Laudreth's Warranted Garden Seeds,
DIRECT FROM PHILADELPHIA. Each paper bears the label and warranty of DAVID LANDRETH. For sale by F. L. SNOWDEN, No. 29 Water st., at the stand formerly occupied by Geo. A. Berry. Extract from the "Report of the Visiting Committee of the Pennsylvania Horticultural Society," unanimously adopted and ordered to be printed.

LANDRETH'S NURSERIES AND GARDENS. "Those extensive grounds are on Federal street, near the Arsenal. * * * The earliest collection of Camellias was made here. Some of those now in possession of those distinguished nurserymen are ten feet high. * * * * The selection of GREEN-STORE PLANTS is valuable and extensive.

"The Nurseries are very correctly managed, supplying every part of the Union, a detail of which would occupy too much of our space, we therefore content ourselves with stating that the stock is very large, and in every stage of growth, consisting of FOREST AND ORNAMENTAL TREES, EVERGREENS, SHRUBS, VINES AND CREEPERS, with a collection of herbaceous plants, fruit trees of the best sorts and most healthy condition, large beds of seedling apples, pears, plums, &c., as stocks for budding and grafting; a plan very superior to that of working upon suckers, which carry with them into the graft all the diseases of the parent stock. * * *

"GARDEN SEEDS of the finest quality have been scattered over the country from these grounds, and may always be depended upon. The seed establishment of these Horticulturists is one of the most extensive in the Union, and its reputation is well sustained from year to year.

"To obviate the chance of mixture of the farina of the plants of the same family, they have established another nursery at a suitable distance, so that degeneration cannot take place, and which secures to the purchaser a 'genuine article.' Knowing thus the age, quality and process of culture of every plant, the wisper from their grounds is recommended with great confidence."

*** Since the date of the 'Report' from which the above is extracted, the entire establishment has been greatly enlarged. The collection of Camellias embraces all the finer kinds, and consists of some thousands of various sizes; so likewise with Roses, and other desirable plants, both tender and hardy; fruit trees, &c.

The Seed Gardens alone cover fifty acres, and the whole is, as it has been for more than half a century, under the successive management of father and son, the most prominent in America.

PORTER'S *City Daguerrian Gallery*, Philo Hall, Third st., Pittsburgh, Pa., and Franklin Buildings, Baltimore, Md.

Mr. Porter respectfully announces that he has at considerable expense fitted up apartments, and arranged light for Daguerreotyping purposes. His long experience in this art has enabled him to overcome many of the objections too common to pictures taken by this method.

Mr. Porter is aware that the impression has gone abroad (owing to the many failures to produce good pictures,) that clear and distinct Daguerreotypes cannot be made in Pittsburgh. His experiments, however, since he has opened his Gallery, fully warrant him in saying that as good pictures can be made here as elsewhere.

Ladies and gentlemen are invited to call and examine specimens.

Instructions given, and instruments and materials furnished upon reasonable terms.

All orders from country operators promptly attended to. nov25-tf

PITTSBURGH CHAIR AND CABINET WAREHOUSE.
No. 82, Third Street, Pittsburgh.

They would respectfully invite those who want to purchase anything in the furniture or chair line, to give them a call and examine their extensive stock now on hand, consisting of some of the most splendid Eastern and French patterns of Rosewood and Mahogany Furniture. Flattered by the very extensive patronage received in their business, they have, at considerable expense, made arrangements in New York, by which they will have the latest Eastern and French patterns forwarded monthly, thus giving the citizens of Pittsburgh an opportunity of patronizing home industry, and finding in their own city what they formerly would obtain only in the East. Having adopted the principle of small profits and quick sales, they will be able to sell at as low rates as any of the establishments in the Eastern Cities.

The Celebrated Italian Remedy
FOR THE CURE OF CHRONIC DISEASES.
MAZONI'S SICILIAN SYRUP OR TROPICAL HYGIENE.
Discovered by Dr. Mazoni of Italy in the year 1845, and introduced into the U. States early in 1846.

THIS invaluable medicine for the radical cure of *Chronic* diseases has spread throughout Europe with the most unequalled speed and triumphant success, effecting the most astonishing cures ever known or recorded in the annals of Medical History. Since its introduction into the United States it has equally sustained the high reputation it so justly received in the East, curing here as it has done there, the most inveterate and long standing diseases with which the human family are afflicted. The Physicians of Europe and America (as far as they have become acquainted with its mode of operation) together with the thousands who have been restored to health by its superior efficacy with one united voice proclaim it to be the most perfect remedial agent ever offered to suffering humanity. It is now an established fact *"that Consumption may be, can be, and has been cured by Dr. Mazoni's Sicilian Syrup or Tropical Hygiene."*

This is the only medicine that has ever been discovered that has achieved a cure where this disease had gained a settled and permanent hold upon the system. For the truth of the assertion, we have the certificates of some of the most eminent Physicians of Europe and America, expressly declaring that they have prescribed it in hundreds of instances where the patients were considered beyond all hope of recovery, and, to their astonishment, has effected the most speedy and perfect cures. No one who is unacquainted with its action can imagine the wonderful success that attends the administration of this medicine in every variety of chronic disease, particularly Consumption, Scrofula or kings evil, Asthma, Phthisic, Piles, (see cases reported in pamphlets and circulars) Cancers, Liver Complaints, Costiveness and Indigestion, Sore and Inflamed Throat, Bronchitis, Dropsies, Chronic Inflamation of the Kidneys, Gravel, Great Debility and Irritability of the nervous system, Spinal affections, Paralysis, Chronic Diarrhœa, Pain in the breast and side, Coughs, Colds, Chronic Rheumatism, Diseases of the Stomach and Bowels, inward weakness and falling down of the womb, and all the chronic diseases peculiar to females in their various relations in life. This medicine is prepared only by Dr. Mazoni himself, and is composed entirely of vegetable materials containing the extract of 42 of the most rare Tropical plants but few of which are known to the medical Profession generally.

It has so far surpassed every other medicine ever offered to the world in eradicating disease, that it has not
