TOWN AND COUNTRY.

BE vaccinated.

STRIPPED stark naked—Trees, of their leaves.

THE communication on the payment of the members of the Legislature will appear next week.

A NEW schedule went into operation on the Penna. Railroad on Sunday last See Time Table, corrected.

A Huntingdon man last week lost a pocket book containing $1200. It was found by an honest man, and of course returned to its owner.

SOME days ago two boys, near Dudley, Huntingdon county, played with a pistol and accidentally discharged it, and killed one of them.

THE handle block and turning manufactory at Ebensburg, Blair county, was destroyed by fire a week ago. Loss $18,000; insurance $8,500.

ON Friday a week ago, Joseph Gwinner, a three old child of Blairsville, fell into a tub of boiling water and was scalded so badly that he died a few days after.

A WOMAN in Fayette county wrapped her worldly wealth, $650 in greenbacks, in balls of carpet rags. Her house took fire and burned, the carpet rags and money with it.

A MAN near Blairsville, Westmoreland county, a week ago last Sunday, was discovered in the act of hanging himself. He is insane, and was sent to his friends at Bellefonte.

A COUPLE of Huntingdon county school teachers went out hunting coons, the other night, and treed a bear, which they shot, and dragged home. It weighed one hundred and eighty pounds.

WINTER is here; don't risk your health by wearing bad shoes, but go to Heck & Fasick and make it all right by ordering what you need in the shoe and boot line. See advertisement.

Wanted—A steady industrious young man to learn the Chair-making trade. One from the country preferred. Apply to WM F. SNYDER, Mifflintown, Pa.

THERE will be a sale of personal property on Tuesday, November 28, 1871, at the residence of Mrs. Elizabeth Lukens, in Walker township. For particulars see handbills.

THE residence of Jacob Long, near the Juniata Crossing, in Bedford county, was destroyed by fire some days ago—Mrs. Long perished in the flames. The house caught fire from the stove-pipe.

THE "Juniata House," the only hotel in Mexico, is offered at private sale. This is a good stand, and the attention of hotel men is hereby called to it. Address FRANCIS HEID,
nov8-3w Mexico, Juniata Co., Pa.

Prince Alexis, the young Russia bear, has arrived at New York, and is the general talk there; but the general talk here, in and about the village, is the new store up near the lock See advertisement.

HAVE you a severe wrench or sprain? Have you rheumatism in any form?—Have you stiff neck, or bunches caused by rheumatic pains? If so, *Johnson's Anodyne Liniment* is a specific remedy, and is also the best pain killer in the world.

Judge Taylor, of Huntingdon, Judge Woods, of Lewistown, and Judge Graham, of Carlisle, all within the past ten days have been ill.

As we go to press we have the news that Judge Taylor died yesterday morning, of paralysis.

WE often see a large stock of cattle which do no not seem to thrive and come out "spring poor," all for want of something to start them in the right direction. One dollar's worth of *Sheridan's Cavalry Condition Powders*, given to such a stock occasionally during the winter, would be worth more than an extra half ton of hay.

THE Bedford County *Press* says: A young man namod George Harwood, of Hopewell township, whilst engaged in gathering chestnuts, on last Friday a week, fell from a tree, alighting on a fence below, and broke his thigh in two places. He was rendered helpless, and owing to the fact that he had not informed any one of his hunt, he was compelled to remain under the tree and endure the agony of a broken limb till Sabbath evening, when parties in search of him were attracted to the spot by his cries. The physicians promptly set the limb, but it is feared that the patient cannot survive, as his injuries are of too serious a nature.

CHESTNUT-ROASTS.—A new source of amusement has been devised by the young people in some sections of the county. During the frosty evenings the belles and beaux meet at a previously designated farm house, each taking along a pint or more of chestnuts. A huge fire is built is the kitchen stove, and a large boiler of water placed upon it, into which a portion of the chestnuts are put to boil. While this is going on the coffee roaster is brought forth, and another portion of the chestnuts are put into it to roast. The company "take partners," eat apples crack jokes, &c., and as soon as the chestnuts begin to "pop," the beaux begin to pop—*the question*—to the belles. Of course there is a general popping all round, and it may be well supposed that in a couple of years most of the young fellows will be called "pop."—*Ex.*
