WISTAR'S BALSAM OF WILD CHERRY!
THE GREAT REMEDY FOR DISEASES OF
THE LUNGS AND BREAST!

TESTIMONIALS:

TO THE PUBLIC.—In accordance with the prevailing custom, and in order to show the virtues of this medicine more fully, the following certificates have been selected; and as it is not our wish to trifle with the lives, or health of those afflicted, we pledge ourselves to make no assertions, or "FALSE STATEMENTS" of the efficacy nor will we hold any hope to suffering humanity which facts will not warrant. THE PROOFS ARE HERE GIVEN—and we solicit an inquiry from the public into every case we publish, and feel assured they will find it a medicine well deserving their patronage and confidence.

☞ *REMARKABLE CURES.* ☜
Of all the cures that have yet been recorded, there are none equal to those mentioned below, which plainly shows the curability of Consumption, even in some of its worst forms!!!!

Mrs. GOULD, or another proof added!!

THE CURES PERFORMED BY WISTAR'S BALSAM OF WILD CHERRY, ARE ASTONISHING THE WORLD.

BOSTON, Sept. 10, 1845.
TO THE SICK AND AFFLICTED.

Dear Sir:—I take pleasure in communicating through you, to all whom it may concern, and the public generality, the astonishing effect your truly wonderful medicine has had upon me. I have not enjoyed perfect health for four or five years. Physicians told me my liver was diseased,—and that I might some day, die with Consumption. Last September, 1841, I took a slight cold, which produced a hacking cough; this continued until February, 1845, when I added another cold; my cough increased, I soon lost my appetite, and my strength failed; for six weeks I could not lie upon one side; I sweat very much at nights, raised considerable blood during the winter and could not speak a loud word for two weeks. With all these bad symptoms, I had very severe pains in my side, and between my shoulders; general debility followed. I was confined to my room about eight weeks. I had buried a sister and brother, both died with Consumption. I expected to *die* myself; my friends also *expected my life.* At this time, an uncle, who had been benefited himself, advised me to take Dr Wistar's Balsam of Wild Cherry. I accordingly procured a bottle, took it, and felt some better; obtained another, and a third; then I ceased to *bleed*, and my cough was better; but my disease was so deeply rooted, I was obliged to continue taking the Balsam, until I had taken seven bottles. I can honestly and truly say, I believe Dr. Wistar's Balsam of Wild Cherry saved my life. MRS. MARY B. GOULD.

We are personally acquainted with Mrs Gould,—assisted in taking care of her during her sickness—believe, and know the statement to be true.

ANOTHER VOICE FROM MAINE.
Wesmoreland, Me. July 29 1845
Dear Sir,—Having experienced great benefit from your invaluable medicine, I feel it my duty and pleasure to let the world know what it has done for me. Possessed of a strong constitution naturally, I had enjoyed perfect health previous to the spring of 1843 when I was troubled with a difficulty in my left side, attended with considerable pain. Sometime in July, I was violently attacked with a cough, which continued until fall; then I was confined to the house eight months during which time my cough was very severe. I frequently had spells of coughing which lasted two minutes, and raised large quantities of agreeable matter, accompanied with blood; sometimes I coughed up pure blood at a time. I consulted three physicians, all of whom done their best to restore me, gave me up, and they could do no more for me. I was at last, in a state, when common physicians had abandoned me; some of them said my lungs were gone. At this critical moment, when common physicians had abandoned me, a friend urged me to try Wistar's Balsam of Wild Cherry; when I had taken one and a half bottles, those severe spells of coughing were greatly eased. I continued taking the Balsam; since July 4, 1844, when I ceased to bleed at the lungs, my health and strength improved so that I have the house, but was not able to work for a year. Now my health is good, I am able to do a day's work every day in the year.
JAMES COMLEY.

COUNTERFEITS.

☞ *Those who Counterfeit* a good medicine for the purpose of adding a few dollars to their pockets are far worse than the manufacturers of spurious coin.

For while the latter only robs us of our property the former take property and health and life away.—Dr. WISTAR'S *Balsam of Wild Cherry* is admitted by thousands of disinterested witnesses, to be the best of the most extraordinary cures in cases of a pulmonary and asthmatic character ever before recorded in the history of medicine.

The young, and beautiful, the good, all speak forth its praise. It is now the favorite medicine in the most intelligent families of our country.

Such a high stand in public estimation has been achieved by its own merits alone. And so long as a discerning public are careful to get *Wistar's Balsam of Wild Cherry*, and refuse with scorn counterfeits, and every other article proffered to them as a substitute, so long will *success, positive cures*—cheer the fireside of a departing family.

☞ The true and genuine "Wister's Balsam of Wild Cherry" is sold at established agencies in all parts of the United States.

WISTAR'S BALSAM OF WILD CHERRY, that not only relieves but cures!

☞ Price $1 per bottle, or six bottles for $5.
For sale at Cincinnati only by
SANDFORD & PARK.

☞ Sold in Pittsburgh by

THE undersigned invite attention to the following certificates:

CERTIFICATE.
The undersigned having been requested by Messrs. Cornelius & Sons, to examine their safes, and to make a test by fire, of one of their recently invented Patent Fire Proof safes, and deeming the experiment of very great public importance, have accordingly attended the proof, on a strong fire, for two hours and three quarters, when the safe was taken out and cooled, and on opening it, the books, papers, and every thing in it, were found in good order, and in a state of preservation, which we consider very creditable to the inventors, and we do not hesitate to recommend the Phœnix Safe as perfectly to answer the purpose for which it is intended.
Pittsburgh, Feb. 12, 1844.
We, the undersigned, have this day witnessed a test by fire, of one of Cornelius & Sons' Patent Fire Proof safes, and deeming the experiment of very great public importance, have accordingly attended the proof, on a strong fire, for two hours and three quarters, when the safe was taken out and cooled, and on opening it, the books, papers, and every thing in it, were found in good order, and in a state of preservation, which we consider very creditable to the inventors, and we do not hesitate to recommend the Phœnix Safe as perfectly to answer the purpose for which it is intended.
