The news by the *Sarah Sands* has given an impetus to the Flour trade. Dealers put it up to $4,25 on Saturday. Some asked more but we believe no sales were made at a higher figure than $4,31.

Correspondence of the Morning Post.

LETTER XXVII.

HARRISBURGH, FEBRUARY 10th, 1847.

Mr. Klingensmith read in place a bill to prohibit the sale of intoxicating liquors in Armstrong county.

The act legalizing divorces granted by the Courts passed on third reading.

The supplement to the act incorporating the Farmers' Deposite Bank of Pittsburgh passed through first and second readings. The whigs endeavor in all their corporation bills to dispose as much as possible with the individual liability clause. Openly they profess that no chartered monopolies should be erected without having that clause inserted. This they do because the people have required that they should be secured in case of their insolvency. To test how much the whigs had at heart this great principle of liability, Mr. Kline offered an amendment to the above bill; that in case the Bank at any time refuse to redeem their notes in gold and silver, then the individual so tendering, shall have his recourse against the Managers and Directors collectively, or singly, for the full amount, together with the costs of suit. A person would have supposed that this would not be objected to, but it was instantly voted down, by these friends of monopolies, and enemies to individual rights.

The Appropriation Bill passed through the Committee of the Whole. For the expenses of the Legislature the sum of $70,000 is appropriated. For the Public Printing, $20,000. For repairs and improvements on Canal and Railroads, for the present year $208,525. For rebuilding and repairing bridges on Canals and Railroads, $50,000. Ordinary expenses after the first of December next, $50,000. For the payment of damages awarded by the late Board of Appraisers and Canal Commissioners under general and special laws, $25,000. For support of Common Schools, $200,000. For pensions and gratuities, $35,000. House of Refuge, $1,000. Pennsylvania Institute, for the instruction of the Blind, $0,000. For instruction of indigent pupils in the Pennsylvania Institute for the Deaf and Dumb, $11,000. For the Eastern Penitentiary, $8,000. For the Western Penitentiary, $6,000. These are some of the principal appropriations in the bill.

There was but little done in the Senate. The Committee on Finance reported adversely to the bill providing for the expenses of the Volunteers.

The act providing for the election of Prosecuting Attorneys passed through first and second readings. It will become a law this session.—The election takes place on the second Tuesday of every third year.

JAYNE'S TONIC VERMIFUGE.—Some medicines warranted to "destroy worms in children," are very well calculated to destroy the children too. This is not the case with *Jayne's Tonic Vermifuge.* It does not contain a single ingredient which can harm the most delicate infant; and yet it expels worms from the system with a facility and certainty perfectly astonishing. Nor is this its only sanative property; it is a fine Stomachic, and in remittent and intermittent fevers has been administered with the most gratifying results. Obstinate cases of Piles have yielded to its influence, and its tonic qualities render it an excellent medicine in the convalescent stage of all diseases. It is exceedingly pleasant to the taste.

Prepared only by Dr. D. JAYNE, No. 8 South THIRD Street, Philadelphia.

ANOTHER IMPORTANT CURE.—Miss Marianna Beader, a highly respectable lady from Harrisburgh, called to-day at our office for the purpose, she said, to express in this public manner, her heartfelt gratitude to Dr. JAYNE, No. 8, South Third street, for the unparalleled benefits she had received from the use of his ALTERATIVE. She stated that she had suffered for several years with SCROFULA and had had the attendance of five physicians at different times, all of whom finally told her that they considered her disease incurable. She therefore determined to try the efficacy of DR. JAYNE'S ALTERATIVE, from which she found almost immediate relief, so that by the time she had taken thirteen bottles, she was perfectly cured, and now enjoys better health than she has for several years before.
