...time of the Cincinnati platform in regard to popular sovereignty—while the resolution that it is "the right and duty of Congress to intervene for the protection of slavery in the territories" is not alluded to in the resolutions, nor was it broached in the Convention. And yet the author of this vile slander upon the Democracy of Pennsylvania *professes* to belong to the true Democratic party, and does not scruple to slander and traduce all who will not join him in his crusade against the Democratic State ticket. Verily, like the heel of the negro, his *republicanism* will stick out despite his efforts to hide it under the plea that he *was* a Democrat "*thirty years*" since.

CHLOROSIS.—The prime cause of this disease is a diminution of the red globules of the blood, from a deficiency of the iron which is an essential ingredient in their composition. The PERUVIAN SYRUP presents this necessary iron, as a protoxide, the only form in which this element can enter the vital fluid, as proved by physiological chemistry. The result is, of course, a speedy cure.

☞ A story is related of a person who told a Quaker that the silence of a meeting of the Society of Friends was enough to kill the devil; to which the Quaker replied, that it was the very thing the silent assembly were trying to do.

☞ WIGS — WIGS — WIGS. *BATCHELOR'S WIGS AND TOUPEES* surpass all. They are elegant, light, easy and durable.

☞ BALDWIN'S CATHARTIC PILLS are of great benefit to persons of *bilious* habits, by their occasional use in small doses after *eating* or *drinking* too freely. They stimulate the stomach and aid digestion, thus obviating the nausea, heartburn, and pain which from eating too heartily. They should be taken in small doses of from one to two after eating.

☞ "WHY ARE WE SICK?"—Slight indispositions as they are called, as costiveness, sour stomach, headache, etc., though regarded as small matters in themselves, are, nevertheless, indications of derangement, which if allowed to continue, will result in general disease of the whole system. With all its complexity so long as the action is, through any cause hindered, that moment commences a derangement, which if not speedily remedied by a removal of the cause, will lead through a long list of lesser ills and aches to Liver complaint, Dyspepsia, premature old age and Death. The stomach is the grand reservoir from whence is diffused nourishment, and life and vigor are imparted to the entire system: It is all important, then, that the *Stomach* be kept healthy, and free from everything calculated to excite a diseased action, and hinder the performance of its legitimate functions; and when through indiscretion, accident or other circumstances, the energies of the body are prostrated, and the stomach and other parts of the animal economy are sluggish and inefficient in the performance of their duties, or when there is an excited overaction, then it becomes necessary to resort to some Medicine, whose alterative and correctant qualities may restore a vigorous action and a healthy tone. A gentle aperient and laxative, will perhaps more than any other medicine, accomplish this end—and it is in this character, of a mild, gentle, and efficient aperient, laxative and correctant, that BALDWIN'S CATHARTIC PILLS are offered to the public. Being entirely *vegetable* in their composition, they may be administered safely to all, of every age and sex, as well to the infant and delicate female, as to the vigorous man. For the speedy cure of *Costiveness, Indigestion, Heartburn, Headache, Dyspepsia, Jaundice, Sickness of the Stomach, Affections of the Liver, and Derangements of the Bilious System generally*, they cannot be surpassed. These Pills are already beginning to be known as one of the best and most effectual remedies, and as the most perfect compound which has ever been devised for the cure of disease. *They are warranted to give satisfaction, or their price, 25 cts, per box, will be refunded.* Sold in Erie only, at BALDWIN'S Drug Store, No 5, Reed House. Girard, R. C. Ely. 25
