SENTINEL & REPUBLICAN

MIFFLINTOWN.

WEDNESDAY, JULY 16, 1890.

B. F. SCHWEIER,

EDITOR AND PROPRIETOR.

Republican State Ticket.

GOVERNOR,
GEORGE W. DELAMATER,
Crawford County.

LIEUTENANT-GOVERNOR,
LOUIS A. WATRES,
Lackawana County.

SECRETARY OF INTERNAL AFFAIRS,
THOMAS J. STEWART,
Montgomery County.

Too much paper money in Buenos Ayres has sent gold up to $2.02.

As independent trick may win once, which Pattison will discover next November.

SENATOR WALTHAL has gone to Europe and Pattison will be sent up Salt River in November.

THE Louisiana Lottery bill was passed by the Louisiana Legislature over the Governor's veto.

It will take Pattison busy to hold 75 per cent. of the Democratic party in line for the November election.

"THE train which went through Range Creek bridge, near Collinsville, Texas, was loaded with beer and liquors. The natives from the surrounding country were not long in learning how much liquor was going to waste, and in a few hours nearly the whole township was drunk.

Not For Pattison.

THE Philadelphia Inquirer says: Mr Daniel Mochan, formerly chairman of the Bradford County Democratic committee, now superintendent of the Pennsylvania Canal Company, is one of the Democrats who is opposed to his party's candidate for Governor. He is outspoken in his opposition. Said he,

"I am utterly opposed to Pattison on account of his veto of the Soldier Burial bill, which was happily passed over his head, and is to-day one of the best and most humane laws in our State. I think you understand me when I say that I oppose Pattison's election for Governor not because I have any love for the Republican party. I have great respect for the Democratic party, believing its mission, when properly directed, will tend to keep our government, both State and national, from being run into partisan extremes. But a people without sentiment for the nature of their institutions will not be able to perpetuate our form of government. It was innate sentiment that prompted the young men of our State and country to volunteer in 1861 in defense of the union, and not sordid gain, as some of the men of this day say, actuate them. Governor Pattison, by his veto of that bill, did all that was in his power to to crush out of the minds of the rising and coming generation that natural and just appreciation of patriotism.

"My further reason for opposing Pattison is, if he were elected (which is not possible), it would only demoralize the Democratic party in the future. The Democrats of Pennsylvania were not responsible for Governor Pattison's acts, whether good or bad, until they renominated him. Now every member of the party who votes for him approves of all his acts. Therefore the Republican party can, with the utmost propriety, charge the Democrats with being soldier haters. Should he be elected again, what is to prevent him from showing his contempt for the soldiers in a still more marked way? It was the soldiers who saved the Union of these States. Yes, they saved Pennsylvania from pillage. But of course that was all wrong, according to Mr. Pattison's Christian and political (not Democratic) notions. This subject is worthy of being treated by a masterly hand, and of course I am only able to give a mere outline of the position that Governor Pattison, by his then one-man power, tried to inject into our manner of treating the brave volunteer soldiers of our country."

A Prohibition Champion Dead.

NEW YORK, July 9th.—General Clinton B. Fisk, the Prohibitionist leader, died at his home 175 West Fifty-eighth street, at half past ten o'clock this morning. He had suffered from an attack of the grip since last winter and his death was due to a relapse.

Clinton Bowen Fisk was born on December 8, 1828, at the village of Griggsville, Livingston county, N. Y. His parents were of Puritan stock, who had emigrated from New England to the Genesee Valley. His father, Captain Benjamin Fisk was a blacksmith and wagon maker. Clinton was his fifth son and when the child was less then 2 years old the family emigrated to Michigan, settling in the wilderness county of Lenawee, where two years later Captain Fisk died, leaving his widow to face the world with six boys to rear.

A SELF-MADE MAN.

Clinton when nine was bound out to Deacon Wright, and worked on his farm for several years. He picked up his education by indomitable effort. He got his first book of Latin lessons by training a coon to do tricks and selling him to a circus. When he was thirteen his mother married William Smith a well to-do farmer. His step-father liked him and the lad was preparing to enter the Wesleyan Seminary at Albion when Mr Smith died. The twice widowed mother removed to Albion, and Clinton began his studies, but before he was graduated his eyesight failed him and he had to give up all hopes of taking a college course. He became a clerk in a store afterwards; was an insurance agent. He entered the army as a private, became a colonel and a brigadier general. He was a Methodist in religion. In 1988 he was the National Prohibition candidate for the Presidency. There are thousands upon thousands of men in private life as able and as good as was General Fisk, but to the youth who is attached to the glitter of public life, the career of the General is a shining light in the way of what may be secured.

Dependent Pension Bill.

