HOOFLAND'S GERMAN BITTERS.

From J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I feel bound on no ordinary occasion, to say a word in their behalf. I feel bound on no ordinary occasion, to say a word in their behalf. I have received from any simple preparation in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, at this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shomaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, proved to be evident relief and restoration to a degree of health and vigor which I had not felt for six months before, and had almost despaired of regaining. The relief thus tried and my friend's advice, induced me to the use of them.

PHILADA., June 24, 1861. J. NEWTON BROWN.

PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters, put up in quart bottles, composed of the cheapest whisky or common rum costing from 20 to 40 cents per gallon, the taste disguised by some or other drugs.

The sales of Bitters has caused and will continue to cause as many as can be sold, hundreds to die the death of the drunkard, by their use the system is kept constantly under the influence of intoxication, the craving for liquor is created and nourished, the desire for liquor is created and nourished, and the results of the horrors attendant upon drunkenness and death.

For the sake of such we do not sell our Liquor Bitters, we publish the following receipt: Get *One Bottle Hoofland's German Bitters* and mix with *Three Quarts of water* or *whisky or Wine*, and the result will be a preparation that will possess medicinal virtues and the excellence any of the numerous liquor Bitters in the market, and will cost one dollar. You will have all the virtues of *Hoofland's* and are in connection with a good article of liquor, at a much less price than those inferior preparations will cost you.

Attention, Soldiers, and Friends of Soldiers.

We call the attention of all having relations or friends in the army, to the fact that HOOFLAND'S German Bitters will cure nine tenths of the diseases induced by exposure and privations incident to camp life. In the lists published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of this kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost.

We call particular attention to the following remarkable and well authenticated cure of one of the nation's heroes, whose life, to use his own language, "has been saved by the Bitters!"

PHILADELPHIA, August 23d 1863.

Messrs. Jones & Evans—Well, gentlemen, your Hoofland's German Bitters had saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully conversant of all the circumstances of my case. I am, and have been for the last four years a member of Sherman's celebrated battery, and under the immediate command of Captain R. B. Ayres. Through the exposure attendant upon my arduous duties, I was attacked in November last with inflammation of the lungs, and was confined for seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House and sent to this city on board the hospital steamer "Atlantic." From which I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and accordingly the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me that they could do no more for me and advised me to see a clergyman, and to make such disposition of my limited family affairs, as situated me. An acquaintance who visited me at the hospital Mr. Frederick Steinbron, of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel as sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months; for, gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken the place of vague fears—to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC MALONE.

We fully concur in the truth of the above statement, as we had despaired of seeing our comrade, Mr. Malone, restored to health:

LADIES AND GENTLEMEN!

BEFORE PURCHASING

Piano Fortes

AND

MELODEONS!

Elsewhere, please examine my assortment of Instruments. They are warranted fully to stand any climate, and are of the finest workmanship equal to any offered anywhere. I beg you to reflect on the fact that the objections raised against my establishment by certain music teachers of this city, are caused only by my refusal to pay them (Professors) an

ENORMOUS COMMISSION!

Which will be a tax to benefit those who buy of me to the amount of from 15 to 25 per cent, for I would rather allow the same to the buyer than to the meddler who benefits no one but themselves.

I am a Union man, straight and forward, and hate crooked things and jobbers.

I must not take the profits out of my friend's pockets or defraud the Government out of it, or be a traitor and family into the Parlor Houses for the sake of satisfying the hungry music teachers through whose skimpering my Pianos will not go better, if they are not good, nor bad, if they are good.

I will pay to any man, woman or child, the amount received or a Piano with my name on it, if they are not pleased with it, and I will pay a *Thousand Dollars* to any one who will show me one on which the Piano is broke, like so many New York and Buffalo Pianos have done in this city and country. Let the people tell where my poor Pianos are—not the teachers—especially those of the heathen sentiments; let such go where they belong. My Pianos are warranted to be supplied with all late good improvements, and must give satisfaction or no pay.

Eastern Pianos of all makes can be had of me as well and cheap as any other man.

Parties ready to purchase anything in the music line, will please remember that I am dealing largely in Musical Merchandise generally, and can offer inducements rarely excelled by any Music Dealer.

Pianos warranted by me can be relied upon. I being Manufacturer, Tuner, Player and Musician, as well as Teacher. My warranty is good because I am good for the amount. My reputation in many cases has been a benefit to those who purchased of me, and some who did not believe me at first found the truth after a while by their loss.

A Piano Forte made elsewhere is no better for that reason, but all Pianos are good which are made right, the good are good and the bad—bad. Easte n Pianos are furnished by me as above said, at Manufacturers prices. My stock on hand consists of a very choice selection, and is larger than any ever offered for sale here.

PIANOS TO LET.

THE BEST AND CHEAPEST HOUSEHOLD REMEDY IN THE WORLD!

MADAME ZADOC PORTER'S

GREAT COUGH REMEDY!

Madame ZADOC PORTER'S Curative Balsam is warranted if used according to the directions, to cure in all cases, Coughs, Colds, Whooping Cough, Asthma, and all affections of the Throat and Lungs.

Mad'e ZADOC PORTER'S Balsam is prepared with all the requisite care and skill. As a combination of the best remedies the vegetable kingdom affords. Its remedial qualities are based on a power to assist the healthy and vigorous circulation of the blood throughout the lungs. It is not a violent remedy, but emollient, warming, searching and effective; can be taken by the oldest person or youngest child.

Mad'e ZADOC PORTER'S Balsam has been used by the public for over 18 years, and has acquired its present fame simply by being recommended by those who have tried it, to their afflicted friends and others.

HUMANITY.—Mad'e ZADOC PORTER'S Curative Balsam is sold at a price which brings it in the reach of every one to keep it convenient for use. The timely use of a single bottle will prove to be worth 100 times its cost.

NOTICE.—Save Your Money!—Do not be persuaded to purchase articles at 50 to $1, which do not contain the virtues of a 13 cent bottle of Madame Porter's Curative Balsam. The cost of manufacturing which is so great at their prices, that other medicine; and the very low price at which it is sold, makes the profit to the seller apparently small, and unprincipled dealers will sometimes recommend other medicines on which their profits are larger, unless the customers insist upon having Madame Porter's and none other. Ask for Madame Porter's Curative Balsam, price 13 cts., and in large bottles at 25 cts., and take no other. If you cannot get it at one store you can another.

☞ Sold by all Druggists, and Store keepers at 13 cts., and in large bottles at 25 cts.

DR. P. HALL'S

CELEBRATED

COUGH REMEDY!

CONTINUES to gain public favor and demand in all sections, and after the thorough experience of sixteen years, its reputation for efficacy in curing Throat and Lung diseases is fully sustained.—Wherever this medicine is most known its merits have established the greatest popularity and demand. It has become a standard remedy with many people for curing Pulmonary complaints and is kept in their houses for ready use whenever required. As a cure for Cough it is speedy and reliable—seldom requiring more than one bottle to cure a Cough of many weeks standing. For curing Croup it is not excelled, and as a remedy for Asthma its efficiency cannot be doubted, having restored many persons to health after suffering a long term of years with this miserable disease. For Bronchitis and Hoarseness it is safe and reliable, quickly removing irritation from the air passages. In Whooping Cough this Remedy is of great value—it promptly lessens the frequency and violence of the cough, and shortens the disease one half from its ordinary tedious course.

All diseases of the lungs and air passages depend upon irritation or inflammation in the lining mucus membrane and require the prompt use of thorough medicine to effect their removal. Hall's Cough Remedy is safe, speedy and effectual in its operation—is adapted to both sexes, to all ages and constitutions.
