WISTAR'S BALSAM OF WILD CHERRY!
THE GREAT REMEDY FOR DISEASES OF
THE LUNGS AND BREAST!
TESTIMONIALS:

TO THE PUBLIC.—In accordance with the prevailing custom, and in order to show the virtues of this medicine more fully, the following certificates have been selected; and as it is not our wish to trifle with the lives, or health of those afflicted, we pledge ourselves to make no assertions, or "FALSE STATEMENTS" of the efficacy nor will we hold any hope to suffering humanity which facts will not warrant. THE PROOFS ARE HERE GIVEN—and we solicit an inquiry from the public into every case we publish, and feel assured they will find it a medicine well deserving their patronage and confidence.

Of all the cures that have yet been recorded, there are none equal to those mentioned below, which plainly shows the curability of Consumption, even in some of its worst forms!!!!

THE CURES PERFORMED BY WISTAR'S BALSAM OF WILD CHERRY, ARE ASTONISHING THE WORLD.

BOSTON, Sept. 10, 1845.
TO THE SICK AND AFFLICTED.

Dear Sir:—I take pleasure in communicating through you, to all whom it may concern, and the public generally, the astonishing effect your truly wonderful medicine has had upon me. I have not enjoyed perfect health for four or five years. Physicians told me my liver was diseased,—and that I might some day, die with Consumption. Last September, 1841, I took a slight cold, which produced a hacking cough; this continued until February, 1845, when I added another cold; my cough increased, I was lost my appetite, and my strength failed; for six weeks I could not speak a loud word for two weeks. Without these bad symptoms, I had very severe pains in my side, and between my shoulders. General debility followed. I became so low, that I expected every day to die. I was urged to try many about eight weeks. I had buried a sister and brother, both died with Consumption. I expected to die myself; my friends also despaired of my life. At this time, an uncle, who had been interested himself, advised me to take Dr Wistar's Balsam of Wild Cherry. I accordingly procured a bottle, took it, and felt some better; obtained another, and a third; then I ceased to *bleed*, and my cough was better; but my disease was so deeply rooted, I was obliged to continue taking the Balsam, until I had taken seven bottles. I can honestly and truly say, I believe Dr Wistar's Balsam of Wild Cherry saved my life.

MRS. MARY B. GOULD.

We are personally acquainted with Mrs Gould,—assisted in taking care of her during her sickness,—believe the statement to be true.

ANOTHER VOICE FROM MAINE.

WOODBOROUGH, Me. July 30 1845

Dear Sir.—Having experienced great benefit from your invaluable medicine, I feel it my duty and pleasure to let the world know what it has done for me. I possessed of a strong constitution naturally. I had enjoyed perfect health previous to the spring of 1843, when I was troubled with a difficulty in my left side, attended with considerable pain. Sometimes it would was violently attacked with a cough, which continued until February then I was confined to the house eight months, during which time my cough was very severe. I frequently had spells of coughing which lasted two hours,—fairly raised large quantities of thick greenish matter accompanied with blood, sometimes I raised a quart of blood at a time. I consulted three physicians, all of whom done their best to rescue me,—gave me up,—and they could do no more for me.—I must die,—it was impossible for me to live for a short time—one of them said my lungs were gone. At this critical moment, when even my friends gave me but a few days, a friend of mine prevailed on me to try one bottle of Wistar's Balsam of Wild Cherry; when I had taken one bottle, those severe spells of coughing were removed. I continued taking the Balsam, until I had taken six bottles, when I ceased to bleed at the lungs, my health and strength improved so that I left the house, but was not able to work for a year. Now my health is good, I am able to do a day's work every day on my farm.

COUNTERFEITS.

☞ *Those who Counterfeit* a good medicine for the purpose of adding a few dollars to their pockets, are far worse than the manufacturers of spurious coin.

For while the latter only robs one of our property, the former takes property and life away.—Dr. WISTAR'S *Balsam of Wild Cherry* is admitted by thousands of disinterested witnesses, to have effected the most extraordinary cures in cases of a pulmonary and asthmatic character ever before recorded in the history of medicine.

The young, and beautiful, the good, all speak forth its praise. It is now the favorite medicine in the most intelligent families of our country.

Such a high stand in public estimation has been achieved by its own merits alone. And so long as a discerning public are careful to get *Wistar's Balsam of Wild Cherry*, and refuse with scorn counterfeits, and every other article preferred to them as a substitute, so long will *cures—positive cures*—cheer the fireside of a depaining family.

☞ The true and genuine "Wistar's Balsam of Wild Cherry" is sold at established agencies in all parts of the United States.

Phœnix Safes and Vaults.
THE undersigned invite attention to the following certificate:

CERTIFICATE.

The undersigned having been requested by Messrs. Constable & Strickler, to be present and superintend a test, by fire, of one of their recently invented Phœnix Fire Proof safes, and deeming the subject one of very great public importance, have carefully scrutinized the progress of a test, to which one of said chests was subjected. The chest was supported at each corner, at an elevation of 10 to 12 inches from the ground, and fire was made over and around and kept actively burning 5½ consecutive hours. The fuel consumed was about 80 bushels of coal, and one cord of wood; the heat all the while be and feel assured they will find it a medicine well deserving their patronage and confidence.
