CLOTHING! CLOTHING!! CLOTHING!!!

The Three Big Doors vs. The Western World!!!

150,000 WELL SELECTED GARMENTS

NOW made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this Establishment has completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low prices at which they will be sold for, must certainly render the well-specified Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this popular establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the among said, I can afford to sell at much less profit than others can profitably think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year, coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

$1000 REWARD

IS offered to any person who will produce one fourth the amount of real certificates of positive cures in cases of CONSUMPTION or DISEASED *Lungs* as DR. ROGERS' LIVERWORT and TAR has made in this city or any other place where it has been introduced. Although it has not been puffed in the city papers in EDITORIAL FORM by the PROPRIETOR for the SOLE purpose of GAIN, (as most medicines are without regard to their worth) yet the demand has been enormous. In the city of Dayton alone, where this medicine has not been advertised to the amount of ten dollars, we received an order from Messrs. Ellis, Claffin & Co. to the amount of one THOUSAND BOTTLES. And this too, in the summer season, when there is comparatively little or no demand for medicine of the character.

☞ This medicine still *performs* CURES that *seem* almost *incredible*, but as they are here, and are our own neighbors whose testimony can be had from their own mouths, it must convince the most sceptical of the worth of this medicine.

Another REMARKABLE cure of CONSUMPTION. Mr. Gabriel Whitehead, of this city, was reduced so low that ALL HIS FRIENDS, and even his PHYSICIANS had given him up to DIE!!!

MR. A. L. SCOVILL.—As I owe my life to the use of DR. ROGER'S LIVERWORT and TAR, I feel it a duty, and shall without fear or delicacy give my testimony as evidence that others who may be afflicted with CONSUMPTION or ulcerated Lungs may know that this medicine is NO HUMBUG, but is worth ten thousand physicians' prescriptions for the disease for which it is recommended.

Last summer I was taken with a most DISTRESSING COUGH, and about the first of July my Lungs were so diseased that I bled in a short time several quarts of blood, which reduced me so low that all my friends, and even my physicians thought I must soon DIE with CONSUMPTION. My brother, however, heard of some of the *wonderful cures* made by this medicine, and procured a bottle, and before I had taken one half bottle, it seemed to go to the *very seat of the disease* and raised a LARGE QUANTITY of MATTER and PHLEGM, and my COUGH was *stopped by a charm*. I have since used some dozens of these bottles, and am now able to attend to my business as well as ever.

I feel very thankful to the inventor of this medicine, for if it had not been for some all powerful medicine to have raised the matter and phlegm, and healed my lungs, I should without doubt have now been in my grave.

If any one will call on me on Catharine street, half a square below Lunn, I will give them the particulars and refer them to numerous friends who visited me during my sickness.

Attest, GABRIEL WHITEHEAD.
Allegheny, Jan. 13th, 1847.

STATEMENT OF DR. HIRAM COX.

Late PROFESSOR in the Cincinnati EKLECTIC MEDICAL COLLEGE, and a physician well known, who has an extensive practice, in relation to the case of Miss Bell, after having been given up to DIE with the last stage of CONSUMPTION, by a number of able PHYSICIANS.

MR. A. L. SCOVILL:—However reluctant I have been to permit my name to appear attached to a certificate recommending *Patent Medicines, Nostrums or Quackeries*, I nevertheless think it my duty, not only to my patrons, but to the community, and afflicted with diseases requiring Cough Medicines to give my testimony in favor of the Great Pulmonary Balsam of Dr. Rogers' LIVERWORT AND TAR, in the case of Miss Bell, who resides in this city, and daughter of Mr. John Carr of this city, a Mate on the Steamboat Ben Bolt, and Mrs. Wonder, brother, and Mr. R. K. Cox, son of our City Council, that Dr. Rogers' Compound Syrup of Liverwort and Tar operated more LIKE A SPECIFIC, than any remedy of a similar character in reputation that I have ever used in my practice. In the cases above, viz: Miss Bell, appeared in no hopeless condition, for the *last stage of Scarifulous Consumption*, as pronounced by several PHYSICIANS who were in attendance previous to my first visit, and treat the case. She is at this present time in the enjoyment of as apparently good health, and from appearance, not likely to die with any other disease, as any other young lady of this city. As for testimony of the health of the other two cases, all the threatening premonitory symptoms seem to have subsided from the use of a few *bottles* of the *Syrup above*.

