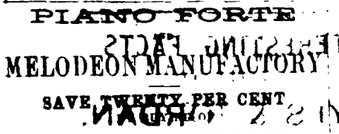
PIANO FORTE

MELODEON MANUFACTORY

SAVE TWENTY PER CENT.

WILLIAM WILLING

ERIE, PENN'A.



THE experience of *twenty years*, and the idea that I could make

PIANOS AND MELODEONS

in Erie cheaper than I can buy them elsewhere, because rent is cheaper, lumber is cheaper, coal is cheaper, from the same, induced me to employ competent and complete experienced workmen, who carried on a Piano Manufactory themselves for five years, and who sold me their entire stock necessary to make such instruments, and I am now prepared to furnish any number to order.

Pianos and Melodeons

of superior Tone and finish, and will

WARRANT THEM

for any length of time, to give

COMPLETE SATISFACTION.

My reputation as a Musician and business man would be lost if I recommended anything that did not prove good, and I assure the public that no pains shall be spared to bring about the desired result, viz:

Producing a fine and substantial Piano, which will give good satisfaction, and stay in tune longer than any Piano I know of.

MEDICAL MANUAL:

Being an original and popular Treatise on

MAN AND WOMAN,

Their Physiology, Functions, and Sexual Disorders of every kind, with never-failing Remedies for the speedy Cure of diseases of a private and delicate character, incident to the violation of the Laws of Nature and of Nature's God.

PRICE TWENTY-FIVE CENTS.

The author of the above volume is a graduate, and having devoted a quarter of a century to the study and and treatment of Syphilis and kindred disorders as a specialty, he has become possessed of most invaluable information in regard to the same, and is able to compress into a moderate compass the very quintessence of medical science on this important subject; as the result of the experience of the most eminent physicians in Europe and America is thoroughly demonstrated in his own highly successful practice in the treatment of secret diseases in many thousands of cases in the City of Philadelphia alone.

Testimony of the Professors of Medicine in Pennsylvania College, Philadelphia.

DR. HUNTER'S MEDICAL MANUAL.—The author of this work, unlike the majority of those who advertise to cure the disease of which it treats, is a graduate of one of the best Colleges in the United States. It affords me pleasure to recommend him to the unfortunate, as the victim of MALPRACTICE, has sought aid and advice from no practitioner, in whose honor and integrity he may place the greatest confidence.

JOSEPHUS LONGSHORE, M. D.

From A. Woodward, M. D., Professor in the Medical College of Pennsylvania.

It gives me pleasure to add my testimony to the professional ability of the Author of the "MEDICAL MANUAL." Numerous cases of diseases of the Genital Organs, some of them of long standing, have come under my notice in which his skill has been manifest in restoring to perfect health, in some instances where the patient had been considered beyond medical aid. In the treatment of Seminal weakness or disarrangements of the functions produced by self abuse or excessive venery, I do not know his equal in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as kindness to the unfortunate victim of early indiscretion, to recommend him as one whose professional skill and integrity they may safely confide themselves. ALFRED WOODWARD, M. D.

One Copy, securely enveloped, will be forwarded free of postage to any part of the United States for 25 cents, or 5 copies for $1. Address, post paid, DR. HUNTER, No. 13 Cedar Street, Philadelphia.

MRS. WINSLOW,

AN experienced Nurse and Female Physician, presents to the attention of mothers her

SOOTHING SYRUP,

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay all pain and spasmodic action, and *is sure to regulate bowels.* Depend upon it, mothers, it will give rest to yourselves and relief and health to your infants. We have put up and sold this article for over ten years, and can say, in confidence and truth of it what we have never been able to say of any other medicine—*never has it failed in a single case*, when timely used. Never did we know an instance of dissatisfaction by any one who used it.—On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effects and medical virtues. We speak in this matter "what we know," after ten years' experience, and pledge our reputation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

Mrs. WINSLOW'S Soothing SYRUP.

This valuable preparation is the prescription of one of the most experienced and skillful Nurses in New England, and has been used with never-failing success in thousands of cases. It not only relieves the children from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRIPING IN THE BOWELS, AND WIND COLIC, and overcomes convulsions, which, if not speedily remedied, end in death. We believe it the best and surest remedy in all cases of Dysentery and Diarrhœa, whether it arises from teething or other causes. We would say to every mother who has a child suffering from any of the foregoing complaints—to put her prejudices, nor the prejudices of others, stand between her and her suffering child and the relief that will be sure, absolutely sure to follow this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the facsimile of CURTIS & PERKINS, New York, is on the outside wrapper.

☞ Sold by Druggists throughout the world.
