THE Three Big Boots to The Western World's!

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the usual liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low prices which they will be sold for, must certainly render the old unrivalled Three Big Boots one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this old establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the cash system, I can afford to sell as much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Boots.

Clothing! Clothing!!

THE Spring and Summer stock that is now ready to be offered at the old original

THREE BIG BOOTS,

is one of the largest and choicest in selection that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortments of articles which I now have to offer them; but will simply inform them that if they only favor me with a call, I will say before them 175,000 different garments to make a choice out of, consisting in part of Coats—from the richest in quality down to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes wide open, wondering in the most extravagant degree of surprise, how such a vast collection of READY MADE CLOTHING could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the main-spring of trade.—Without any intention of boasting, on my part, I will say at the same time, it is of such metal I am principally composed, for nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.

Now, let me say a word or two to my country merchants in the trade: If you wish to save from at least 25 to 30 per cent in your wholesale purchases, call in at the Mammoth Big Boots, and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh saleable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.

PASSENGER AND REMITTANCE Office.

HARNDEN & CO. continue to bring out persons from Liverpool, Dublin, Belfast, Londonderry, Glasgow, &c., upon the most liberal terms, with their usual punctuality, and attention to the wants of emigrants. We do not allow our passengers to be robbed by the swindling sharpers that infest the sea-ports, as we take charge of them the moment they report themselves, and see to their well-being and interest, as we would that our friends in the first ships. We say this facetiously, as we defy any of our passengers to show that they were detained forty-eight hours at Liverpool, while thousands of others were detained months until they could be sent in some old *rotten*, at a cheap rate, which, too frequently proved their coffins.

We intend to perform our contracts honorably, *and not as others do*, let us alone for that. We do not employ other offices, who either personned not at all, or when it suited their convenience.

Connell's Magical Pain Extractor.

IT is now conceded by medical men that Connell's Magical Pain Extractor, manufactured by Connell & Co., 21 Courtland st., New York, is the greatest wonder of the 19th century. Its effects are truly miraculous. Pain is extracted in a wonderful manner, feels, to the sufferer, as if a spirit had taken it away. It is a quick nostrum, and in few minutes after its application, heaving the same on the most delicate skin, leaving no mark. It is equally beneficial in all those inflammatory diseases, such as sore Nipples and Eyes, Sprains, Rheumatism, White Swelling and Fever Blistered, Bunions, Chilblains, Frost Bites, Tic Doloreux, Tooth Ache. We might add as proof to all we say, the names of many eminent physicians who use it in their practice, and hundreds of the clergy who praise it to their people. Kind parent *keep it constantly on hand*, in case of accidents by fire. He may be lost in the wilds, but if he has a bottle of this invaluable medicine, he may be considered as offering ample security to the public. WILLIAM P. JONES,

Drugs and Medicines.

DR. HOFFLAND'S CELEBRATED GERMAN MEDICINES

Are without a Rival, for the Cure of the following Diseases!

IF taken according to the directions they will cure any case, no matter who or what else has failed.

VEGETABLE RHEUMATIC PILLS.

For the permanent cure of Rheumatism, Gout, Gangrene, Hysteria, and severe nervous affections, and are highly recommended for the cure of Dropsy, Hoarseness, Asthma and Neuralgia. Patients using them, in most cases, experience a benefit soon after the first dose. They quiet the nervous system, which enables them to rest well during the night. They never fail to effect a cure, when taken according to directions.

No outward application can permanently remove rheumatic pains from the system. Liniments sometimes act as a palliative for a short period, but there is always danger in their use. They may cause the pain to leave one place for perhaps a vital part, or else where the pain will be more acute.

GERMAN BITTERS.

For the permanent cure of Liver Complaints, Jaundice, Dyspepsia, Indigestion, Chronic Debility, Chronic Asthma, Nervous Debility, Pulmonary Affections, (arising from the liver or stomach,) Diseases of the Kidneys, and all diseases arising from a disordered stomach, in both male and female, such as female weakness, dizziness, fullness of blood to the head. They strengthen the system, and remove all acidity of the stomach, and give it tone and action and assist digestion. They can be taken by the most delicate stomach, and in every case will confirmly destroy costiveness and renovate the whole system, removing all impurities and remnants of previous diseases, and giving a healthy action to the whole frame.

The symptoms of Liver Complaint are uneasiness and pain in the right side, and soreness upon touch immediately under the inferior ribs; inability to lie on the left side, or if at all able, a dragging sensation produced, which seriously affects respiration, causing very often a troublesome cough; together with these symptoms we perceive a coated tongue, acidity of the stomach, deficiency of perspiration, and sometimes a sympathetic pain in the right shoulder, with a great disposition to sleep and depression of spirits, and sometimes sores in the mouth or throat, causing mucus to rise in the nostrils. Jaundice frequently accompanies it, and a drops, in the face. These symptoms, if permitted to continue, will eventually produce that most baneful disease, Consumption. In fact, a majority of such cases originate from the irritating causes above mentioned. Cathartic medicines must, in every instance, be avoided in the treatment for it.

