#### REAL ESTATE.

In the city of Pittsburgh, and Liverpool, Ohio.

THE subscriber will sell the following VALUABLE PROPERTY in the city of Pittsburgh, upon highly eligible terms, both as to price and time.

1st. A lot of ground on Third street, extending from Third street to Second street, having a front of thirty feet. This lot is covered by that spacious warehouse, extending from street to street now in the occupancy of *A. Beelen.*

2d. A lot of ground, being sixty-six and two-thirds feet on Third street, and extending back towards Second street, about eighty feet. This lot adjoins the first lot mentioned in this advertisement, and extends towards Market street, to the buildings now erecting, by S. A. Gormley, Esq., if requested, it will be divided into two lots of 22 feet or thereabouts.

3d. Four lots of ground on Market street, situate between the building now being erected by Mr. Dunlap, on the corner of Second and Market streets, and the Watson buildings. These lots average 19 feet. They are now offered at a price, and upon terms that render them more eligible for investment, than any lots in the city. The attention of those who want to purchase excellent business stands, at a reasonable rate, is particularly requested to them.

4th. The lot on Fourth street, formerly occupied as a Police Office, having a front of 23½ feet, and a depth of 85 feet, more or less. The lot now offered for sale, and the one adjoining it, are believed to be the only lots now in the market, lying between Market and Wood streets, on Fourth, and the rapid rise of property on Fourth street, renders it an object to purchasers to make a quick application.

5th. A lot situate at the corner of Smithfield and 6th streets, fronting on Smithfield 26 feet, and extending along 6th street to Church alley 60 feet. On the lot are two tenements; it is subject to a ground rent of $17 per annum. It will be sold at a very moderate price to a good purchaser.

6th. A house and lot on Penn street, adjoining Cadwalader Evans, and now occupied as a boarding house by Mr. Shiletto. This lot has a front of 24 feet, and extends back to Brewery alley 110 feet; the house is a modern three story house, with back buildings, with spacious rooms and entry, and is well worthy the attention of purchasers. It will be sold low, as the proprietors reside in Philadelphia, and do not wish to retain property of that description.

7th. A house and lot on Hay street, between Penn street and the River, the house three stories high, with a basement, having a front of eighteen feet on Hay street and extending back the same breadth 110 ft. to an alley, with the use of the alley. The house is well finished in modern style, and is replete with every convenience, and will be sold cheap, in order to close a trust in favor of creditors.

8th. Lot No 50, in the plan of lots laid out by Cook & Cassatt, on Holmes' hill. Any person wishing to purchase for the purpose of building, or speculation, will find this lot an advantageous property.

9th. Three several ground rents, one forty-five dollars per annum: one of sixteen dollars per annum: and one of twenty-one dollars per annum, issuing out of property on 2d street, near the Kensington Iron Works.

10th. The subscriber will likewise sell the following valuable property situated in or near the town of Liverpool, Ohio. The undivided third part of a tract of land adjoining said town, being part of Sections Nos. 17 and 23 in township No. 5, of first range; containing, originally, about sixty-seven acres, now reduced by fractional sales to forty-two acres; the right of the present proprietor will consist of about fourteen acres when set off in severalty.

ALSO:

The undivided 3-4 part of a tract of land, containing 13 acres adjoining and town of Liverpool, being part of Section No 23, in township No 5, of first range.

ALSO:

The undivided 3-4 part of a piece of land, adjoining the town of Liverpool, containing in the whole, almost 4½ acres, being a part of fractional Section No. 23, in township No. 5, range first.

The three undivided fourth parts of four lots in the town of East Liverpool, being Nos. 41, 124, 130 and 140.

ALSO:

The undivided fourth part of a piece of land, in the vicinity of said town of Liverpool, containing between seven and eight acres, bounded on the north by lands of John Allison, and others; on the south, by lands of Isabella Fawcett; and on the west by other lands of James Blakely.

ALSO:

Three lots in the town of Liverpool, being lots Nos. 99, 107, and 110, in the said town plat, formerly owned by William Beeler.

ALSO:

27 lots in the town of Liverpool, Nos. 212, 228, 234, 254, 255, 267, 276, 271, 276, 277, 278, 279, 293, 295, 296, 297, 302, 311, 312, 347, 326, 324, 328, 329, 237, and 241.

The town of Liverpool is about fifty miles below Pittsburgh, on the Ohio River, and is one of the most flourishing and thriving villages in Ohio. The situation is remarkably healthy; the town well built, with numerous churches and schools; the population sober and industrious; the country around is fertile, and intersected with good roads in every direction; and the property offered, will afford to the mechanic and man of business, either for improving or speculation, decided advantages, as it will be sold at low prices, to close a concern in which creditors are interested.

#### Welch's National Circus!

*FROM THE OLYMPIAN AMPHITHEATRE, PHILADELPHIA.*

THIS splendid equestrian company composed entirely of STAR PERFORMERS, will exhibit under their splendid *Water-Proof Pavilion*, commodiously furnished for the comfortable reception of 3000 persons, at Pittsburgh, on the 10th, 11th, 13th, 14th, 15th and 16th of September next, in front of the AMERICAN HOTEL. Admittance, 25 cents.

Independent of Wills' celebrated *Brass Band*, the company will be saluted, on their arrival, by Mr. Wallace's *String Band*, playing airs from the most *popular Operas.*

In the evening the pavillion will be illuminated by the *patent sylvic Gas*, invented by B. F. Caston, Esq., of the United States Navy Department, Washington. It is an entirely new method, giving a superior light; free from all *nauseous effluvia*, the fault of all other attempts, and casting a light scarcely less brilliant than the *noonday sun.*

Constituting this company will be found Mr. *J. G. Cadwallader*, who will ride his much admired acts of the *Russian Envoy*, the *Terrors of a Sorcerer of Siam*, and the beautiful episode of the *Spirit on his last wing*, on 2, 3, and 4 horses.

