Landreth's Warranted Garden Seeds,
DIRECT FROM PHILADELPHIA. Each paper bears the label and warranty of DAVID LANDRETH. For sale by F. L. SNOWDEN, No. 29 Water st., at the stand formerly occupied by Geo. A. Berry. Extract from the 'Report of the Visiting Committee of the Pennsylvania Horticultural Society,' unanimously adopted and ordered to be printed.
LANDRETH'S NURSERIES AND GARDENS.
"These extensive grounds are on Federal street near the Arsenal. * * * The earliest collection of Camellias was made here. Some of those now in possession of those distinguished nurserymen are ten feet high. * * * * The selection of GREEN-HOUSE PLANTS is valuable and extensive.
"The Nurseries are very correctly managed, supplying every part of the Union, a detail of which would occupy too much of our space, we therefore content ourselves with stating that the stock is very large, and in every stage of growth, consisting of FOREST AND ORNAMENTAL TREES, EVER-GREENS, SHRUBS, VINES AND CREEPERS, with a collection of herbaceous plants, fruit trees of the best kind and most healthy condition, large beds of seeding apples, pears, plums, &c., as stocks for budding and grafting; a plan very superior to that of working upon suckers, which carry with them into the graft all the diseases of the parent stock. * *
"GARDEN SEEDS of the finest quality have been scattered over the country from these grounds, and may always be depended upon. The seed establishment of those Horticulturists is one of the most extensive in the Union, and its reputation is well sustained from year to year.
"To obviate the chance of mixture of the farina of the plants of the same family, they have established another nursery at a suitable distance, so that degeneration cannot take place, and which secures to the purchaser a 'genuine article.' Knowing thus the age, quality and process of culture of every plant, the supply from their grounds is recommended with great confidence."
* Since the date of the 'Report' from which the above is extracted, the entire establishment has been greatly enlarged. The collection of Camellias embraces all the finer kinds, and consists of some thousands of various sizes; so likewise with Roses, and other desirable plants, both tender and hardy; fruit trees, &c.
The Seed Gardens alone cover fifty acres, and the whole is, as it has been for more than half a century, under the successive management of father and son, the most prominent in America.
☞ Orders received by F. L. SNOWDEN, from whom catalogues may be received gratis. mar9-y

A large Ware-Room is connected with the establishment, where is kept constantly on hand a large stock of ready-made IRON RAILINGS, ORNAMENTAL IRON SETTEES, IRON CHAIRS, new style plain and ornamental IRON GATES, with an extensive assortment of IRON POSTS, PEDESTALS, IRON ARBORS, &c. Also, in great variety, Wrought and Cast Iron ORNAMENTS, suitable for Railings, and other purposes.

Medical and Surgical Office.
Health is the charm of life, without it gold, Love, letters, friends, all, all, are unenjoyed.
DOCTOR BROWN, a regularly educated physician from the eastern cities, would respectfully announce, to the citizens of Pittsburgh, Allegheny and vicinity, that he can be consulted privately and confidentially, every day and evening at his office on Diamond Alley, a few doors from Wood street towards the market.
Dr. Brown gives his particular attention to the treatment and investigation of the following diseases:

Many new and valuable remedies have been lately introduced, which secures the patient being medicarialized out of existence. Strangers are surprised that Doctor Brown has been educated in every branch of medicine, and regularly admitted to practice, and that he now confines himself to the study and practice of this particular branch, together with all diseases of a private or delicate nature, incident to the human frame. No cure, no pay.

PORTER'S *City Daguerrian Gallery*, Philo Hall, Third st., Pittsburgh, Pa., and Franklin Buildings, Baltimore, Md.
Mr. Porter respectfully announces that he has at considerable expense fitted up apartments, and arranged light for Daguerreotyping purposes. His long experience in this art has enabled him to overcome many of the objections too common to pictures taken by this method.
Persons are aware that the impression has gone abroad (owing to the many failures to produce good pictures,) that clear and distinct Daguerreotypes cannot be made in Pittsburgh. His experiments, however, since he has opened his Gallery, fully warrant him in saying that as good pictures can be made here as elsewhere.
Ladies and gentlemen are invited to call and examine specimens.
