**Daily Review of the Markets.**

OFFICE OF THE POST, MONDAY MORNING, *April 10, 1848.*

We found the market rather interesting on Saturday, though the transactions were not very extensive. There was considerable excitement on the subject of money; caused by the suspicion resting upon some of the Ohio Banks, and the recent suspension of the house of Warrick Martin, of this city. This suspension turns out to be rather serious—as many poor men, mostly Germans and river people, had their little means deposited there. It is hoped that the anticipations of the street talkers may not be realized in this matter.

—Since the above was in type, we received the following from Sibbett & Jones, which will allay some of the excitement that now prevails:

MR. EDITOR:—We have to-day received advices from Cincinnati, that the stir and noise about the Norwalk Bank had all blown over, and the notes were as current as ever. SIBBETT & JONES.

April 8, 1848.

The receipts of Produce were fair on Saturday, and much activity was the consequence.

**Flour**—On some account (perhaps the news from Europe) there was a slight improvement in the market on Saturday. Very few lots arrived. But few sales were made on wharf; 123 bbls. were taken at $4,50, and resold at $4,62; 100 bbls. at $4,56, and 25 (not strictly prime) at $4,50. We heard of one or two other sales; but we have given enough to indicate the downward tendency of the market.

**Cotton**—There were some receipts on Saturday; and holders became more firm on the receipt of the news by the Washington. We heard of no sales; but there is no doubt that buyers will meet sellers at the rates described by the latter.

**Oats**—There were some lots put into market, which sold at an advance upon former quota tions. A lot of 60 bus. was taken at 28c., and re-sold from store at 31c. We think this above the market; we heard of other sales at 25@26c.

**Cheese**—Receipts of several lots occurred on Saturday, from the Reserve. They might have been snatched up quickly by the retailers, had not holders asked exhorbitant prices. We have reports of sales of about 150 boxes at 7@7½; some few dealers asked 8@9c. During this week, the market will be well supplied.

**Bacon**—Regular transactions at the former quotations—3, 4, and 5c.; some sales at rates varying from these figures. One of 10 hhds. prime hams at 4½c.

**Wheat**—There is some demand. The only transaction reported on Saturday was 80 bushels at 95c., which we think above the market.

**Potatoes**—Heavy arriving, and prices tending downward. Sales from first hand at $1,50@1,62 for good varieties in large bids.

**Cod Fish**—Sales at 5c in casks.

**Molasses**—Regular sales N. O. at 27½@28c. Sugar House 45c.

**Sugar**—Regular sales at former quotations.

**Lard**—Sales in large lots at 6@6½c.

**Coffee**—Sales brisk at 6@6½c., according to quality.

**Oranges**—Sales of about 40 boxes at $5.

**Lemons**—Sales at $4,50@5.

**Butter**—A few bbls. arrived on Saturday; prime Roll sold at 15c.; for ordinary 14c. was asked, no sales.

**A Receipt for the Human Hair!**

TO FORCE ITS GROWTH AND HEALTH, MAKE IT SOFT, SILKY, CLEAN AND FINE.—Persons in consequence of the many things sold, set down every article, (be it ever so good,) as a humbug. If people could be made to try a 3s. bottle of Jone's Coral Hair Restorative, and see how it makes dry, rusty, red, light hair moist, soft, auburn and dark, and keeps it so; and by its use for sometime, causes it to grow naturally beautiful; if people could see the number of poor respectable mechanics that use it, (aye, and find it the cheapest thing they can use,) for dressing and beautifying the Hair, for keeping it soft and in order three times as long as any other article made; and

Forces it to grow, stops its falling,
And costs but 3 shillings to try.

We formerly sold nothing less than $1 bottles, but we wish people to try it. Sold only at 82 [mind 82] Chatham street, New York, and by WM. JACKSON, Agt., 89 Liberty st.