Very respectfully, &c.

The Most Astounding Discovery.

A BLESSING! A MIRACLE!! A WONDER!!! *To cure Eruptions and Disfigurements of the Skin, Pimples, Freckles, Sunburn, Salt Rheum, Scurvy, Sore Heads, &c. &c.*

FOUR years ago last August, the capital of France was astonished in consequence of a discovery made by an Italian Chemist. Many doubted—it seemed almost an impossibility that any thing made by the hands of man, could have such singular powers as that claimed by ANNETTA VESPRINI for his invention. Many classed him and his invention as a humbug, (and, alas! many foolish persons without trying, do the same now;) at length, after testing it in the hospitals, the Medical Society of Paris, (the best chemists in the world) delivered the following report to Signor Vesprini:

"We have now minutely and carefully examined the singular invention of Vesprini. We have analyzed its component parts—we have used it in several cases, and we hesitate not to pronounce it (The Italian Chemical Soap) as a great blessing, and a truly wonderful remedy for any cutaneous eruption or disfigurement of the skin. Its inventor we consider the true philanthropist of suffering mankind.

(Signed) LEOPOLD DUPREY, Pres."

Then comes the report of the "Societ de l'Institute," of scientific experiments:

"We are astounded," exclaims the aged president, "at this singular preparation—Vesprini's Italian Chemical Soap! Where, indeed, will science stop! Here we have a preparation made in the form of a beautiful piece of soap, which we know by actual practice, to cure every cutaneous eruption, every disfigurement of, and even discolored skin! Where will its magic and singular power cease? The Negro, the Creole, the Yellow Race of the East, and the Red Man of the Far West, are alike under the influence of its extraordinary powers of clearing yellow or discolored skin, and make it white and beautiful, and of changing the color of dark, or black, or brown skin." (Here several persons were brought forward by the president, who had used it, in proof of his assertions.)

READ THIS!

FROM THE INVENTOR HIMSELF TO THE PRESENT PROPRIETOR.

Paris, Nov 4, 1840.

In consideration of the sum of $3600, I have divulged to MR. T. JONES, residing in the City of New York, N. A., the whole process of manufacturing, together with a statement of the ingredients composing my Italian Chemical Soap. He is to manufacture it for sale in the United States only, and to have the privilege of naming it "*Jones's Italian Chemical Soap.*"

Witness, Henry J. Holdsworth.
(Signed) ANTONIO VESPRINI.

There are probably few persons of intelligence, who, after reading the above, will doubt the qualities of *Jonds's Italian Chemical Soap*, in curing Eruptions, Disfigurements, Freckles, Salt Rheum, Scurvy, Erisypelas, Sun-burn, Morphew, Tan, Yellow or Brown Skin, &c. Should there be such persons, perhaps the following recommendations, as well as hundreds from others, may convince them.

DR. CHRISTIE'S GALVANIC RINGS AND MAGNETIC FLUID.

THIS remarkable invention, which has received the universal approbation of the medical profession of Great Britain, comprises an entirely new application of Galvanism, as a remedial agent, by means of which the ordinary Galvanic Batteries, Electric and Magnetic Machines, &c., are entirely dispensed with, and the mysterious power of Galvanism applied without any of the objections which are inseparable from the general mode now in use. The strong doses, and irregular intervals, in which Galvanism is applied by the Machines, has been pronounced, after a fair and impartial trial, to be *decidedly injurious*, and it was to remedy this radical defect that this new application was projected, which, after unceasing toil, and perseverance, has been brought to its present state of perfection. The *Galvanic Rings* answer all the purposes of the most expensive Machines, and in many other respects are more *safe* and *certain* in accomplishing the desired effects.

The *Galvanic Rings* used in connection with the *Magnetic Fluid*, are confidently recommended in *all disorders which arise from an enfeebled and unhealthy state of the nervous or vital system*, and these complaints are among the most painful and universal to which we are subject. They arise, without exception, from one simple cause—a derangement of the Nervous System—and it was in these cases that other 'remedies' having so often failed, a new agent was greatly needed, which it is confidently believed, has been found in the proper and judicious application of Galvanism.

