SOAP. SOAP. SOAP. SOAP. SOAP THE CHEMICAL OLIVE ERASIVE SOAP manufactured by R. C. & J. H. SAWYER, is acknowledged to be the most serviceable of any kind yet offered to the public. Its superior advantages are found in its cheapness, saving of labor, and its efficacy in removing grease, paint, tar and dirt without injuring the skin, or in the least wise damaging the finest quality of goods. It can be used with all kinds of water.

Reference is made with pleasure to the subjoined certificates, emanating from gentlemen well known in this community, and who had every facility afforded of seeing it fully and fairly tested.

LOSE NO TIME.

READ:

FOR A NUMBER OF YEARS PAST I have been gradually growing deafer and deafer. I have tried numerous physicians and remedies without any effect, the noise in my head increasing to a very distressing extent. From seeing the testimonial of a clergyman, well known to me, I was induced to put myself under Dr. VON MOSCHISKER'S treatment seven months ago. My case was a very obstinate one, and after four months treatment became somewhat discouraged, but yet persevering. I am more than happy to state that the noise in my head, so distressing have entirely left me, and that my hearing is very much improved as all my friends, and those in business connection with me can testify. From my marked improvement I am fully satisfied that I will recover the hearing which I thought hopeless ly lost to me. P. H PIERCE.

I certify that Dr. VON MOSCHZISKER effected a most satisfactory cure of my son, a boy of fifteen years of age, who has been deaf for several years. The loss of hearing being accompanied by a very offensive and disagreeable discharge from his ear

Among those who have been benefitted by your skillful treatment in diseases impairing the sight it affords me great pleasure to add the testimonial of my gratitude to the list of your patients. Desirous that all those whose sight is defective should know where to apply for relief, I tender you this acknowledgement of your eminent skill and success in the treatment of your obliged and grateful friend.

New Battery Discovered—Infernal Machine—The Rebels near Leesburg.

WASHINGTON, Nov. 1.—A new battery of rifled cannon, three in number, has been discovered about a mile and a half below any that have heretofore fired on the lower Potomac. It is situated a little below a new brick house, but far from the wharf at Evansport.

A few days ago, the rebels sent a small boat from Quantico Creek over towards Budd's Ferry, having a flag of truce. When she had approached within two or three hundred yards of the Maryland shore, a barrel, with something attached to it, was thrown overboard, and the boat immediately turned and put back to the Virginia shore. The barrel was supposed to contain an infernal machine.

A letter received to-day from Darnestown, Maryland, says the rebels now picket Harrison's Island, and that reliable intelligence from Leesburg gives information that on the Tuesday succeeding the fight at Ball's Bluff, the rebels withdrew their forces from Leesburg, on our troops being thrown over at Edward's Ferry, leaving only a few battalions to keep up appearances and to watch our movements. They subsequently took away all their supplies, and were at the latest accounts resting on Goose Creek, seven miles South of Leesburg.

Letter from Gen. Fremont's Assistant Quartermaster.

PHILADELPHIA, Nov. 2.—E. M. Davis, Assistant Quartermaster under Fremont, writes a letter to Adjutant Gen. Thomas, under date of Philadelphia yesterday, correcting some errors in reference to himself, published in the latter's report to Secretary Cameron. He says Fremont did not give him any contract for blankets, or anything else. He purchased blankets in his official capacity and denies that they were condemned as rotten and worthless. When the report of the Board reached Fremont he expressed great displeasure and required the blankets to be returned. The only fault that could be found with his purchase was economy practiced in making it, the average price being $1,40 for each blanket. They were part cotton. He can only account for the misstatements from the fact that when Gen. Thomas was in St. Louis Davis was confined to his bed, and that Gen. Thomas presumed, from the reports he heard, that he had the whole truth before him in reference to these affairs.

From Fortress Monroe.

FORTRESS MONROE, Nov. 1.—The tug Ethan Allen, of the great expedition, returned to Hampton Roads this morning in consequence of the rough weather on the coast below. She brings no particulars of importance respecting the expedition.

A flag of truce went up to Norfolk today with twenty of the prisoners, who were released some time since at Fort Lafayette.

The barks Goshock and Armada have just returned from a cruise. The latter took four prizes—three English and one
