"The Three Big Doors in The Western World!!!"

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, as much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the autumn sales, I can afford to sell at less profit than those others could possibly think of doing, if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

Clothing! Clothing!!

THE Spring and Summer stock that is now ready to be offered at the old stand of

THREE BIG DOORS,

is one of the largest and choicest in extention that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortments of articles which I now have to offer them; but will simply tell them that if they only favor me with a call, I will lay before them 175,000 different garments to make a choice out of, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of articles, any concern could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the mainspring of trade.—Without any intention of boasting; on my part, I will say at the same time, it is of such metal I am principally composed, for nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.

Now, let me say a word or two to my country merchants in the trade: If you wish to save from at least 25 to 50 per cent, in your wholesale purchases, call in at the "Three Big Doors," and I'll don't forget your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods. I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.

Great English Remedy!

FOR Coughs, Colds, Asthma, and Consumption!—The great and only Remedy for the above diseases is the *Hungarian Balsam*, lately discovered by the celebrated Dr. Buchan, of London, England; and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting the attention of the world to its merits, which can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians, are confirmed and incurable. The Hungarian Balsam has never failed, will cure, the most inveterate cough, in a quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to guard against the consumptive of the climate, but to be used as a preventive medicine in all cases of cold, hoarseness, spitting of blood, pain in the side and chest, irritation and soreness of the throat, bronchitis, difficulty of breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough, and croup.

Sold in quantities to suit purchasers, per bottle, with full directions for the restoration of health.

Pamphlets, containing a mass of English and American testimonials and other valuable information, relative to the merits of this great English Remedy, may be obtained of the Agents, gratuitously.

DR. G. C VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.

THIS celebrated remedy continues to increasing its fame by the making all over the world. It has now become the only medicine for family use, and is particularly recommended for Old Dropsy; all stages of which complaint immediately relieved, no matter of how long standing. (See the pamphlet testimony.)

Gravel, and all diseases of the urinary organs; for these distressing complaints it stands alone; no other article can compare with it. Thousands can be cited to will convince the most skeptical.—(see pamphlet.) Rheumatism, Pain, Illious Diseases, Fever and Ague. To the Great Western country, and to those in the Southern parts this medicine is offered. No mineral agent, nodelerious compound is a part of this mixture; it carries these diseases with it entirely and does not leave the system as certain torpid. (See pamphlet.) Piles, a complaint of a most painful character, is immediately relieved, and a cure followed by a few days use of this medicine. It is for all and any other proportion for this disease, or for any other complaint arising from impure blood. (See pamphlet.) Debility of the System, Weak Back, Pain in the Side, Kidneys, &c., or Inflamation of the same, is immediately relieved by a few days use of this medicine, and a cure is always the result of its use. It stands as a certain remedy for such complaints, and also for derangements of the female system, Leucorrhoea, Suppressions, painful menstruations. No article has ever been offered, except this, which would touch this kind of derangements. It may be called upon as a sure and effective remedy; and, did we not fear permitted to do so, could give a thousand names as proof of cures in this distressing class of complaints. See pamphlet. All broken down, debilitated constitutions, from the effect of mercury, will find the healing power of this article to act immediately, and the poisonous mineral eradicated from the system.

Eruptive Diseases will find the alterative properties of this article superior to any other remedy, in purifying the system. See pamphlet for testimony of cures of diseases, which the limits of an advertisement will not permit to be given here; Agents are there given, and it contains 32 pages of certificates of high character; and a stronger array of proof of the virtues of a medicine, never it appeared. It is one of the peculiar features of this article, that it never fails to benefit in any case, and if bones and muscle are left to build upon, let the emaciated and lingering invalid note on, and keep taking the medicine as long as there is an improvement. The proprietor would caution the public against a number of articles which come out under the heads of SARSAPARILLAS, Sarsaparillas, as cures for Dropsy, Gravel, &c. They are good for nothing, and concocted to gull the unwary: TOUCH THEM NOT. Their inventors never thought of curing such diseases till this article had done it. *A particular study of the pamphlets is earnestly solicited.* Agents, and all who sell the article, are glad to circulate gratuitously. Put up in 30 oz. bottles at $2; 12 oz. do. at $1 each—the larger holding 6 oz. more than the two small bottles. Look out and not get imposed upon. Every bottle has "Vaughn's Vegetable Lithontriptic Mixture" blown upon the glass, the written signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207, Main street, Buffalo, wholesale and retail.

No attention given to letters unless post-paid—*order from regularly authorized Agents excepted.* Post-paid letters, or verbal communications soliciting advice, promptly attended to gratis.

HARNDEN & CO. continue to bring out persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual promptness and attention to the wants of emigrants. Connell's Magical Pain Extractor.

IT is now conceded by medical men that Connell's Magical Pain Extractor, manufactured by Comstock & Co., 21 Courtland st., New York, is the greatest wonder of the 19th century. Its effects are truly miraculous. All pain and inflammation are removed from burns, scalds, &c., in a few minutes after its application; healing the same on the most delicate skin, leaving no scar. It is warranted to cure the Piles, and all inflammatory diseases, such as sore Nipples and Eyes, Sprains, Rheumatism, White Swelling and Ulcers, Bruises, Burns, Chilblains, Erysipelas, Felons, Tetter, Salt Rheum, Scald Head, Ringworm, Inflamed Eyes or Eye-lids, Barber's Itch, Frosted Feet, Old Sores arising from fever or impure blood; and will cure any of the above in one application, or remove any cutaneous eruptions from the skin. Persons in troubled with tender faces should use it after shaving; it will, in a few moments, remove all soreness and stop the bleeding. It can always be relied on, and is invaluable in any family.

TAR OINTMENT,

For the cure of pains or weakness in the liver, back or chest; it will entirely remove any deep seated pain. These remedies have caused many to enjoy the inestimable blessings of invigorated health, and in a variety of desperate and abandoned cases, a perfect and radical cure.

The innumerable impositions upon the public, and the statements of worthless preparations, which are credited to by feigned names, or by persons wholly unacquainted with what they have endorsed, renders it difficult to do justice to the public in offering testimonials, sufficient to make a trial of these invaluable medicines. They are entirely unlike any other, and free from injurious ingredients, and claim your patronage solely upon merit. Every family should have a pamphlet—they can be had of the agent gratis.
