The Celebrated Italian Remedy

FOR THE CURE OF CHRONIC DISEASES.

MAZONI'S SICILIAN SYRUP OR TROPICAL HYGIENE.

Discovered by Dr. Mazoni of Italy in the year 1845, and introduced into the U. States early in 1846.

THIS unrivalled medicine for the radical cure of *Chronic* diseases has spread throughout Europe with the most unequalled speed and triumphant success, effecting the most astonishing cures ever known or recorded in the annals of Medical History. Since its introduction into the United States it has equally sustained the high reputation it so justly received in the East, curing here as it has done there, the most inveterate and long standing diseases with which the human family are afflicted. The Physicians of Europe and America (as far as they have become acquainted with its mode of operation) together with the thousands who have been restored to health by its superior efficacy with one united voice proclaim it to be the most perfect remedial agent ever offered to suffering humanity. It is now an established fact *"that Consumption may be, can be, and has been cured by Dr. Mazoni's Sicilian Syrup or Tropical Hygiene.*

This is the only medicine that has ever been discovered that has achieved a cure where this disease had gained a settled and permanent hold upon the system. For the truth of this assertion, we have the certificates of some of the most eminent Physicians of Europe and America, expressly declaring that they have prescribed it in hundreds of instances where the patients were considered beyond all hope of recovery, and, to their astonishment, has effected the most speedy and perfect cures. No one who is unacquainted with its action can imagine the wonderful success that attends the administration of this medicine in every variety of chronic disease, particularly Consumption, Scrofula or kings evil, Asthma, Phthisic, Piles, (see cases reported in pamphlets and circulars) Cancers, Liver Complaints, Costiveness and Indigestion, Sore and Inflamed Throat, Bronchitis, Dropsies, Chronic Inflamation of the Kidneys, Gravel, Great Debility and Irritibility of the nervous system, Spinal affections, Paralysis, Chronic Diarrhœa, Pain in the breast and side, Coughs, Colds, Chronic Rheumatism, Diseases of the Stomach and Bowels, inward weakness and falling down of the womb, and all the chronic diseases peculiar to females in their various relations in life. This medicine is prepared only by Dr. Mazoni himself, and is composed entirely of vegetable materials containing the extract of 42 of the most rare Tropical plants but few of which are known to the medical Profession generally.

It has so far surpassed every other medicine ever offered to the world in eradicating disease, that it has not only enlisted many of the most talented medical men in the profession, but it has so far out stripped the principle of small profits and quick sales, that they will be able to sell at as low rates as any of the establishments in the Eastern Cities.
