F. F. ROHM, of Patterson, is engaged in repairing the property which he recently purchased in that town, commonly known as the Oberholtzer property.

DON'T go back on your newspaper.—A subscriber to an Iowa paper recently stopped his paper, and the next week he was nearly kicked to death by a horse.

JOHN MICHAEL, of Fermanagh township, has within the past week shipped to Lancaster county a large lot of young locust trees. He gets $150 a thousand.

IN the Philadelphia *Inquirer*, under the head of "Postal changes in Pennsylvania," we notice the following: "Port Royal, Juniata county—James W. Wharton vice James M. Alter, removed.

THERE is scarcely a grape known to the grape-grower but that can be had at the Juniata Valley Vineyard, located one mile northeast of Mifflintown—J. Oberholtzer, proprietor.

THE Sacrament of the Lord's Supper will be administered in the Presbyterian Church of this place, on the first Sabbath in May, being the 7th day of the month—Rev. M Allison, pastor.

COL. GEO. F. MCFARLAND has bought the *Temperance Vindicator* at Williamsburg, Pa. The Colonel is a clear and ready writer. May success attend him in his new field.

LAIRD & BELL have just received at their store in Patterson, a large stock of Dry Goods, Groceries, and everything in their line of trade, and invite the public to call and examine their stock of goods before purchasing elsewhere.

THE Republican County Committee met on last Saturday. James W Wharton, of Perrysville, was elected chairman, and Capt McClellan, of Mifflin, secretary, to fill the unexpired term. The attendance was not large

Capt. Wharton, of Perrysville, returned from South Carolina last week, looking well.

Capt. Mickey, of Patterson, is also home from the same State.

MIDDAGH'S BAZAR.—Jefferson Middagh has refitted and refurnished his Livery Stable and Bazar, in Patterson, and is now ready to accommodate his old friends and the public generally, with fine and gentle driving horses, new harness and new buggies. He also has four second hand buggies for sale at reasonable prices. Reader, call at his Bazar and see for yourself.

INFORMATION wanted of Mary Jane Knox, Sallie P. Kennedy or Smith Kennedy. By sending their address to R. C. Cheesman, Bellefonte, Centre Co., Pa., they will learn something to their advantage. [apr19 3t.

WHY don't you use Nature's Hair Restorative? It is perfectly free from poisons and will restore gray or faded hair to its original color. For sale by B. F. Kepner & Son, Mifflintown.

NEW GOODS AT LOW PRICES.—Martin & Walters have just received from Philadelphia a large stock of Spring Goods, which they offer at the lowest prices. Their stock of Dry Goods, Groceries, Fish, &c., is the largest in the county. Purchasers wishing to save money should not fail to call at their store (the old Belford stand) and examine their stock before going elsewhere.

RECENTLY, George M. Ellis died in Chester county, in his 92d year. He is reported to have had the consumption nearly all his life, his physician having assured him, before he was twenty, that he could not survive the next two years. Ellis was so pale and thin for forty years previous to his decease that he was known as the walking skeleton; and yet he is believed to have been, with two exceptions, the oldest man in the county.—*Ex.*

The following recipe for the cure of inflamed eyes is given: "Take a potato, and after quartering it, grate the heart as fine as possible, and place the grating between a piece of cambric muslin. Place the poultice over the eyes inflamed, and keep it there fifteen minutes Continue the operation three successive nights, and a perfect cure ensues." It is worth trying by those afflicted with sore eyes.

A SINGULAR ACCIDENT.—A little girl, daughter af John Buckwalter, living near Conestoga Centre, this county, met with a painful accident on Monday morning last While she was sitting aside of the kitchen stove, the pipe fell down, upsetting a pot of boiling water over her. She was terribly scalded, from her neck down to her thighs, but some hopes are entertained of her recovery.—*Lancaster Inquirer.*

NEURALGIA.—A correspondent of the *Lancet* says: "A few years ago, when in China, I became acquainted with the fact of the natives, when suffering with facial neuralgia, using oil of peppermint which they lightly applied to the seat of pain with a camel-hair pencil. Since then, in my own practice, I frequently apply this oil as a local anæsthetic, not only in neuralgia, but also in gout, with remarkably good results."

