P. S.—For other particulars, see lithographic bills, at the hotels, on the steamboats, &c, and if this be not convenient then take for granted the following facts, viz:

That Esculapia is nearer the Ohio river than any other watering-place—that it has the purest, mountain air—the most delightful; cold, limpid, sparkling, sulphur water—the oldest, coldest, clearest, purest, pleasantest and most efficacious chalybeate fountain in the U. States—that it is surrounded by mountain scenery, with romantic, picturesque, and diversified walks, with good eating, drinking, sleeping, walking, riding, dancing, shaking off the "blues," outgrowing of the dyspepsia, talking, laughing, growing fat, loving to stay, dreading to go away, promising to come again—to bring friends, neighbors, sisters, wives, sweet-hearts, &c. &c.; and after all it is cheaper staying at Esculapia than at any other of the fashionable watering places.

This is the voice of hundreds who have been there and mean to go again.—*Cin. Com. July 12.*

They have kindly consented to use their name if necessary to show that I have received and am receiving a large supply of the above Brands of Wines and Liquors, which I am prepared to sell in a pure state to those who want, at fair prices. Thankful to my friends and the public for past favors, I hope to meet a continuance of their patronage by strict attention to business.

SOLDIERS OF THE MEXICAN WAR:

THE subscriber having opened an office in the City of Pittsburgh, in the State of Penn'a, for the purpose of procuring Land Warrants at the Seat of Government, for the discharged Soldiers of the Regular Army, as well as the Volunteers, who have served their country in the present War with Mexico: informs the living, and the representatives of the dead, that by addressing an application to him at this City, giving the name and address of the soldier, and if dead, his representatives, it will receive careful and prompt attention.

Instructions and Blanks will be immediately returned per mail to the applicant, to be executed and returned to me at this place. The Warrant, when received, will be immediately sent per mail to the proper owner; or if he should prefer receiving money, I will make sale of his Warrant to the best advantage for cash, and make no charge for that service.

In the event of the death of the soldier, that must be mentioned in the letter, and the warrant will issue according to the following rules: First, to his wife and children, (if he have any.) Second, to his father; and Third, to his mother.

Having a son in the General Land Office at Washington, and one in the Army under General Scott, in Mexico, the matter would receive their prompt attention, should any difficulty arise respecting the necessary proof.

Letters addressed to me on the subject must be post paid, and inclose a Five Dollar Bank Note as my compensation. WM. B. FOSTER.

CLOTHING! CLOTHING!! CLOTHING!!!
The Three Big Doors vs. The Western World!!!

150,000 WELL SELECTED GARMENTS NOW made and ready to be offered on the most liberal terms to any old customers and the public in general. The Proprietor of this far famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expence, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this popular establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.
