The Three Big Doors—vs. *The Western World!!*

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unrivaled, Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which have been made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the smallest scale, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover equivalent expenses. I intend to make in the course of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

Clothing ! Clothing !!

THE Spring and Summer stock that is now ready to be offered at the old original

THREE BIG DOORS.

is one of the largest and choicest in selection that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortments of articles which I now have to offer them; but will simply tell them that if they only favor me with a call, I will buy them from 175,000 different garments to make a choice out of, consisting in part of Coats, from the richest to quality down, to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes open, wondering what is the most extravagant degree of surprise, how such a vast collection of READY MADE CLOTHING could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the main spring of trade—Without any intention of boasting on my part, I will say at the same time, it is of sickening to I am principally composed, for nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the former, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up a suitable article, and at the same time substantial garment, to meet their demands; and as for others, who are fastidious enough to wear a different sphere, and requiring an article of fine or plus ultra kind, they have only to give me an outline of their wants, and they are sure to be served.

Now, just mark my word or two to my country merchants in the trade: If you wish to save from at least 25 to 50 per cent, in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and treat as much as any house in the country, I don't offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.

Great English Remedy!

FOR Coughs, Colds, Asthma, and Consumption!—The great and only family Remedy for the above diseases is the *Hungarian Balsam of Life*, discovered by the celebrated Dr. Buchan, of London; England; and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, seems to be unable to keep pace in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians, as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the worst cases of Consumption, the quack nostrum, but a standard English medicine, of known and established character.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumption of the climate, but to keep it as a preventive medicine in all cases of colds, coughs, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, hemp-like, difficult or short, difficult breathing, short weasets, emaciation and general debility, sore throat, influenza, whooping cough, and croup.

Sold in large bottles, at 25 per bottle, with full directions for the restoration of health.

Pamphlets, containing testimonials of many of English and American gentlemen, and other evidence, showing the unequaled merits of this great English Remedy, may be obtained at the Agents, gratuitously.

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC

THIS celebrated remedy is continually increasing its fame by the making all over the world. It has now become the only medicine for family use, and the medical faculty recommended for Dropsy: all stages of this complaint immediately relieved, no matter of how long standing. (See pamphlet testimonials.)

Gravel, and all diseases of the urinary organs; for these distressing complaints it stands alone; no other article can relieve the sufferer, and be certain to cure (convince the most skeptical—(see pamphlet.) Liver Complaint, Billious Fever, Fever and Ague. To the Great West especially, and wherever ever ague prevails, this medicine is offered. Nominal agent, no delusive promises, but if it does not do what is represented, it expires these diseases with certainty and celerity, and does not leave the system torpid. (See pamphlet.) Piles, a complaint of a most painful character, is immediately relieved, and a sure follows by a few days use of this article. It is far beyond any other preparation for this disease, or for any other disease originating from impure blood. (See pamphlet.) Debility of the System; Weak Back, Weakness of the Kidneys, &c.,—*or Inflamation of the urine*, is immediately relieved by a few days use of this medicine, and it has been always the result of its use. It stands was certain remedy for such complaints, and also for derangements of the female frame, Irregularities, Suppressions, painful menstruations. No article has ever been offered, except this, which would meet this kind of strength and lasting relief. Relief upon a sure and effective principle, is what is desired and sought for. Testimonials of cures in this disease, which are limits of an advertisement will not permit to be named here. Agents, Physicians, Merchants, contain 32 pages of certificates of high character; and a stranger array of testimony in favor of any other medicine, never appeared. It is one of the peculiar features of this article, that it never fails to benefit in any case, and if bone and muscle and life to build upon, have been wasted and lingering invalid more or, and keep taking the medicine, every day satisfies in improvement. The proprietor would caution the public against a spurious article, which has come out under the heads of SARSAPARILLAS, SYRUPS, &c., and concocted to gull the unwary. Recent cures and testimonials of cures for Dropsy, Gravel, &c. They are good for nothing, and concocted to gull the unwary. Their inventors never thought of curing such diseases as this article had done, and have attempted to imitate it. *A particular study of the pamphlets is earnestly solicited.* Agents, who are prepared for the article, are grind to circulate gratuitously. Put up in 30 oz. bottles, at $2; 12 oz. do. do. at 5 shillings—the larger holding 6 oz. more than the two small bottles. Agents, who are prepared imposed upon. Every bottle has "Vaughn's Vegetable Lithontripic Mixture," blown upon the glass, the written signature of "G. C. Vaughn" on the wrapper, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 297 Main street, Buffalo, wholesale and retail.