HAY RAKE.—The undersigned, whose post office address is Mifflintown, Juniata county, Pa., hereby informs the public that he is the only authorized agent in Juniata county for the hay rake popularly known as the 'Columbia Hay Rake.' The public is also informed that certain parties are now selling in this county an imitation rake, which they sell as the genuine Schall & Danner, or Pratt & Smedley, or Columbia Rake.

JOHN ZOOK.

DIDN'T SEE IT.—The *Register* this week is excited over what we wrote last week in regard to an article that some time ago appeared in its columns. The *Register* didn't see the point. If the question of who wrote that article "were presented to a jury of twelve men," the jury would find that the *Register* was not the author of it, as it claimed to be, but that it transferred it from the columns of the New York *World* to its own without a word of credit. That is not insanity. That is theft. Do you see it?

LECTURE.—This is a "howling wilderness," upon which the axe of the Lecturer has not often been used. As a town we are not much used to dainty intellectual food, such as lectures prepared with care and delivered with cultivated grace and ease; but Mifflin will wake up some day surely. The lecture delivered last evening by C. J. Arms, of Lewistown, on "Honor," was a pleasant and instructive one, and the close attention of the audience—which was large enough considering that we are not a great lecture-going people—testified to its merit. Who will be the next man to step into this wilderness as a pioneer and help to convert Mifflin into a lecture field.

FEARFUL ACCIDENT.—A fearful accident occurred at Peach Bottom, this county, on Thursday of last week, in a smithshop at Brown's slate quarries.—David Williams, the blacksmith, had been dressing a drill for one of the workmen in the quarries, when another workman brought into the shop a keg containing about ten pounds of blasting powder, which he set down beside a keg of water, upon which the other workman was sitting Mr. Williams intended to plunge the heated drill into the keg of water for the purpose of tempering it, but mistook the powder keg for it, and into it he plunged the iron. A terrible explosion ensued, tearing out the end of the shop, destroying the sight of both Mr. Willams' eyes, and burning him so terribly all over the head and body that at last accounts his life was despaired of. The other two men in the shop, whose names are Edward Lloyd and John Owens, were also badly burned, though not fatally. It seems hard to believe that any person would be guilty of such insane folly as bringing in an open keg of powder and sitting it down in a smithshop. The fearful results in this instance are scarcely more than could be expected to follow such reckless folly.—*Lancaster Inquirer.*

SUSSEX CHIEF.—The celebrated Hambletonian horse, Sussex Chief, now owned by J. B. M Todd, of Patterson, is one of the best horses in the country. He has some of the finest colts in Lycoming, Northumberland and Union counties. One of Sussex Chief's 2 year old colts now owned by Mr. E D. Trump, of Jersey Shore was awared the first Premium at the Fair of the Lycoming County Agricultural Society, held at Williamsport September 14th, 15th, and 16th 1870. There were quite a number of 2 year old colt's on exhibition—some valued as high as $3000. Sussex Chief is on exhibition at the stable of Mr. Todd in Patterson. Farmers and others desirous of improving their stock now have an opportunity. March 26-5w.

CATCHING SHAD AT COLUMBIA.—It is estimated from the great success which has thus far attended the efforts of fishermen at Columbia that 100,000 shad will be caught at that point before the close of the season. Over 20,000 have already been secured, and fishing has scarcely commenced. As high as 2,500 were caught in one day recently, the largest haul for the same length of time in ten years. Last year the entire catch amounted to 50,000. The fish sell at from thirty to thirty-five dollars per hundred from the shore. If the expectation of the fishermen are realized the trade in 1871 at Columbia will reach from $25,000 to $35 000. The cause of the increase of shad caught is to be attributed to the removal of nearly all the baskets in the river (which have for years prevented thousands of the fish from nearing tide water in the fall) in compliance with a law of the State.—*Ex*

ANNUAL MEETING OF THE JUNIATA COUNTY SABBATH SCHOOL ASSOCIATION.—The next annual meeting of the Juniata County Sabbath-School Association will be held in Mifflintown, on Tuesday and Wednesday, May 16 and 17, 1871. It is hoped that every Sabbath-School in the county will be represented; that we may have a good, profitable time; that the interests of the Sabbath-School may be advanced; that our Savior's kingdom may be magnified.

By order of the Executive Committee.

GOLDEN FOUNTAIN PEN.

Something new and novel. Be sure and read the advertisement in our paper, headed "Greatest Invention of the Age." We believe the Golden Fountain Pen is unsurpassed. A good pen is a necessity to every man, woman and child. Agents, here is a chance to make money in introducing a good and saleable article.