The symptoms of Dyspepsia are very various—those affecting the stomach alone, are pained, heart-burn, loss of appetite, sometimes an excess of appetite, sense of fullness or weight on the stomach, sinking or fluttering of the pit of the stomach, fetid eructations, or sour arising from the stomach, &c. Dyspepsia, as an institution among the most flourishing in Philadelphia—as having a large paid in capital, which, by the operation of its charter, is rendered secure against loss to each person participated, his due share of the profits of the Company, without incurring him in any responsibility whatever, beyond the premium actually paid in by him; and therefore, as possessing the Mutual principle divested of every obnoxious feature, and in its most attractive form.

CHINESE HAIR CREAM.—A matchless article for growth, beauty, and restoration of the Hair. This Cream, when once known, will supercede all other articles of the kind now in use. Where the hair is dead harsh, thin, unhealthy, nor turning grey, a few applications will make the hair soft and dark, and give it a beautiful, lively appearance; and will also make it maintain its lively and healthy color, twice as long as all the preparations that are generally used. Where the hair is thin, or has fallen off, it may be restored by using this Cream. Every lady and gentleman who is in the habit of using oils on their hair should at once purchase a bottle of the Chinese Hair Cream, as it is so composed that it will not injure the hair like the other preparations, but will beautify it, and give perfect satisfaction in every instance.

For testimony to its very superior qualities, see the following letter from the Rev. Mr. Caldwell to Messrs. Hendershott & Stretch, Nashville, general agents for the Southern States:

Letter of the Rev. R. Caldwell, Pastor of the Presbyterian Church, Pulaski.

MESSRS. HENDERSHOTT & STRETCH: GENTLEMEN—I take pleasure in adding my testimony in favor of the excellent preparation, called *Dr. Farrah's Chinese Hair Cream*; for, about two years ago my hair was very dry, brittle, and disposed to come out; but having procured a bottle of the Cream, and used it according to the prescription, it is now elastic, soft, and firm to the head. Many balsams and oils were applied, each leaving my hair in a worse state than before.—This Cream, however, has met my expectations.

As an article for the toilet, my wife gives it preference over all others, being delicately perfumed and not disposed to rancidity. The ladies, especially, will find the Chinese Cream to be a desideratum, in their preparations for the toilet. Respectfully, &c.,

R. CALDWELL.

LADIES are cautioned against using Common Prepared Chalk: They are not aware how frightfully injurious it is to the skin: how coarse, how rough, how sallow, yellow, and unhealthy the skin appears after using prepared chalk! Besides it is injurious, containing a large quantity of lead! We have prepared a beautiful vegetable article, which we call Jones' Spanish Lilly White, it is perfectly innocent, being purified of all deleterious qualities, and it imparts to the skin a natural, healthy, alabaster, clear, lively white; at the same time, acting as a cosmetic on the skin, making it soft and smooth.

Dr. Jones, a practitioner of Chemistry of Massachusetts, says: "After analysing Jones' Spanish Lilly White, I find it possesses the most beautiful and natural, and at the same time innocent, effect, which I ever saw; I cannot conscientiously recommend its use to all whose skin requires beautifying." Price 25 cents a box. Directions—the best way to apply Lilly White, is to wet a feather or wool—the former is preferable.

A FEW OF THEM FOR 25 CENTS.—White teeth, fool breath, healthy gums. Yellow and unhealthy teeth after being once or twice cleaned with Jones' Amber Tooth Paste, have the appearance of the most beautiful ivory; and, at the same time it is so perfectly innocent, and exquisitely fine, that its constant daily use is highly advantageous, even to those teeth that are in good condition, giving them a beautiful polish, and preventing a premature decay. Those already decayed it prevents from becoming worse—it also fastens such as is becoming loose, and by its preservative powers it renders the teeth delicately white, and make the breath deliciously sweet. Price 25 or 37½ cents a box. All the above are sold only at 82 Chatham st., sign of the Golden Eagle, Boston, and by the appointed Agents whose names appear in the next column.

Wilt thou be manly, and get a rich husband, lady? Your face is your fortune! It is beautiful, clear, fair: is it white? If not, you be undone—you cannot! Be rich, love, disfigured, auburn, tinged and freckled. Thousands have been made thus—who have washed once or twice with Jones' Italian Chemical Soap. The effect is glorious and magnificent. But be sure you get the genuine Jones' Soap, at the sign of the American Eagle, 82 Chatham street.

Ring-worm, Salt-rheum, Scurvey, Erysipelas, Barber's Itch, are often cured by Jones' Italian Chemical Soap, when every kind of remedy has failed. Yes, your face, pimples, freckles, and clears the skin, all know. Sold at 82 Chatham street, 82 Chatham street. Mind, remember this seldom or never fails.
