Spring alley, Pittsburgh, Pa.

CORNELIUS BARTLEY has just received at his store, on Main street, a large lot of Ladies' Slippers, also a general assortment of Boots and Shoes. Mr. Bartley will in a few days be prepared to supply our citizens with Extra Family Flour from the Lewistown Mills.

"FESSONIA."—Weller has christened his Ice Cream Garden "The Mifflintown Fessonia." Fessonia is the name of a heathen goddess for wearied persons, and is designed to mean "Rest for the weary." Any person who may desire to spend an hour of innocent enjoyment and recreation, and to partake of the best and purest Ice Cream that can be made, are invited to call. The Garden is now open Ice Cream and other refreshments can be had at all hours.

RECIPE.—The best way known in this world to make a kind, loving and christian-like husband uproarious on a Sunday morning is for his better half to place in his linen drawer a little while before he makes a change of duds, a shirt with half the buttons off, unaccomponied by a collar, and a pair of stockings, minus both heels and toes. This is said to be effectual in every case, and never fails of greatly agitating a saint of the masculine gender.

A FRIGHTFUL SUICIDE—*A Man under the influence of liquor shoots himself through the heart.*—On last Friday evening, between six and seven o'clock, the town of Huntingdon was thrown into a high state of excitement by a report that John Schmearsman, the proprietor of a Lager Beer and Billiard Saloon, opposite the Morrison House, on the west corner of Allegheny and Third streets, had committed suicide by shooting himself through the heart with a revolver. The facts of the case are about these:—Schmearsman had been drinking freely through the day and in the evening he procurred a horse and buggy and drove out in the direction of Alexandria. A short distance beyond Smithfield, in full view of several persons, his horse pursuing a very moderate gate, he drew out a revolver and shot himself, the ball entering the heart. An inquest was held eliciting the facts above stated. He leaves a wife and two small children. He appeared to be doing a brisk business.—This is the second victim upon the altar of Bacchus in the short space of two or three weeks which we have been compelled to chronicle. Who is the next vitctim?—*Huntingdon Journal.*

DESTRUCTIVE FIRE IN SNYDER COUNTY.—On the 13th inst. a fire broke out at Beaver Springs, Snyder county, and destroyed a large amount of property. The Middleburg *Post* says:

The fire started in the engine room of the tannery about 2 o'clock A. M. There was a high wind prevailing at the time and the flames spread rapidly. The property destroyed, as near as we can learn, is as follows:

The Steam Tannery, belonging to Mr. Banks Dreese, with all its contents, including a new four-horse wagon loaded with leather, which was standing in front of the building.

The dwelling house of Mr. Adam Specht.

A match factory belonging to the same gentleman.

A stable belonging to Mr. Samuel Bachman.

A large barn and other outbuildings belonging to Mr. Jacob Dreese.

A stack of hay belonging to Mr. Reuben Dreese.

There was nothing saved from any of the buildings. Mr. Specht lost all his furniture, did not even save any of his wearing apparel, and barely saved his life. Mr. Jacob Dreese lost all of his horses, cows, young cattle, sheeps, hogs, &c We have no estimate in regard to the value of the property destroyed.

TO EMPLOYERS.—A Committee of business men have organized the EMPLOYMENT BUREAU of the *Young Men's Christian Association*, and located an office at 123 South Seventh Street, Philadelphia, where applications for situations are registered, and so classified that at a moment's notice, Clerks, Book-keepers, Salesmen, Porters, Lads, Farmers, Gardeners, and Laborers of all kinds can be supplied.

A great many desirable persons from other cities, and the country and the old world, are constantly flocking to the city, and as strangers they apply to the Association to befriend them. It is often of great interest to business men to get help, and get it quickly, and the Bureau offer their services, *making no charge to either party.* Apply to, or address

ALEX SLOAN,
Sup't Employment Bureau,
133 South 7th Street.

I.

Ten of the eleven $10 counterfeit plates and four of the five $2 counterfeits are printed from the same plate, with only the name of the bank changed.

Our people will do well to look out for notes of the above named banks.—*Ex.*

GOLDEN FOUNTAIN PEN.

Something new and novel. Be sure and read the advertisement in our paper, headed "Greatest Invention of the Age." We believe the Golden Fountain Pen is unsurpassed. A good pen is a necessity to every man, woman and child. Agents, here is a chance to make money in introducing a good and saleable article.

CORNS.—How they sting, throb, ache, smart and burn, upon our feet. In vain we beg, and threaten, we curse, we flourish the sharpest knives above their heads, we burn, we cut, hack, hew and fell, and still the pesky corns remain a thing of misery.—Useless are entreaties, tears, curses, groans; nothing can remove our corns but Brigg's Alleviator and Curative, a sure cure for Corns, Bunions, Ingrowing Nails, and all ailments of the feet.