CORNS.—How they sting, throb, ache, smart and burn, upon our feet. In vain we beg, and threaten, we curse, we flourish the sharpest knives above their heads, we burn, we cut, hack, hew and fell, and still the pesky corns remain a thing of misery.—Useless are entreaties, tears, curses, groans; nothing can remove our corns but Brigg's Alleviator and Curative, a sure cure for Corns, Bunions, Ingrowing Nails, and all ailments of the feet.

PILES!—Internal, External, Bleeding or Itching. This distressing and harrowing disease is alarming on the increase. More so, perhaps, from the fact that those who are afflicted with it are, from a false notion of delicacy, afraid to ask for a remedy, thereby making their condition known. How wrong and fatal is this neglect. At the first intimation of the appearance of this complaint they should procure Briggs' Unrivaled Pile Remedy, and, using it according to directions, immediately check it and permanently cure it. It is easy of application, and thorough in its effects.

HEADACHE, Neuralgia and Nervous Diseases.—The wonderful effects of Dr. Briggs' Allevantor, for the speedy cure of the above very prevalent and painful afflictions is known to many thousands who have used it with the most unqualified success. In every case of the complaint above enumerated it has never failed to give immediate relief. Its effect is magical beyond precedent. One trial will convince the most skeptical. Each bottle making two quarts when diluted for use.

CONSUMPTION.—This fatal and dreaded disease can, and has been cured. Dr. J. Briggs' Throat and Lung Healer is a pleasent, agreeable and sure remedy for Coughs, Whooping Cough, Croup, Hoarseness, Bronchitis, Laryngitis, Sore Throat, Asthma, Consumption, and all diseases of the Throat, Lungs and Chest.

The above medicines are sold by BANKS & HAMLIN, Mifflintown, and by druggists generally.

7-30 GOLD LOAN

OF THE

Northern Pacific Railroad.

RAPID PROGRESS OF THE WORK.

The building of the Northern Pacific Railroad, (begun July last), is being pushed forward with great energy from both extremities of the line. Several thousand men are employed in Minnesota and on the Pacific coast. The grade is nearly completed 266 miles westward from Lake Superior; trains are running over 130 miles of finished road, and track-laying is rapidly progressing toward the eastern border of Dakota Including its purchase of the St. Paul & Pacific Road, the Northern Pacific Company now has 413 miles of completed road, and by September next this will be increased to at least 560

A Good Investment. Jay Cooke & Co., are now selling and unhesitatingly recommend, as a Profitable and perfectly Safe Investment the First Mortgage Land Grant Gold Bonds of the Northern Pacific Railroad Company. They have 30 years to run, bear Seven and Three-Tenths per cent. gold interest (more than 8 per cent. currency) and are secured by first and only mortage on the ENTIRE ROAD AND ITS EQUIPMENTS, and also, as fast as the Road is completed, on

23,000 Acres of Land to every mile of track, or 500 Acres for each $1,000 Bond.—They are exempt from U. S Tax; Principal and Interest are payable in Gold; Denominations; Coupons, $100 to $1,000; Registered, $100 to $10,000.

Lands For Bonds—Northern Pacific 7-30's are at all time receivable at TEN PER CENT. ABOVE PAR, in exchange for the Company's Lands, at their lowest cash price. This renders them practically INTEREST BEARING LAND WARRANTS.

Sinking Fund—The proceeds of all sales of Lands are required to be devoted to the repurchase and cancellation of the First Mortgage Bonds of the Company. The land Grant of the Road exceeds Fifty Million Acres. This immense Sinking Fund will undoubtedly cancel the principal of the Company's bonded debt before it falls due. With their ample security and high rate of interest, there is no investment, accessible to the people, which is more PROFITABLE OR SAFE.

Exchanging U. S. Five-Twenties—The success of the New Government 5 per cent. Loan will compel the early surrender of United States 6 per cents. Many holders of Five-Twenties are now exchanging them for Northern Pacific Seven-Thirties, thus realizing a handsome profit and greatly increasing their yearly income.

Other Securities.—All marketable Stocks and Bonds will be received at their highest price in exchange for Northern Pacific Seven-Thirties. EXPRESS CHARGES on Money or Bonds received, and on Seven-Thirties sent in return, will be paid by the Financial Agents. Full information, maps, pamphlets, etc., can be obtained on application at any agency, or from the undersigned.
