"JUNIATA ENCAMPMENT," No. 19, I. O. O. F. meets on the first and third Tuesdays of each month, in the Odd Fellows' Hall, Thompsontown, Juniata Co., Pa.

TOWN AND COUNTRY.

COLD and Frosty—Tuesday morning.

SCARCE—Loafers in Mifflin. Nearly everybody has something to do

CHERRIES on the cherry trees along Cherry Street, are as large as peas.

THE river "swelled" on last Sabbath. It is not the only thing that sometimes swells.

SQUIRE JACOBS and R. E. Parker are about to erect an office on the lot of the former, on Bridge Street.

NARROW—The wagon track between the rows of brick and stone along Main street, in South Mifflin.

THE people ask, why does not the Committee publish the names of those who received aid from the $20,000 appropriation? That is a question for the Committe to answer.

MR. GEORGE GOSHEN, the contractor for the erection of the new Odd Fellows' Hall, on Monday last commenced the work of clearing away the brick and rubbish from the old foundation.

D. W. HARLEY & Co. have received their Spring stock of Clothing. Don't fail to call at their Clothing Establishment in Wilson's building, corner of Bridge and Water streets, and buy your summer suits.

POSTPONED—The sale of the Stambaugh property in this borough, did not take place on last Saturday, because of the inclemency of the weather. The sale was postponed to Saturday May the 20th, at 4 o'clock P. M.

CONCERT.—A concert of vocal and instrumental music will be given at the Gap School House, in Spruce Hill township, on Friday evening, May 19, 1871 The proceeds are to be expended in purchasing a new library for the Sabbath School of that place. A general invitation is extended.

A MAN named Taylor Hatch, a conductor on the through freight, was instantly killed at Blairsville Intersection by falling under the cars when in motion. He was running along on the top of the cars, and, making a miss step, fell to the track. Fifteen cars passed over him.—*Hollidaysburg Register.*

WHO will be the first to move for the organization of a party for the introduction of "Black Bass" into the Juniata river here, and enforce the law for the protection of the fish after they have been introduced. Good fish at little cost, and fine sport with the "rod and line" would be the result after ten years' protection.

SABBATH SCHOOL CONVENTION.—The Convention is to meet at the Lutheran Church, in Mifflintown, on Tuesday, the 16th inst., at 11 o'clock A. M. The Committee of Arrangements will be at the church from 10 o'clock, meet the delegates as they arrive, and assign them places of entertainment. Ample arrangements have been made to accommodate a large delegation.

COMMITTEE OF ARRANGEMENTS.

Mifflintown, May 8, 1871.

MR. GEO. GOSHEN has just received at his cheap Store, in Patterson, another lot of Dry Goods, Groceries, prime Mackeral and Herring, Queensware, &c. He respectfully invites the public to give him a call, as he guarantees satisfaction. He is buying in Bark, and will pay the highest cash price for it. Railroad Ties will be taken at his Coal Yard at the Lock above Mifflin and at Patterson, in exchange for goods of all kinds, and the highest prices allowed for them.

May10-2w

COUNTY SABBATH SCHOOL ASSOCIATION—Each Sabbath School in the county is respectfully requested to prepare a Report for the Convention to be held in Mifflintown on the 16th and 17th inst. Any schools that do not send delegates will please forward their reports to the Secretary. Schools are requested to answer the following questions in their reports: 1. Name of School; 2. Date of Organization; 3. Name and Address of Superintendent; 4. Name and Address of Pastor, if any; 5. Number of Male Teachers; 6. Number of Female Teachers; 7. Number of Male Scholars; 8. Number of Female Scholars; 9. Actual Average Attendance; 10. Number of Months kept open; 11. Number of Volumes in Library; 12. Number of Conversions in School; 13. Does your School regularly hold a Teachers' Meeting? 14. Amount of Contributions to Missions and other Benevolent Objects; Other facts of Interest

NOTICE—The annual meeting of the Pennsylvania Reserve Association will be held in Philadelphia on the 16th inst. Excursion tickets will be sold on the Pennsylvania Railroad to members of the Association, or soldiers of the old Reserve Corps desiring to attend, at the rate of 2 cents per mile. These tickets are good from the 13th to the 20th inst.

Although Juniata furnished quite a number of men to the Reserve Corps she has always been poorly represented at the meetings of the Association. This should not be, and we hope that at the approaching re-union there will be a much fuller attendance from this county than ever before.