President Harrison signed the Dependent Pension Bill. The following are the rules prescribed for obtaining pension under the new law approved June 27, 1890

All pensions under this act will commence from the date of filing the application (executed after the passage of the act) in the Pension Bureau No application or declaration will be good, if executed before June 27, 1890, (date of the act), or if not in the form substantially prescribed by the Secretary. Discharge certificates need not be filed until called for. The rates of this law are not affected by the rank of the soldier. This act provides the following rates: For dependent father or mother, $12; the widow, $8, and $2 additional for each child of soldier under 16 years; and if the widow dies, the child or children can draw such pension. The soldier is entitled to any rate from $6 to $12 according to inability to earn a support. A pensioner under existing laws may apply under this one, or a pensioner under this one may apply under other laws, but can draw only one pension at the same time.

This law requires in a soldier's case: (1) An honorable discharge (2) That he served at least ninety days. (3) A permanent physical or mental inability to earn a support, but not due to vicious habits. (It need not have originated in the service.)

In case of a widow: (1) That the soldier served at least ninety days. (2) That he was honorably discharged (3) Proof of death, but it need not have been the result of his service. (4) That the widow "is without other means of support than her daily labor." (5) That she married the soldier prior to June 27, 1890, date of the act.

Independent parent's case: (1) That the soldier died of a wound, injury or disease, which under prior laws, would have given him a pension. (2) That he left no former child. (3) That mother (or father) is at present dependent on his or her own manual labor, or the contributions of others not legally bound for her (or his) support.

The rules and regulations of the Department will govern applicants and attorneys. The fee shall in no case be greater than $10, and only as shall be agreed upon hereunder between the claimant and agent.

Terrible work of Flames.

LOUISVILLE, July 9.—The family of Mr. Watson, consisting of his wife, their 8-year-old son and 18 months-old infant, were burned to death near Harmony, Kentucky, on Saturday. Mr. Watson had been away from home with a number of friends to cut a bee tree, and on his return, at about 11 o'clock, from the top of a neighboring hill saw his house in flames. Before he could reach the home the family, who had gone to bed, were cut off and were beyond all hope of rescue. The fire was of incendiary origin.

A Remarkable Faster.

GALENA, Ill., July 9—John Roth, a pauper in the county hospital, is the greatest rival of the illustrious Tanner that has come to the front of late. This remarkable faster, according to the testimony of the county physician and of Superintendent Byrne, has not tasted food, solid or liquid, in eight weeks and his remarkable period of abstinence has reduced him physically to a slight degree only.

On May 23 last he was brought to the County House, and since that time not a morsel of food has passed his lips. As his fast began a week before he was brought to the hospital, he has existed under these remarkable conditions for the seemingly impossible period of eight weeks, yet he has not reduced greatly in flesh and seems as well as when his fast began.

SPRINGFIELD, O., July 9.—Arthur Businger, a 20-year-old farmer's son, living six miles north of here, met with a shocking death last evening from a heavy electric bolt while trying with a number of others to get some hay in out of the rain. He was standing beside a hay-wagon, half-loaded, pitchfork in hand, when Heaven's weapon descended. Every article of clothing on his body was reduced to shreds except his shirt, only a small piece of which was left around his neck. His chest was made perfectly raw, and a large livid nicely formed cross was marked on his back. Both legs were blackened and made ghastly; but the most curious part of the fatality was what happened after he was struck.

The bolt leaving his body entered the ground at his feet and excavated as cleanly as if done with a steam shovel a hole exactly like a grave. The six other men standing around were all seriously but none fatally shocked.

ASSEMBLY.

EDITOR SENTINEL AND REPUBLICAN:—Announce that Wm. Hertzler of Port Royal is a candidate for the nomination of Assemblyman from Juniata Mr. Hertzler is the present member, and his record commends itself to such a degree that it seems like a mistake not to return him to the State Legislature.

PORT ROYAL.

PROTHONOTARY.

EDITOR SENTINEL AND REPUBLICAN:—At the request of many friends, I ask you:—Please announce my name as a candidate for the office of Prothonotary, subject to the usages of the Republican party in Juniata county. If I receive the nomination and am elected I will try to please the people whom I could serve in the duties of the office.

OLIVER C. DIFFENDERFER.

COUNTY COMMISSIONER.

EDITOR OF THE SENTINEL AND REPUBLICAN: Please announce the name of Uriah Shuman of Delaware township as a candidate for the office of County Commissioner. Mr. Shuman ranks among the best citizens in the county. He is able and honest. He has always been in the front for the advancement of his party principles, and never behind when the good of the people in local affairs are at stake. He is the kind of a man to nominate at the primary election, and the kind of a man the people will gladly vote for and elect to the office in November.

DELAWARE.

EDITOR SENTINEL AND REPUBLICAN:—Please announce to the Republican voters of Juniata county the name of Wm. B. McCahan of Milford township as a candidate for County Commissioner. Mr. McCahan has hosts of friends. He is a farmer, a good citizen, was a soldier, is a competent man, and is a typical American, who will fill the office with credit to himself and fidelity to the public generally.

MILFORD.

