**The Truth by Men of Truth.**
CONCERNING SELLER'S VERMIFUGE.—A single vial producing wonders.—Read the following from the Rev. S. Wakefield, Pastor of Liberty street, M. E. Church:

PITTSBURGH, March 8, 1847.

MR. R. E. SELLERS:—It is from a sense of duty, as well as with great pleasure, that I bear testimony to the virtue of your justly celebrated Vermifuge. I procured a *single bottle*, and gave it to three of my children, who had been ill for several weeks. The eldest was seven years old, the next four, and the youngest eighteen months. The first passed fifty-six worms, the second forty-seven, and the third a considerable number not distinctly recollected, since then they have been doing well, and are now in good health. Yours respectfully. S. WAKEFIELD.

From the Rev. S. E. Babcock, of the Methodist Episcopal Church:

MR. R. E. SELLERS:—It is with great pleasure that I would inform you of the good effects produced on my son of four years of age, by your justly celebrated Vermifuge. After his having convulsions, I gave him three doses, when he passed an almost incredible number, from which time his general health has been improved. S. E. BABCOCK.

From the Rev. Charles Cook, of the Methodist Episcopal Church:

PITTSBURGH, December 14, 1845.

MR. R. E. SELLERS:—I gave my little daughter (between three and four years old) three doses of your Vermifuge, according to prescription, with the happiest success. The number of worms expelled I do not know precisely, but it was large. She is now in possession of good health. I think the medicine may be confided in with great unreservedness.
C. COOK.

As this Vermifuge has never been known to fail in any instance, when worms actually existed, parents should give it in preference to all others.

Prepared and sold by R. E. SELLERS, between 3d and 4th, on Wood street.

For sale by Dr. Cassel, Fifth Ward; my12

PORTER'S *City Daguerrian Gallery*, Philo Hall, Third st., Pittsburgh, Pa., and Franklin Buildings, Baltimore, Md.

Mr. Porter respectfully announces that he has at considerable expense fitted up apartments, and arranged light for Daguerreotyping purposes. His long experience in this art has enabled him to overcome many of the objections too common to pictures taken by this method.

Mr. Porter is aware that the impression has gone abroad (owing to the many failures to produce good pictures,) that clear and distinct Daguerreotypes cannot be made in Pittsburgh. His experiments, however, since he has opened his Gallery, fully warrant him in saying that as good pictures can be made here as elsewhere.

Ladies and gentlemen are invited to call and examine specimens.

Instructions given, and instruments and materials furnished upon reasonable terms.