FOR about ten days past a suspicious-looking bundle was observed in the sink of the outbuilding in the rear of the Court House, by persons who had occasion to go to that place; and yesterday morning, curiosity getting the better of a couple gentlemen they fished it out and to their horror, discovered a female child, of about four months growth, wrapped in an apron. The news of the finding of the child spread rapidly, and the citizens were justly indignant at the outrage committed by the unnatural parents. A Jury was summoned, a verdict rendered in accordance with the above facts, and the remains of the child properly disposed of by the borough authorities.—*Middleburg Post of last week.*

ALABAMA CLAIMS.—We are informed that the most persistent and unyielding of the private citizens who have claims against the British Government are Dr. J. C. Ayer & Co., of Lowell, Mass., the manufacturers of medicines. They will consent to nothing less than that their demand for medicines destroyed by the British pirates shall be paid in gold and in dollars to the last cent. They are emboldened by the fact that the destruction of their goods by the English in China and elsewhere (for where are not that troublesome nation trampling upon somebody?) have hitherto been paid in full, and they now say that they shall be.—They however propose this compromise: Give us Canada and we will call it even, because we can then send our remedies there without duty.—*Washington News*

FOR THE PENITENTIARY.—Yesterday Thomas J. Boyer, recently convicted of forgery in the Perry county court, was taken through the city for the eastern penitentiary. Boyer is the same man who was charged last winter with having set fire to his father's house and burned the occupants—parents and sister and brother. He was tried for the crime, and the circumstantial evidence against him was pretty strong but the jury rendered a verdict of acquital after protracted deliberation. At the same time suspicion attached to Boyer as the incendiary and murderer it became generally known that he had forged notes on his father and father-in law, and last week he was tried for the felony and judgment passed on him, Judge Graham sentencing him to the penitentiary for two years.—*Harrisburg Patriot of May 9th.*

THE NEW DODGE—The are many dodges in this wicked world. Dodges confront one at every turn, and one is compelled to study how to dodge the dodges. A song that was very popular ten years ago, called "The Dodger," acquainted the public generally with a number of the striking peculiarities of that famous character. But that song grew old, as everything else must do, and we look around for some new dodge, and we have it "right away." All that is necessary to do in order to get a sight of it is to call on Sheriff Loudon and ask him to show you the "latest improved" Dodge. The Dodge that the Sheriff has is no humbug, but is the famous Combined Mowing and Reaping Machine, called the Dodge. There is no better machine in the market. The Sheriff has this season sold a car-load of them, and has ordered another load, which is expected to arrive here every day. Buy the latest improved new Dodge of Sheriff Loudon, who guarantees satisfaction to all purchasers.

HOW SMALL EXPENDITURES COUNT.—Five cents each morning—a mere trifle. Thirty-five cents per week—not much; yet it would buy coffee and sugar for a whole family, $18.27 a year—and this amount invested in a savings bank at the end of a year and the interest thereon at six per cent., computed annually, would in twelve years amount to more than $689—enough to by a good farm in the west.

Five cents before breakfast, dinner and supper; you'd hardly miss it, yet it is fifteen cents a day—$1.05 a week.—Enough to buy a small library of books. invest this as before, and in twenty years you have over $3,000. Quite enough to buy a good house and lot.

Ten cents each morning—hardly worth a second thought; yet with it you can buy a paper of pins or a spool of thread. Seventy cents per week—it would buy several yards of muslin; $36,50 in one year—deposit this amount as before, and you would have $2 340 in twenty years, quite a snug little fortune. Ten cents before each breakfast, dinner and supper—thirty cents a day. It would buy a book for the children. $2,10 a week, enough to pay for a year's subscription to a good newspaper; $106 50 per year—with it you could buy a good melodeon, from which you could produce good music, to pleasantly while the evening hours away. And this amount invested as before, would in forty years produce the desirable amount of $15,000.—*Ex.*

J. B. M. TODD has purchased Mrs. Fasick's lot on Main street. Price paid seven hundred dollars.

A BUSINESS MAN the other day compared a business house in dull times to a man's stomach when out of order. The stomach needs physic—a sharp purgative, and the business house needs heavy doses of advertising In both cases a brisk state of affairs may be looked for, and restored health, unless, indeed, the case is one of actual decline.

NOTICE TO SCHOOL TEACHERS.—The Committe on Permanent Certificates will meet in the School House in the borough of Mifflintown on Saturday May 13th at 1 o'clock P. M. to transact such business as may be brought before it.—Applicants, and others interested will please attend. Every member of the Committee should be present without fail.

It is necessary to publish the resolutions adopted by the Committee Dec. 16th, 1870:

Resolved, That the present Committee be governed by the same resolutions adopted by previous Committee on Permanent Certificates.

Resolved, That whenever application is made for a Permanent Certificate the chairman give due notice in the county papers to all the members to meet at Thompsonstown or Mifflintown on the last day of the week.

The resolutions previously adopted were published two years ago, and it is necessary to give the substances of them.

All applicants must have their blanks filed up and duly signed by directors and county Superintendent

All applicants must pass an examination in all the branches required by law, before the Commitee

They must write a thesis on some educational topic and read it before the Committee

By order of the Chairman.

WELLINGTON SMITH, *Sec'y.*

HAY RAKE.—The undersigned, whose post office address is Mifflintown, Juniata county, Pa., hereby informs the public that he is the only authorized agent in Juniata county for the hay rake popularly known as the 'Columbia Hay Rake.' The public is also informed that certain parties are now selling in this county an imitation rake, which they sell as the genuine Schall & Danner, or Pratt & Smedley, or Columbia Rake.

JOHN ZOOK.