The Galvanic Rings have been used with entire success in cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs, *Gout, Tic-Doloreux, Toothache, Bronchitis, Vertigo, Nervous Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitations of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Diseases of the Head, pain in the Chest and Side, General Debility, Deficiency of Nervous and Physical Energy, and all* NERVOUS DISORDERS. In cases of confirmed Dyspepsia, which is simply a nervous derangement of the digestive organs, they have been found equally successful. Their extraordinary effects upon the system must be witnessed to be believed, and as a certain preventive for the succeeding complaints they are equally recommended. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience. In fact, the sensation is rather agreeable than otherwise.

The Galvanic Bells, Bracelets, Bands, Garters, Necklaces, &c.

In some cases of a very severe character, and of long standing, the power as applied by the Galvanic Rings is not sufficient to arrest the progress of disease and ultimately restore health. The improved modification in the Galvanic Bells, Bracelets, &c., entirely remedies this objection; any degree of power that is required can readily be obtained, and no complaint which the mysterious agent of Galvanism can effect will fail to be permanently relieved. These articles are adapted to the waists, arms, wrists, limbs, ancles, or any part of the body, with perfect convenience. The Galvanic Necklaces are used with greater benefit in cases of Bronchitis or affections of the throat generally; also in cases of Nervous Deafness; and with almost uniform success as a preventive for Apoplexy, Epileptic Fits, and similar complaints.

Christie's Magnetic Fluid

is used in connection with the Galvanic Rings and all their modifications. This composition has been pronounced by the French Chemists to be one of the most extraordinary discoveries of modern science. It is believed to possess the remarkable power of *rendering the nerves sensitive to galvanic action*, by the means causing a concentration of the influence at the seat of disease, thus giving rapid and permanent relief. The composition in chemistry is known to produce the same effect, or to impart a similar property to the nervous system, by means of an outward application. The Magnetic Fluid contains nothing that can cause the slightest injury; its application is agreeable, and it is as harmless in its action as it is powerful in its results. Full explanations and directions accompany it. The combined inventions are in every perfectly harmless; they are sold at prices within the reach of all and the discoverer only requests a fair trial as a test of their surprising efficacy and permanent benefit.

Christie's Galvanic Strengthening Plasters.

These articles form another valuable application of the mysterious influence of Galvanism. They are an important adjunct to the genuine Galvanic Rings and their modifications, acting upon the same principles, and having the advantage of more local application. They are confidently recommended as a valuable addition in the speedy cure of Rheumatism, acute or chronic in all nervous complaints, and as a positive remedy in cases of *Pain and Weakness in the Chest or Back, Pain in the Side, in Asmatic Affections, and in Weakness or Oppression of the Pulmonary Organs.* In Spinal Complaints their effects are of the most decided character, and they have often been followed with complete success. They are also of the greatest advantage in Pains and Weakness of the Breast, and are highly recommended for many of the complaints to which females are especially liable. As an efficacious means for strengthening the system when debilitated with disease or other causes; as a certain and in Constitutional Weakness, as a Preventive of Colds, and in all affections of the Chest, we believe the Galvanic Strengthening Plaster will be found of great and permanent advantage. In a few words; it embraces all the virtues of the best hygienic preparation, with the important addition of the galvanic influence, which is neither impaired nor exhausted, while the action continues. These articles will be found entirely free from those objections which are a constant source of complaint with the ordinary plasters in common use.

CERTIFICATES AND TESTIMONIALS,

Of the highest and most respectable character, are constantly received, regarding the extraordinary value and success of the above articles. It is believed that in the city of New York alone, upwards of EIGHT THOUSAND PERSONS during a period of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have indeed many of the first physicians of this city, who disapprove of the Galvanic and Magnetic Machine, constantly recommend this application in their practice, and with the exception of those who are too prejudiced to give it a trial, the invention has received unanimous favor with the most intelligent among the American Faculty. Dr. Christie is at all times ready and most happy to give every facility to physicians, and all interested, for testing the truth of his assertions and the efficacy of his discovery.
