THE WONDER OF THE AGE.

DR. J. S. ROSE'S

PAIN CURER.

IT CURES ALL PAIN AND NIPS disease in the bud. This truly admirable and efficacious remedy is no quick medicine, but is the result of thirteen years of hard study and experimenting. The ingredients are the produce of Spain, and were discovered by the author of this medicine on a visit to that country.

DR. ROSE

has used it with almost miraculous effect in private practice, till at last he was induced by the solicitation of friends to give it to the public.

If used according to the directions it not only relieves all pain, but cures it usually on the first application. It may be relied upon for curing and giving almost instantaneous relief, (as thousands who have used it can testify) to Rheumatism, Ague, Sudden Colds, Cholera, Dysentery, Cholera Morbus, Pleurisy, Ear Ache, Tooth Ache, Head Ache, Colic, Pains in the Joints, Back, Side, Spinal Affections, Lumbago, Scalds, Burns, Chilblains, Sprains, Bruises, Pimples and all Chronic Bruises. GRAND

WE TAKE PLEASURE IN ANNOUCING that we have just received one of the inimitable

STEINWAY'S OVERSTRUNG GRAND PIANOS,

and we herewith respectfully invite the public, one and all, to give us a call, and examine the same. Professional gentlemen have pronounced it superior to any Grand they have ever played upon. They are considered the best Piano Fortes manufactured. Opinion of nearly all the greatest and most prominent Musicians and Artists regarding these instruments.

The undersigned, having personally examined and practically tested the improvement in Grand Pianos, invented by H. Steinway, in which the covered strings are overstrung above those remaining, do hereby certify 1—That as a result of said improvement, the voice of the Piano is greatly improved in quality, quantity and power. 2—The sound by Steinway's improvement is much more even, less harsh, stronger, and much better prolonged, than that realized in any other Piano with which we are acquainted. 3—The undersigned regard the improvement of Mr. Steinway as most novel, ingenious and important. No Piano of similar construction has ever been known or used, so far as the undersigned know or believe.

HARD TIMES OUTDONE.

6,000 Premiums Amounting to $100,000

WILL BE AWARDED

On the First Wednesday in August, 1861.

"THE RAPPAHANNOCK MANUFACTURING COMPANY" propose to raise, by the first Wednesday in August next, a CAPITAL STOCK of $600,000, to be subdivided into shares of $20 each; $100,000 to be returned to the subscribers in the form of PREMIUMS, as an inducement to subscribers, and the balance, $500,000, to be applied to the erection, at the new village of Rappahannock, in Virginia, of a Southern Army, Clothing and Woolen Factory. The shares can be subscribed in weekly or monthly instalments of any amount to suit the convenience of the subscriber and receipts will be sent from time to time in acknowledgement of all sums remitted, no matter how small they may be, which may be done conveniently in postage stamps, gold coin, current bank notes, or drafts. If less than a share of $20 should be subscribed by the time specified, the money will not be lost, but opportunity will be given to increase it by the purchase of shares thereafter, until enough is secured to obtain a certificate of stock. But if a share, or several shares should be subscribed before that time, the subscriber will receive a certificate of preferred stock, guaranteeing to the holder 8 per cent per annum on the par value thereof, all the Stockholders will, moreover, receive semi-annual dividends out of the net profits of the Company, so soon as these Factories are put in operation. Besides the above, the person who subscribes the largest amount, (by the first Wednesday in August, 1861,) will be entitled to a premium of $5,000; the next largest to $3,500; the next largest to $1,500; the two next largest to $1,000 each; the four next largest to $500 each; the ninety next largest to $50 each; the nine hundred next largest to $40 each; the three hundred next largest to $20 each; the one thousand next largest to $10 each; the three thousand four hundred next largest to $5 each, and the person who fails to obtain either of these, to an extra premium of $1,000, all to be paid in Gold, Real Estate, Arms, Military or other Clothing. Thus, the largest sum, which may not exceed $93,31, will take the largest premium of $5,000, and the smallest sum permitted, if not less than $4 79, will secure a premium of $1,000. These shares are all founded upon Real Estate, which is pledged for the security or redemption of the stock, and any shareholder wishing to settle, can at any time exchange his stock for any of the Company's lands at their lowest market value and receive a good and sufficient warranty title.

A few Agents well recommended, will be employed at liberal rates, both to obtain subscriptions to the Stock of the Company and to sell shares or a peculiar homestead scheme. For further information, subscriptions, agencies, &c., address, with a stamp enclosed, the Treasurer,

E. BAUDER, Port Royal, Virginia.
