TOWN AND COUNTRY.

FOR SALE CHEAP.—A Life Scholarship in J. C. Mumford's Business and Telegraph College at Philadelphia. A fine chance for a young man that wishes to prepare himself for business. Inquire at the SENTINEL Office.

ECONOMY AND COMFORT.—You can save money and have the nicest suit of clothes in town, by purchasing them of D. W. Harley, & Co., who have just returned from the city with a new stock.—If you don't believe it, try it.

VALUABLE PROPERTY AT PRIVATE SALE.—Persons desiring to purchase a beautiful and pleasant house would do well to call upon Dr. Kæmpfer, as he offers for sale his fine residence in the Borough of Patterson. Sept. 4, 1867–tf.

TICKETS.—Tickets have been printed and are ready for distribution. They have been put up for the different townships and will be sent out in due time. Let our friends throughout the country see that a goodly number of them are polled and victory will be ours.

GRAIN WANTED.—The undersigned, having been appointed Agent by Noah Hertzler, will purchase all kinds of Grain at Thompsontown. Persons having Grain to sell will find it to their advantage to give me a call.

Sep't. 25–4t*. JACOB W. KURTZ.

B. B. ACCIDENT.—At a match game of Base Ball played at Newport, on Saturdy last, between a club of that place and the Mechanics, of Patterson, an accident befell Mr. Isaac Coffman of the latter club. Messrs. Coffman and Caum were running after a fly ball, and both looking up for the ball, did not observe each other until they run togethe. Mr. Coffman it is thought received serious internal injuries.

BENEVOLENT.—On Saturday evening last a gentleman arrived at this place from Philadelphia, having in his charge seven little children from the "Home of the Little Wanderers" of that city, whom he brought to this place for the purpose of procuring them comfortable homes. On Sunday and Sunday evening they attended the different churches of our town, and none were found for them all. They are bright, intelligent looking children and for aught we know when they grow up, may make useful men and women.—Thus this Christian Institution are gathering up those who have been left destitute, whose parents have died or forsaken their offspring, and procuring for them homes in the country, where their moral as well as their physical wants will be properly cared for.

MATCH GAME OF BASE BALL.—The following is the result of match game of base ball between the Mechanic Base Ball Club, of Patterson, and the Cayuga Base Ball Club of Newport, on the grounds of the latter, at Newport, September 28th, 1867. Owing to the cover coming off the ball, game was called at the eighth inning:

A FREAK OF INSANITY.—On Saturday evening as the Cincinnati Express train east past the Manayunk bridge, an unknown man was observed divesting himself of hat, watch, &c., and placing his hands on the backs of two seats, sprang out of the window, feet foremost, taking the sash with him. The train was immediately stopped, and on going back, he was found walking toward the persons in search of him. As soon as he saw them he fell upon his knees and commenced praying for mercy. He was placed on the train and brought to the Patterson House, where his wants are properly cared for. He has a cut on the chin and is considerably bruised, yet it is a miracle that he was not instantly killed. He is a Frenchman by birth, and was on his way from the west to Philadelphia. He had been laboring under an attack of *delirium tremens*, and no doubt jumped from the train to escape the presence of those dreadful phantoms seen by persons in his situation. This is another warning to those who make too frequent use of intoxicating drinks.

☞ A Young Lady returning to her country home, after a sojourn of a few months in the City, was hardly recognised by her friends. In place of a coarse, rustic, flushed face, she had a soft ruby complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the **Circassian Balm**, and considered it an invaluable acquisition to any lady's toilet. By its use any lady or gentleman can improve their personal appearance an hundred fold.—It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful. A GREAT DISCOVERY.—One of the greatest and most useful discoveries in medical science was made by the celebrated Dr. J. Dumas, of Paris, Chief Physician to the Imperial Infirmity of France, in 1861. Those who have been afflicted with the painful disease known as the Fills, and effectually cured by the use of DR. J. DUMAS' FRENCH PILE SALVE, cannot speak too highly of the benefits conferred upon them by the use of the certain remedy. It has never been known to fail in effecting a permanent cure in a single case. In this respect it surpasses all other medicines of the kind. It will do just what it is recommended for; if not the money will be refunded. One or two boxes is sufficient to effect a permanent cure in four or six days, if the directions on the boxes are followed.—Price one and two dollars per box, according to size. Sent by Mail or Express to any part of the United States or Canada. Sold by Druggists generally. A liberal discount made to the trade. Address D. S. DUNHAM & Co. Williamsport, Pa., sole Proprietors and Manufacturers for the United States and Canada. dec. 5–'66.