PILES!—Internal, External, Bleeding or Itching. This distressing and harrowing disease is alarming on the increase. More so, perhaps, from the fact that those who are afflicted with it are, from a false notion of delicacy, afraid to ask for a remedy, thereby making their condition known. How wrong and fatal is this neglect. At the first intimation of the appearance of this complaint they should procure Briggs' Unrivaled Pile Remedy, and, using it according to directions, immediately check it and permanently cure it. It is easy of application, and thorough in its effects.

HEADACHE, Neuralgia and Nervous Diseases.—The wonderful effects of Dr. Briggs' Allevantor, for the speedy cure of the above very prevalent and painful afflictions is known to many thousands who have used it with the most unqualified success. In every case of the complaint above enumerated it has never failed to give immediate relief. Its effect is magical beyond precedent. One trial will convince the most skeptical. Each bottle making two quarts when diluted for use.

CONSUMPTION.—This fatal and dreaded disease can, and has been cured. Dr. J. Briggs' Throat and Lung Healer is a pleasent, agreeable and sure remedy for Coughs, Whooping Cough, Croup, Hoarseness, Bronchitis, Laryngitis, Sore Throat, Asthma, Consumption, and all diseases of the Throat, Lungs and Chest.

The above medicines are sold by BANKS & HAMLIN, Mifflintown, and by druggists generally.

SUSSEX CHIEF.—The celebrated Hambletonian horse, Sussex Chief, now owned by J. B. M Todd, of Patterson, is one of the best horses in the country. He has some of the finest colts in Lycoming, Northumberland and Union counties. One of Sussex Chief's 2 year old colts now owned by Mr. E. D. Trump, of Jersey Shore was awared the first Premium at the Fair of the Lycoming County Agricultural Society, held at Williamsport September 14th, 15th, and 16th 1870. There were quite a number of 2 year old colt's on exhibition—some valued as high as $3000. Sussex Chief is on exhibition at the stable of Mr. Todd in Patterson. Farmers and others desirous of improving their stock now have an opportunity. March 26-5w.

7-30 GOLD LOAN
OF THE
Northern Pacific Railroad.
RAPID PROGRESS OF THE WORK.

The building of the Northern Pacific Railroad, (begun July last), is being pushed forward with great energy from both extremities of the line. Several thousand men are employed in Minnesota and on the Pacific coast. The grade is nearly completed **266** miles westward from Lake Superior; trains are running over **130** miles of finished road, and track-laying is rapidly progressing toward the eastern border of Dakota. Including its purchase of the St. Paul & Pacific Road, the Northern Pacific Company now has **413** miles of completed road, and by September next this will be increased to at least **560**.

A Good Investment. Jay Cooke & Co., are now selling, and unhesitatingly recommend, as a Profitable and perfectly Safe Investment the First Mortgage Land Grant Gold Bonds of the Northern Pacific Railroad Company. They have **30** years to run, bear Seven and Three-Tenths per cent. gold interest (more than 8 per cent. currency) and are secured by first and only mortage on the ENTIRE ROAD AND ITS EQUIPMENTS, and also, as fast as the Road is completed, on

23,000 Acres of Land to every mile of track, or **500** Acres for each $1,000 Bond.—They are exempt from U. S Tax; Principal and Interest are payable in Gold; Denominations; Coupons, $100 to $1,000; Registered, $100 to $10,000.

Lands For Bonds—Northern Pacific **7-30's** are at all time receivable at TEN PER CENT. ABOVE PAR, in exchange for the Company's Lands, at their lowest cash price. This renders them practically INTEREST BEARING LAND WARRANTS.

Sinking Fund—The proceeds of all sales of Lands are required to be devoted to the repurchase and cancellation of the First Mortgage Bonds of the Company. The Land Grant of the Road exceedes Fifty Million Acres. This immense Sinking Fund will undoubtedly cancel the principal of the Company's bonded debt before it falls due. With their ample security and high rate of interest, there is no investment, accessible to the people, which is more PROFITABLE OR SAFE.

Exchanging U. S. Five-Twenties—The success of the New Government 5 per cent. Loan will compel the early surrender of United States 6 per cents. Many holders of Five-Twenties are now exchanging them for Northern Pacific Seven-Thirties, thus realizing a handsome profit and greatly increasing their yearly income.

Other Securities.—All markatable Stocks and Bonds will be received at their highest price in exchange for Northern Pacific Seven-Thirties. EXPRESS CHARGES on Money or Bonds received, and on Seven-Thirties sent in return, will be paid by the Financial Agents. Full information, maps, pamphlets, etc., can be obtained on application at any agency, or from the undersigned.