*Madame Louisa Howard*, the great NATIVE FEMALE EQUESTRIAN, whose admirable personations, on a single horse charm and delight all who behold her, justifying public opinion in awarding to her the high position she has successfully held amidst a host of rival stars.

CLOWN—*Dan Rice*, the mirth-provoking Dan, whose infinite JEST and FUN, unstained by rudeness and vulgarity, places him far beyond the reach of IMITATION.

Mr. HORACE NICHOLS, the Prince of Ring Masters.

THE RIVERS FAMILY, whose union of talent, is without a parrallel in the world. CHARLES RIVERS the most finished artist in his arrangement and execution of scenes and gymnastic groups. FREDERICK RIVERS presents every kind of Foreign act, that can surprise by novelty, and Master RICHARD RIVERS, (the inimitable,) will perform his act on a single horse, as performed before the President and Senators of the United States, and by all present declared the most perfect union of *WONDER AND GRACE* the world ever knew.

Master T. NEVILLE, who has acquired the rare art of riding, and executing the most difficult feats BACKWARDS on a single horse.

Mr. WM. STOUT will ride his fine classic acts, on 2, 3 and 4 horses, forming a pyramid of *five persons*, whom he will bear above his horses at *lightning speed.*

SIGNOR GERMANI, the mighty Italian equestrian will ride his incredible necromantic scenes, introducing, "Les Intons du diable," and his Golden Patens, &c. &c. He will also bring forward his two wonderful dogs, whose feats are without equal in the Arena.

Mr. W. HOWARD, the Spanish scene rider, and great representative of the Red Man of the Forest.

Mr. CHARLES FOSTER, who rides a great dramatic scene, and a Grand Military act, entitled

HONOR TO OUR HEROES.

Or *All for our Country*, in which by the aid of *correct costume*, he will represent the Chief Patriarch praying for his country, GEN. ZACK TAYLOR, at Monterey, HIRAM STITT, a Yankee volunteer, *Santa Anna*, the commander of Mexico, concluding with the *SOLDIER OF FREEDOM*, bearing the memorable resolve,—"GEN. TAYLOR NEVER SURRENDERS."

MOSS DEROSS, of the Cirque Glompique, will introduce the Arabian Dancing Mare, (HAIDEE,) whose beautiful dance far surpass anything of the kind ever yet brought before the public. Also the comic ponies, Romeo and Juliet, will by their comic *dinner scenes*, leaps and counter leaps, prove their instinctive bent for drollery.

☞ Parents and guardians may with confidence bring their families, as under the watchful eye of the proprietor, nothing approaching a shade of vulgarity can find its way among the choice representations of the Arena.

The afternoon and evening performances *entirely* varied. aug24-1im

#### The Most Astounding Discovery.

A BLESSING! A MIRACLE!! A WONDER!!! *To cure Eruptions and Disfigurements of the Skin, Pimples, Freckles, Sunburn, Salt Rheum, Scurvy, Sore Heads, &c. &c.*

FOUR years ago last August, the capital of France was astonished in consequence of a discovery made by an Italian Chemist. Many doubted—it seemed almost an impossibility that any thing made by the hands of man, could have such singular powers as that claimed by ANTONIO VESPRINI for his invention. Many classed him and his invention as a humbug, (and, that no foolish person is without trying, in the same now;) at length, after testing it in the hospitals, the Medical Society of Paris, (the best chemists in the world) delivered the following report to Signor Vesprini:

"We have now minutely and carefully examined the singular invention of Vesprini. We have analyzed its component parts—we have used it in several cases, and we hesitate not to pronounce it (The Italian Chemical Soap) as a great blessing, and a truly wonderful remedy for any cutaneous eruption or disfigurement of the skin. Its inventor we consider the true philanthropist of suffering mankind.
(Signed) LEOPOLD DUPREY, Pres."

Then comes the report of the "Societe de l'Institute," of scientific experiments:

"We are astounded," exclaims the aged president, "at this singular preparation—Vesprini's Italian Chemical Soap! Where, indeed, will science stop! Here we have a preparation made in the form of a beautiful piece of soap, which we know by actual practice, to cure every cutaneous eruption, every disfigurement of, and even discolored skin! Where will its magic and singular power cease? The Negro, the Creole, the Yellow Race of the East, and the Red Man of the For West, are alike subject to the influence of its extraordinary powers of clearing yel low or discolored skin, and make it white and beautiful, and of changing the color of dark, or black, or brown skin." (Here se eral persons were brought forward by the president, who had used it, in proof of his assertions.)

FROM THE INVENTOR HIMSELF TO THE PRESENT PROPRIETOR.

*Paris, Nov 4, 1840.*

In consideration of the sum of $3600, I have disvulged to Mr. T. JONES, residing in the City of New York, N. A., the whole process of manufacturing, together with a statement of the ingredients composing my Italian Chemical Soap. He is to manufacture it for sale in the United States only, and to have the privilege of naming it *"Jones's Italian Chemical Soap."*

Witness, Henry J. Holdsworth.
(Signed) ANTONIO VESPRINI.

There are probably few persons of intelligence, who, after reading the above, will doubt the qualities of *Jones's Italian Chemical Soap*, in curing Eruptions, Disfigurements, Freckles, Salt Rheum, Scurvy, Erisipelas, Sunburn, Tarbhey, Tan, Yellow or Brown Skin, &c. Should there be such persons, perhaps the following recommendations, as well as hundreds from others, may convince them.