MIDDAGH'S BAZAR — Jefferson Middagh has refitted and refurnished his Livery Stable and Bazar, in Patterson, and is now ready to accommodate his old friends and the public generally, with fine and gentle driving horses, new harness and new buggies. He also has four second hand buggies for sale at reasonable prices. Reader, call at his Bazar and see for yourself.

GOLDEN FOUNTAIN PEN.

Something new and novel. Be sure and read the advertisement in our paper, headed "Greatest Invention of the Age." We believe the Golden Fountain Pen is unsurpassed. A good pen is a necessity to every man, woman and child. Agents, here is a chance to make money in introducing a good and saleable article.

CORNS.—How they sting, throb, ache, smart and burn, upon our feet. In vain we beg, and threaten, we curse, we flourish the sharpest knives above their heads, we burn, we cut, hack, hew and fell, and still the pesky corns remain a thing of misery.—Useless are entreaties, tears, curses, groans; nothing can remove our corns but Brigg's Alleviator and Curative, a sure cure for Corns, Bunions, Ingrowing Nails, and all ailments of the feet.

PILES!—Internal, External, Bleeding or Itching. This distressing and harrowing disease is alarming on the increase. More so, perhaps, from the fact that those who are afflicted with it are, from a false notion of delicacy, afraid to ask for a remedy, thereby making their condition known. How wrong and fatal is this neglect. At the first intimation of the appearance of this complaint they should procure Briggs' Unrivaled Pile Remedy, and, using it according to directions, immediately check it and permanently cure it. It is easy of application, and thorough in its effects.

HEADACHE, Neuralgia and Nervous Diseases.—The wonderful effects of Dr. Briggs' Allevantor, for the speedy cure of the above very prevalent and painful afflictions, is known to many thousands who have used it with the most unqualified success. In every case of the complaint above enumerated it has never failed to give immediate relief. Its effect is magical beyond precedent. One trial will convince the most skeptical. Each bottle making two quarts when diluted for use.

CONSUMPTION.—This fatal and dreaded disease can, and has been cured. Dr. J. Briggs' Throat and Lung Healer is a pleasent, agreeable and sure remedy for Coughs, Whooping Cough, Croup, Hoarseness, Bronchitis, Laryngitis, Sore Throat, Asthma, Consumption, and all diseases of the Throat, Lungs and Chest.

The above medicines are sold by BANKS & HAMLIN, Mifflintown, and by druggists generally.

MARRIED.

7-30 GOLD LOAN

OF THE

Northern Pacific Railroad.

RAPID PROGRESS OF THE WORK.

The building of the Northern Pacific Railroad, (begun July last), is being pushed forward with great energy from both extremities of the line. Several thousand men are employed in Minnesota and on the Pacific coast. The grade is nearly completed **266** miles westward from Lake Superior; trains are running over **130** miles of finished road, and track-laying is rapidly progressing toward the eastern border of Dakota. Including its purchase of the St. Paul & Pacific Road, the Northern Pacific Company now has **415** miles of completed road, and by September next this will be increased to at least **560**

A Good Investment. Jay Cooke & Co., are now selling and unhesitatingly recommend, as a Profitable and perfectly Safe Investment the First Mortgage Land Grant Gold Bonds of the Northern Pacific Railroad Company. They have **50** years to run, bear Seven and Three-Tenths per cent. gold interest (more than 8 per cent. currency) and are secured by first and only mortage on the ENTIRE ROAD AND ITS EQUIPMENTS, and also, as fast as the Road is completed, on

23,000 Acres of Land to every mile of track, or **500** Acres for each $1,000 Bond.—They are exempt from U. S Tax; Principal and Interest are payable in Gold; Denominations; Coupons, $100 to $1,000; Registered, $100 to $10,000.

Lands For Bonds—Northern Pacific **7-30's** are at all time receivable at TEN PER CENT. ABOVE PAR, in exchange for the Company's Lands, at their lowest cash price. This renders them practically INTEREST BEARING LAND WARRANTS.

Sinking Fund—The proceeds of all sales of Lands are required to be devoted to the repurchase and cancellation of the First Mortgage Bonds of the Company. The Land Grant of the Road exceeds Fifty Million Acres. This immense Sinking Fund will undoubtedly cancel the principal of the Company's bonded debt before it falls due. With their ample security and high rate of interest, there is no investment, accessible to the people, which is more PROFITABLE OR SAFE.

Exchanging U. S. Five-Twenties—The success of the New Government 6 per cent. Loan will compel the early surrender of United States 6 per cents. Many holders of Five-Twenties are now exchanging them for Northern Pacific Seven-Thirties, thus realizing a handsome profit and greatly increasing their yearly income.

Other Securities.—All markatable Stocks and Bonds will be received at their highest price in exchange for Northern Pacific Seven-Thirties. EXPRESS CHARGES on Money or Bonds received, and on Seven-Thirties sent in return, will be paid by the Financial Agents. Full information, maps, pamphlets, etc., can be obtained on application at any agency, or from the undersigned.
