Daily Review of the Markets.

OFFICE OF THE POST,
THURSDAY MORNING, *July 27th, 1848.*

FEATHERS..The market is poorly supplied, and prices are more firm than heretofore. We quote at 32@33c.

SUGAR..Holders are very firm; and we heard of some sales as high as 5½c. for prime New Orleans. The sales are generally at 5c.; for inferior articles 4½@5c.

MOLASSES..Dealers generally demand 28c.; and are not anxious to sell at this rate. A further advance is expected on account of scarcity in the market.

CORN..A lot taken from first hands at 40c.; and resold from store at 33@35c.

PIG METAL..Some receipts of Allegheny; but we heard of no sales. No transactions in Hanging Rock.

LARD..Market almost bare, and not much demand. We quote at 6@6½c.

FISH—We quote Herring at $5,50; No. 3 Mackerel at $6,00@6,25.

WINDOW GLASS..Sale of 20 boxes 8x10 at $2,26,—the common rate.

FLOUR..The market declined yesterday. The receipts were considerable in the morning, at wharf and from wagons. The sales were generally at $4,50; but 50 bbls. were taken at $4,37; one other lot at same; and we heard of a sale at a lower figure. From wagons the quotations were about the same. From store $4,62 was asked and received.

OATS..Sales of 300 bushels on wharf at 30c.; resold from store at 33@35c.

BUTTER..Sales of 16 kegs from first hands at 8½c.

RICE..Sales by tierce at 5½@5½c.

SHAD..Sales of 5 bbls. at $9,00.

HONEY..Sales in a small way at 14@15c.; retail price 18c.

MONEY MATTERS.

☞ The notes of the Canal Bank of Albany, are selling in New York for 60 and 70 cents on the dollar.

☞ The notes of the Lewis County (N. Y.) Bank were refused at Albany, in consequence of the fail'ure of the Canal Bank.

☞ The notes of the Princeton (N. J.) Bank, are still redeemed in Philadelphia.

☞ There is an immense amount of counterfeit money in circulation. Too much care cannot be exercised by our citizens these times.

☞ Ohio and Indiana notes are taken at New Orleans at ¼@¾ per ct. discount.

☞ The Cincinnati Commercial of the 22d says:

Money is still scarce, and much complaint is made. There seems now to be no immediate prospect of an improvement.

TEXAS SUGAR CROP.—The sugar crops of Texas will, this year, be more than double that of 1847. The first exportation of sugar from that section of the Union was made in 1846, and amounted only to fifty hogsheads. The crop of 1847 amounted to 200 hhds., of which between five and six hundred hogsheads were exported. The crop of this year is estimated at five thousand hogsheads.

NEW BEDFORD MARKET.

SPERM OIL—There is little doing in the market; the only sales since our last are parcels of 150 bbls. at 90c.; and 210 do. handsome at 91c.; which is an advance.

WHALE OIL—The demand for manufacturing continues good, and prices have further advanced. We note sales of 600 bbls. South Seas and ground tier at 32c.; 1000 do. South Sea and North West Coast, 32½; 2100 do. North West Coast, in parcels, 33; and 150 do. 33½.

WHALEBONE—Sales since our last of 5000 lbs. North West Coast and South Sea at 23c., and 7000 lbs. South Sea, 23½.

Imports of Sperm Oil, Whale Oil and Whalebone into the United States, for the week ending July 10, 1848:

Brick for Sale.

THE undersigned offers for sale a superior article of Brick for building, made by his improved Steam Brick Press Machine, for which he has obtained a patent, and agrees to give purchasers a written guarantee that they are stronger and will resist frost and wet weather, and imbibe less moisture or dampness, than any other brick; possessing greater body and superior texture, and much more durable in every respect; and are warranted subject to pressure of from 40 to 60 tons, and possessing a handsome smooth surface and even edges, they make a front equal to the best front brick; and have given the greatest satisfaction to all who have purchased. A kiln can be seen at my works, and specimens at the Gazette office.

Those having supplied themselves for their buildings, and wishing handsome front brick, or superior hard and solid paving brick, can obtain them.

Flooring and weather boarding, also furnished to order.

Corner of Ferry and Fourth Streets, Pittsburgh.

THE undersigned, proprietor of the above well known Hotel, respectfully informs the public that she has gone to great expense in fitting up the house for the reception and accommodation of her old customers, and hopes they may honor her with their patronage. She is determined that the Hotel, as heretofore, shall sustain the reputation of being a quiet, orderly, and well conducted establishment. No pains or expense will be spared on her part, to render boarders and travellers as comfortable as they can possibly be in any other house in the city. Her table will be provided with every luxury the market affords; in short, her guests may rest assured that she will use every exertion in her power to render them full and entire satisfaction. A share of public patronage is respectfully solicited.

The subscriber is also provided with sufficient room for the accommodation of about sixty or eighty horses.

Latest Excitement.

SINCE the arrival of our gallant volunteers from Mexico, marked attention has been paid to many of their respective personal appearance, on their arrival in our city. Numbers of them have appeared in the streets wearing citizens dress of the latest and most fashionable cut and approved style. The inquiry becomes general amongst their fellow-soldiers, where did you get that handsome suit of Clothes? Answer—At the Old Bachelor's Clothing Store, 1 door East of Wm. Coyle's, 89 Liberty street, where you can get a genteel suit of clothes from 9 to 6 dollars, they would generally cost from 15 to 18 dollars, for the same clothes to be had from 12½ to 15 and 20 dollars. The stock on hand is large, consisting of every article for gentlemen's wear, and will be sold at a cheaper rate than any other house, as the proprietor intends selling out the present stock in order to make room for fall goods; great bargains may be expected and no sale asked. Call and judge for yourselves at
