Daily Review of the Markets.

OFFICE OF THE POST,
MONDAY MORNING, *March* 6, 1848.

Saturday was a pretty day—and rather pleasant. Business generally was dull.

Flour—There was no particular change since the previous day, except the upward tendency became more obvious. There was one sale at wharf reported to us at $4 40; sale from wagon at same figures. Very little arrived. Sales from store varied from $4 50 @ $4 62. We hear of sales by dray load at both these rates. By single bbl., we saw one sale of extra brand at $5 00 on Friday—and on Saturday, another was made; but this is too high for the market. Good Family Flour, by single bbl., is worth $4 75.

Bacon—Sale of city cured, hog round, at 4¼. Not much doing.

Shorts—Sales from store at 25c.

Oats—Sales from first hands at 23@25c; from store at 28c.

Ashes—Sale of Pots at 4¾; Pearls and Scorchings are worth 7@7¼; Soda Ash 4@4¼.

Cotton—Sales Tennessee at 7@7¼.

Pea Nuts—Sales 10 sacks at $1 00 ⅌ bushel.

Dry Hides—Sales of 2200, from first hands, at 9c.

Seeds—Taken from wagon on Friday at $3 25; re-sold from store at $3 50. No transactions on Saturday.

Sugar—Sales at 5@5¾, in hhds.

Molasses—Sales quick at 28c, at which figure the market is firm.

Dried Peaches—Sale of 50 bushels from store at $1 50.

Louisville Lime—Sale at $1 62.

Beans—Sale 21 of bbls. small white at 85c.

☞ The notes of suspended free banks of this State are improving: such as are secured by New York state stocks we are buying at 6@10 per cent. discount. They will very soon resume, or the Controller will sell their securities, which will pay 97 to 98 cents on the dollar. We cannot speak as encouragingly, however, of the Atlas and James' banks, the notes of which are secured partly by mortgages and Michigan stocks. The Susquehanna County Bank has redeemed every dollar which has been offered at its counter; we therefore quote it as formerly, 2 per cent. discount.—*Thompson's Reporter, March* 1.

NEW YORK CANAL.—The amount of tolls received on all the canals of the State, during the season of navigation in 1847, was $3,635,380, an increase of $879,273 over 1846. The whole number of boats moving on the Erie canal the past year, was about 4,000,—1,514 new boats having been registered during that period. The number of tons of cargo that arrived at tide water from the Erie canal in 1841, was 532,520; in 1844, 799,816; and in 1847, 1,431,252.—*Journal of Commerce.*

EXPORTS FROM BOSTON.—The total value of exports from Boston since the commencement of the year, (fifty-seven days) has been $1,900,000 of which $748,000 in domestic articles, $224,000 in foreign, and $228,000 in specie.—*Boston Trav., Feb.* 28.

EXTRACT FROM THE MINUTES OF THE FIREMEN'S ASSOCIATION OF THE CITY OF PITTSBURGH:

To the President and Members of the Firemen's Association of the City of Pittsburgh:

GENTLEMEN:—The Committee appointed for the purpose of soliciting donations from the several Insurance Companies having offices in this city, respectfully report—

That soon after their appointment they addressed written communications to the different Agents, and have received the following donations:

From the Franklin Insurance Co., Phila., W. Martin, Agent	$100.00
From Delaware Mutual Safety Insurance Co., Phil., John Finney, Agent	100.00
From Pittsburgh Fire and Marine Insurance Co., Pittsburgh, Robert Finney, Agent	100.00
From Spring Garden Insurance Co., Phila., J. W. Burbridge, Agent	25.00
Total	$325.00

The above would have been much larger, but that the different Agents have been making contributions to the several Engine and Hose Companies in the two cities. Your Committee regret to report that some of the Foreign Corporations who have agencies in this city, have refused to assist the Department, while they are making large profits from the exertions of its members. Your Committee would respectfully recommend our citizens to patronize those Companies who are willing to aid in sustaining the Fire Department.

All of which is respectfully submitted.

EDWARD GREGG, Ch'n Com.

Resolved, That this Association recommend our fellow citizens to patronize the above Insurance Companies, who have so liberally contributed to the support of the Fire Department.

Resolved, That the above Insurance Companies be requested to place badges upon the houses insured by them, in order that the Firemen may have their property designated from Agencies insuring in the city and vicinity.

A. P. ASHUTZ, Sec'y. E. S. NEAL, Pres't.

THE RIVERS are very low, with about four feet water in the channel. Large boats have gone out without much freight; and others failed in getting up. The Monongahela wharf looked fair yesterday; only eleven steamers, old and new, were moored—there were times when there were upwards of sixty. The Allegheny is running with ice. At the wharf, the Packets are lying up, awaiting a change of weather. Freights for the upper trade are plenty.

There will be a rise before many days. The sun shone out beautifully yesterday, which indicated a thaw. The snow on the mountains will swell our rivers flood high.

But few boats will be going out for some days. The Brownsville, Beaver, Wellsville and Wheeling Packets will run as usual. The Cincinnati Packets are stopped

☞ FOR CINCINNATI.—The regular Packet will leave at 10 A. M.

☞ FOR BROWNSVILLE.—The *Atlantic*, Capt. Parkinson, leaves at 4 P. M., every day.

The *Baltic* Capt. Jacobs, leaves at 8 A. M.

☞ FOR WELLSVILLE.—The *Beaver*, Capt. Clarke, leaves at 9 A. M., every day.

Great English Remedy!

FOR Coughs, Colds, Asthma, and Consumption!—The great and only Remedy for the above diseases is the *Hungarian Balsam of Life*, discovered by the celebrated Dr. Buchan, of London, England: and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians, as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive of the climate, but to be used as a preventive medicine in all cases of coughing, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, bronchitis, difficulty or breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough, and croup.

Sold in large bottles at $1 per bottle, with full directions for the restoration of health.

Pamphlets, containing a mass of English and American certificates, and other evidence, showing the unequalled merits of this great English Remedy, may be obtained of the Agents, gratuitously.

FROM the New York Gazette, Oct. 6, 1839, a daily paper deservedly at the head of the Press of this country.

Brandreth's Extract of Sarsaparilla.—It were but courtesy to call the attention of our readers to this invaluable preparation which will be found advertised in another column. Mr. Bristol is a brother, and issues a highly interesting newspaper, every now and then, one or two numbers of which we have already noticed; and the medicine itself has been eulogized by nearly all the press of the western country, and, we doubt not, justly eulogized. It has in its favor, moreover, very flattering testimonials from the most eminent practitioners in every part of the country where it has been used. There is beauty and taste enough in the bottles, and in the engraved labels in which they are enveloped, to induce a purchase, even if the preparation itself were not one of the "sovereignest in the world," as every person must believe who has seen it, every one must believe it is—that is, every one who would not resist a mass of documentary evidence conclusive enough to convert a Turk to Christianity. Buy one of the bottles, gentle reader, and see whether you do not agree with us on this point.
