Among the names we find Capts. Wm. Patterson and James Patterson of Juniata county.

THE barn of Mr. Andrew Zeiders, of Greenwood township, was destroyed by fire on the evening of the 30th ult. Mr. Zeiders finished feeding his stock that evening about dusk, and went to the house and was sitting at the table taking supper, when the family discovered the fire breaking from the barn. Little was saved from the burning building. Last summer's crop of wheat was in the garner and of course burned. The building was insured in the Lycoming company.

TUESDAY morning of last week, shortly before daybreak, the dwelling house of John Hays, jr's farm, in Reedsville, occupied by John R. Hartman, was burnt to the ground, the family barely escaping with their lives, saving almost nothing of furniture and very little clothing, but Mr. Hays, we are informed, had an insurance on the building. The fire, it is supposed, originated from a box of wood-ashes, which had been set in a shed adjoining house.—*Lewistown Democrat.*

SHERIFF'S SALES.—The following property was sold at Sheriff's sale, at the Court House, in Mifflintown, on Friday last:

A tract of land in Susquehanna township, 37 acres, more or less, log house, log stable, frame carpenter's shop, and saw mill. Sold as the property of Jacob Dimm. Bought by William Cox. Price $100.

LAST Thursday afternoon Mr. Elias Horning, of Fermanagh township, was driving his team of four horses from town. They frightened—at a couple of dogs fighting in the road opposite the second lock above town—and ran away. All ran smoothly at the high pressure rate of going till the top of the hill was reached, opposite Mr Wilson's house then the tongue horses fell, and Mr. Horning among them. Fortunately the lead horses at this critical time broke away and ran down the hill. Mr. Noah Elder who was coming down the road, caught them before they had run far, and then hastened to the relief of Mr Horning, whom he expected to find a badly hurt if not a dead man—for he had seen him fall with the horses. Mr. Horning was not much hurt, and neither his horses or wagon sustained any severe damage.

YESTERDAY morning, about four o'clock, we were aroused by an alarm of fire, which proved to be at Glamorgan Furnace. When we reached it all hope of saving the burning buildings was abandonded The stockhouse in the rear, covering the engines, hot blasts and other machinery is entirely destroyed, as well as the structure at the tunnel head, whence the cars conveying fuel and stock are carried to feed the stack. There are contradictory accounts as to the orgin of the fire, the most probable of which would seem to be that a sudden sinking of the fuel and stock in the head of the stack forced out a huge volume of flame from which the building adjoining the stack ignited, and before water could be had or other measures employed to arrest it, progressed so far as to fire the stock house. The Henderson, with their apparatus, was as promptly on hand as it was possible at that early hour, but were unable to render much service in rescuing the buildings on account of the freezing of the water plugs How far the engines and other apparatus and machinery is injured, what delay may be caused in resuming operations, or what extent the loss is covered by insurance, we are unable to ascertain. We sent over yesterday morning to obtain as full information as possible, but those in charge were reticent about supplying it.—*Lewistown Sentinel.*

MANY people, particularly children, suffer with the ear-ache; and for the benefit of such we give a sure but simple remedy. Put in two or three drops of *Johnson's Anodyne Liniment*, stop the ear with undressed wool, bathe the feet in warm water before going to bed, and keep the head warm at night.

THE residence of C. B. Bartley, at Cuba Mills, Fermanagh township, was destroyed by fire, this morning about 3 o'clock; insured in the Lycoming.