MR. EDITOR:—At the request of numerous friends and citizens of Juniata, I present myself to the consideration of the Republicans for renomination for the office of County Commissioner, subject to Republican usages. My past administration of the office is a guaranty of what my future action will be, if favored by a re-nomination and re-election.

FRANCIS HOWER.

EDITOR SENTINEL AND REPUBLICAN:—Dear Sir: The county government which is lodged in the board of County Commissioners, is of more importance in times of peace to the people of the county than the general government and therefore the board of county commissioners should be composed of honest and capable men, who will discharge the affairs of office for the general good. With this object in view I would name Joseph Sieber of Fayette township as a citizen abundantly qualified to fill the important office of county commissioner. His nomination at the primary election will give the people generally an opportunity to elect a good man to the important office in November.

JUNIATA.

EDITOR SENTINEL AND REPUBLICAN: Please announce the name of W. Harry Moore, of Walker Twp., as a candidate for nomination for County Commissioner, subject to Republican usages. Mr. Moore's record as a Soldier and Citizen is without blemish and he possesses all the qualifications necessary to make a good and efficient officer having received within a few votes of a majority three years ago, after not being able to canvass the county on account of sickness in his family, fully attests his claim for the office.

MIFFLINTOWN.

May 12, 1890.

MR. EDITOR:—Please announce that I am a candidate for the office of County Commissioner, subject to Republican rules. If nominated and elected I pledge myself to an efficient and economical administration of county affairs in the interest of the tax-payers.

JOHN S. MUSSER.

Walker township, June 24, 1890.

COUNTY TREASURER.

EDITOR OF THE SENTINEL AND REPUBLICAN—Dear Sir:—James J. McMullin of Tuscarora township has numerous friends, who desire to have him announced as a candidate for the office of County Treasurer at the Republican Primary Election, subject to the rules that govern the party, feeling satisfied that if he becomes the standard bearer for that office, he will prove a tower of strength before the people in old Tuscarora and the upper end, and throughout the entire county at the November election. He is a man of straight forward address and good business qualifications and common sense views of financial affairs.

TUSCARORA.

EDITOR OF THE JUNIATA SENTINEL AND REPUBLICAN—Dear Sir—In conformity with the rules of the Republican party for primary nomination that all candidates for office must be publicly announced, I present the name of Luke Davis of Walker township as a most suitable man for the office of County Treasurer. Mr. Davis lives in the heaviest tax-paying township in the county, a township that has not been honored with a nomination for county office in years. He has been a heavy tax-payer all his life, an economical citizen, a tiller of the soil, a soldier in the Union army almost three years, a member of the National Guard five years, a good citizen every way, who will prove himself an efficient county officer, if the people will do themselves justice in electing him.

WALKER.

EDITOR SENTINEL AND REPUBLICAN:—No man in this community has the public confidence to a greater degree for honesty of purpose and financial integrity than Frederick Espenshade, and for that reason he is one of the fittest men in the county for official position, therefore I present him as a candidate for the primary nomination for the office of County Treasurer. He has not been an office seeker and for that reason will be acceptable to a large majority of people. His extensive acquaintance which has been acquired throughout the county by diligent attention to business will make him invincible before the people in November.

MIFFLINTOWN.

EDITOR SENTINEL AND REPUBLICAN:—Dear Sir: John F. Ehrenzeller of Fayette township, may not be known personally to every man in the county, but wherever he is known his name when mentioned in connection with the nomination for the office of County Treasurer, inspires confidence. He is a man of the people and resides in the banner district of the county. The eyes of all Juniata are turned upon Fayette at election time. Considering the personal qualities of Mr. Ehrenzeller and the district in which he lives his nomination at the primary would be most timely and his election assured in November.

FAYETTE.

COUNTY CHAIRMAN.

EDITOR SENTINEL AND REPUBLICAN. Dear Sir:—Please announce Calvin B. Horning of Mifflintown as a candidate for chairman of the Republican County Committee. Mr. Horning is an able organizer and will make an efficient chairman.

MIFFLINTOWN.

At the earnest request of Republicans from all parts of the county, I offer myself for re-election as Chairman of the County Committee. If elected my course in that office during the past year will be a pledge for my future conduct.

CARL F. ESPENSCHADE.

DR. WARNER'S celebrated Coraline Health Corsets have one peculiarity which pertains only to corsets of their make. The bust retains its shape to the end, and the corset imparts to the wearer a well-proportioned and beautiful figure. The corset is boned with Coraline, a substance superior to the finest whalebone. Made in short, medium and extra long waists.

There are many imitations, but you will find "Dr. Warner's Coraline" printed on the inside of every genuine corset. They are sold by your nearest dry goods dealer.

NO MORE OF THIS!

Rubber Shoes unless worn uncomfortably tight, will often slip off the feet. To remedy this evil the

"COLCHESTER" RUBBER CO.

offer a shoe with the inside of the heel lined with rubber. This clings to the shoe and prevents the Rubber from slipping off.

Call for the "Colchester"
"ADHESIVE COUNTERS"
and you can walk, run or jump in them.
