SOLDIERS OF THE MEXICAN WAR!
THE subscriber having opened an office in the City of Pittsburgh, in the State of Penn'a, for the purpose of procuring Land Warrants at the Seat of Government, for the discharged Soldiers of the Regular Army, as well as the Volunteers, who have served their country in the present War with Mexico: informs the living; and the representatives of the dead, that by addressing an application to him at this City, giving the name and address of the soldier, and if dead, his representatives, it will receive careful and prompt attention.

Instructions and Blanks will be immediately returned per mail to the applicant, to be executed and returned to me at this place. The Warrant, when received, will be immediately sent per mail to the proper owner; or if he should prefer receiving money, I will make sale of his Warrant to the best advantage for cash, and make no charge for that service.

In the event of the death of the soldier, that must be mentioned in the letter, and the warrant will issue according to the following rules: First, to his wife and children, (if he have any.) Second; to his father; and Third, to his mother.

Having a son in the General Land Office at Washington, and one in the Army under General Scott, in Mexico, the matter would receive their prompt attention, should any difficulty arise respecting the necessary proof.

Letters addressed to me on the subject must be post paid and inclose a Five Dollar Bank Note as my compensation.

CLOTHING! CLOTHING!! CLOTHING!!!
Three Big Doors vs. The Western World!!!
20,000 WELL SELECTED GARMENTS made and ready to be offered on the most liberal terms to my old customers and the public generally. The Proprietor of this far famed and popular establishment has now, after returning from the Eastern cities, at much trouble and expense, completed his fall and winter arrangements to furnish thousands of customers with one of the desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold at, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the country. It is gratifying to me to be the bearer of announce to my numerous friends at home and abroad, that notwithstanding the extraordinary advance which I have made to meet the many calls in this city, it is with difficulty I can keep time with the rush that is made on this popular establishment. It is a well established fact, that my sales are ten times larger than any other house in the city, this being the case on the amount sold, I can afford to sell at much less profit than others could think of doing if they wished to cover expenses. I intend to make a clean sweep of present stock before the beginning of next spring, to this conclusion, I will make it the interest of every man, who wants a cheap winter coat, to call and purchase at the Three Big Doors.
