GREAT ITALIAN REMEDY.

PHILADELPHIA, April 26, 1846.

Being afflicted for some 8 years with that most distressing disease, the asthma, and for the last 3 years much of the time confined to my room, and at several different times my life was despaired of; I concluded to obtain some of Mazoni's Sicilian Syrup, which was recommended to me by a friend from New York, who stated that it had cured some of the most inveterate cases known to the medical profession. Suffice it to say, that, after using the above medicine for about 4 weeks, I was entirely relieved, and I believe radically cured. Yours with respect,
OLIVER W. OWEN,
No 175 Bertram st., Philad'a.

Hays & Brockway, Wholesale and Retail Agents; see advertisement. feb22

In cases of dyspepsia, which is simply a nervous derangement of the digestive organs—they have been found equally successful.

These applications are in the form of Rings and Magnetic Fluid, Bands, Bracelets, Belts, &c.

☞ WHOOPING COUGH.—Messrs Editors—I observed some time ago a communication over the signature for "A Parent," stating that Dr. Jayne's excellent Expectorant had been the means of saving the lives of three of his children, who were suffering severely with whooping cough; and having, but a short time before, lost one of my children by that dreadful complaint, and having another, and my only child, suffering the greatest agony with the same disease, and in hourly expectation of its death, I was induced to purchase a bottle of it, and commenced using it according to the directions—and to the surprise of all it began to mend in fifteen minutes after we commenced using it, and the child has now completely recovered.

I have no acquaintance with Dr. Jayne, but I hereby return him a husband's and a father's grateful acknowledgments.
J. L. SIMPKINS.

Philadelphia, April 20d, 1846.

Jayne's Hair Tonic.—We commend to the attention of those desirous of restoring their hair or improving its beauty, to this elegant preparation. We hear it every where highly spoken of, and especially by all who have made use of it, as greatly efficacious in stimulating the growth of the hair, and preventing and curing many affections of the skin. Its virtues are amply and sufficiently proved.—*N. Y. Sun.*

No Cure, No Pay.

Dr. Jackson's Pile Embrocation Never Fails!

THERE are few diseases more common or troublesome than the Piles, and yet, notwithstanding, great efforts have been made to cure by the use of pills, electuaries, liniments, &c., all were futile and of little benefit. Now the Embrocation is the only medicine used. A person who has been suffering with the Piles of the worst kind came from Salem, New Jersey, almost on purpose to express his gratitude for the speedy cure that this medicine had effected in his case.—[Phila. Sat. Post.

From the Philadelphia Ledger.

READ THIS!—Last week, we understand, was a great week for the sale of Dr. Jackson's Pile Embrocation. Such is its reputation, that travellers from all sections of the country, where the medicine is not for sale, on arriving at this city, either send themselves or have a dozen from their friends. Probably no medicine ever offered to the public has effected so many cures, and sold so rapidly as this Embrocation.

A CURE FOR DEAFNESS.

Read the following from the Philadelphia Public Ledger:

HAVE YOU EVER TRIED IT?—If not, do not delay another day, but send immediately; if you have been one of the wise and prudent, and already bought bottle, the question is settled: you have recovered your hearing. Scarpa's Oil for deafness never fails. It is the only medicine that will cure. Thousands of deaf persons will give their testimony in its favor. The beauty of the thing is, that it cures you without producing any pain.
