THE EARLY PHYSICAL DEGENERACY OF AMERICAN PEOPLE,

JUST PUBLISHED BY DR. A. STONE,

Physician to the Troy Lung and Hygienic Institute.

This work is one of high moral tone, written in chaste, yet thrilling language, and appeals directly to the moral consciousness of ALL PARENTS and Guardians upon a vitally detaining scientific and reliable aids and treatment for cure.

A Word of Solemn, Conscientious Advice to those who will Reflect.

A class of maladies prevail to a fearful extent in the community, dooming at least 100,000 youths of both sexes annually, to an early grave. These diseases are very imperfectly understood. Their external manifestation, or symptoms, are Nervous Debility, Relaxation and Exhaustion; Marasmus or wasting and consumption of the tissues of the whole body; shortness of breathing, or hurried breathing on ascending a hill or flight of stairs; great palpitation of the Heart; Asthma, Bronchitis and sore Throat; shaking of the Hands and Limbs; aversion to society and to business or study; dimness of eyesight, loss of Memory, dizziness of the Head, Neuralgia, Pain in various parts of the body; Pains in the back or limbs, Lumbago, Dyspepsia or Indigestion, Irregularity of the bowels, deranged secretions of the Kidneys and other glands of the body, Leucorrhœa or Fluor Albus, &c. Likewise Epilepsy, Hysteria and Nervous Spasms.

Now, in ninety-nine cases out of every one hundred, all the above named disorders, and a host of others not named, as Consumption of the Lungs and that most insidious and wily form of Consumption of the Spinal Nerves, known as Tabes Dorsalis, and Tabes Mesenterica, have their seat and rise in diseases of the Pelvic Viscera. Hence the uniform success on the part of old school practice in treating symptoms only.

Dr. Andrew Stone, Physician to the Troy Lung and Hygienic Institution is now engaged in treating this class of modern maladies with the most astonishing success. The treatment adopted by the Institution is new; it is based upon scientific principles, with new discovered remedies, without minerals or poisons. The facilities of cure are such, that patients can be cured at their homes, in any part of the country, from accurate descriptions of their case, by letter; and have the medicine sent by mail or express. Printed interrogatories will be forwarded on application.

Consumption, Catarrh and diseases of the throat cured as well at the home of the patient as at the Institution, by sending the Cold Medicated INHALING BALSAMIC VAPORS, with Inhaler and ample directions for their use, and direct correspondence.

Patients applying for intern gaitres or advice, must enclose return stamps to meet attention.

The attending physicians will be found at the Institution for consultation, from 9 a. m. to 9 p. m., each day. Sunday in the forenoon. Address,

Physician to the Troy Lung and Hygienic Institute, and Physician for Diseases of the Heart, Throat and Lungs, 56 Fifth Street, Troy, N. Y. ja2'63y1.

CATARRH.

DR. R. GOODALE'S CATARRH REMEDY

IT CURES CATARRH IN ALL ITS TYPES AND STAGES.

IT CURES CATARRH AND AVERTS CONSUMPTION.

IT CURES CATARRH AND RESTORES THE EYE SIGHT.

IT CURES CATARRH AND RESTORES THE SENSE OF SMELL.

IT CURES CATARRH AND PAIN IN THE TEMPLES.

It penetrates to the very seat of this terrible disease, and exterminates it, root and branch, forever. Dr. Goodale is the first and only person who ever told the world what Catarrh really was—where it commenced—and who would cure it.

Over thirty years ago, Dr. Goddale boldly struck out from the fallacious theory and mode of treatment of this loathsome malady, as laid down in "Standard Medical Works" and teachings, to discover its true cause and locality, and to devise a permanent cure for it. Entire success has crowned his efforts; and he has now spent a lifetime in battling with this fell disease, exploring its secret embush, and making known to the world the fact that Catarrh, which has for years defied the skill and research of medical men and authors of this country and in Europe, can now be cured, with the same uniform certainty that morning follows night. Thousands who have tried every known means of cure in vain, have been permanently cured by Dr. Goodale's Catarrh Remedy, and now praise it in the most extravagant terms of delight.

A WORD ABOUT AMERICAN WATCHES

AFTER A THOROUGH TRIAL OF MORE THAN TEN YEARS, the time-pieces manufactured by the American Watch Co., of Waltham, Mass., have gained a firm hold upon the favor of the public, and now, no less than 75,000 of them are speaking for themselves in the pockets of the people. From a very insignificant beginning the business has increased until we are justified in stating that WE MAKE MORE THAN ONE HALF of all the watches sold in the United States. Repeated enlargement of our factory buildings, and the labor of 500 operatives, still find us unequal to supply the constantly increasing demand. And we may here observe that notwithstanding the high price of labor and materials, we actually sell our products at less prices than those current five years ago.

We refer to these facts only for the purpose of properly introducing another subject relative to our manufacture of watches, and one no slightness to any faction. We have opposed and shall continue to oppose ABOLITIONISM as the element of discord, the enemy of Union, the avowed foe of the Constitution, exerting a malign influence in society, in the church and in the State. We oppose SECESSIONISM as a political heresy whose bloody fruits are visible all around us, and we look earnestly for a day when the Constitution shall triumph over the hearts as well as the raised hands of all its foes, North and South.

Price, superbly engraved, per case of half dozen, $30. Sample Watches, in neat morocco boxes, $35.

SILVER WATCHES.

First Class Hunting Time-Pieces, for accuracy of movement, beauty of material, and, above all, cheapness in price, these watches must insure universal approbation.

An imitation so faultless that it can hardly be detected by the most experienced judges. The material being of two metals, the outer one first quality Sterling Silver, while the inner one is German Silver, it cannot be recognized by cutting or heavy engraving, making it, not only in appearance but in durability, the best resemblance of SOLID STERLING SILVER in existence.

The sale of these Watches in the army is a source of enormous profit, retailing as they very readily do, at $25 and upwards. Many hundred dollars can be made in a single pay day by any one of ordinary business tact.

AT WHOLESALE ONLY! In heavy hunting cases, beautifully engraved, white enamel dial and fancy cut hands, in good running order, by the half dozen, $85. Sold only by the case of six!

Upon receipt of two dollars, as guarantee of good faith, we will send watches by express to any part of the loyal States, collecting balance of bill on delivery. This ensures buyers against fraud, giving them their watches before payment is required. Send orders to the sole importer,

The N. Y. Journal of Commerce.

We congratulate our readers on the measure of success which has attended our labors in common with all other advocates of conservative principles. We invite the aid of every reader in the dissemination of the old, sound doctrines taught by Washington, followed by the great and good men who have made our nation illustrious, on which they built, and we must preserve strong, the pillars of the

UNION AND CONSTITUTION.

We advocate no new doctrines in religion, politics or social life. We are known as the earnest defenders of the faith of our fathers and the upholders of

CHRISTIANITY AND CHRISTIAN CIVILIZATION,

against every form of attack. We support THE GOVERNMENT OF THE UNITED STATES AND THE RIGHTS AND SOVEREIGNTY OF THE PEOPLE OF THE SEVERAL STATES, recognizing in these two sources of strength the origin of our greatness as a people, and the only pledge of our perpetual unity, power and prosperity. We belong to no political party, and owe no allegiance to any faction. We have opposed and shall continue to oppose ABOLITIONISM as the element of discord, the enemy of Union, the avowed foe of the Constitution, exerting a malign influence in society, in the church and in the State. We oppose SECESSIONISM as a political heresy whose bloody fruits are visible all around us, and we look earnestly for a day when the Constitution shall triumph over the hearts as well as the raised hands of all its foes, North and South.
