**The Most Astounding Discovery.**
A BLESSING! A MIRACLE!! A WONDER!!!
*To cure Eruptions and Disfigurements of the Skin, Pimples, Freckles, Sunburn, Salt Rheum, Scurvy, Sore Heads, &c. &c. &c.*

FOUR years ago last August, the capital of France was astonished in consequence of a discovery made by an Italian Chemist. Many doubted—it seemed almost an impossibility that any thing made by the hands of man, could have such singular powers as that claimed by ANTONIO VESPRINI for his invention. Many classed him and his invention as a humbug, (and, alas! many foolish persons without trying, do the same now;) at length, after testing it in the hospitals, the Medical Society of Paris, (the best chemists in the world) delivered the following report to Signor Vesprini:

"We have now minutely and carefully examined the singular invention of Vesprini. We have analyzed its component parts—we have used it in several cases, and we hesitate not to pronounce it (The Italian Chemical Soap) as a great blessing, and a truly wonderful remedy for any cutaneous eruption or disfigurement of the skin. Its inventor we consider the true philanthropist of suffering mankind.
(Signed) LEOPOLD DUPREY, Pres."

Then comes the report of the "Societe de l'Institute," of scientific experiments:

"We are astounded," exclaims the aged president, "at this singular preparation—Vesprini's Italian Chemical Soap! Where, indeed, will science stop! Here we have a preparation made in the form of a beautiful piece of soap, which we know by actual practice, to cure every cutaneous eruption, every disfigurement of, and even discolored skin! Where will its magic and singular power cease! The Negro, the Creole, the Yellow Race of the East, and the Red Man of the Far West, are alike under the influence of its extraordinary powers of clearing yellow or discolored skin, and make it white and beautiful, and of changing the color of dark, or black, or brown skin." (Here several persons were brought forward by the president, who had used it, in proof of his assertions.)

READ THIS!
FROM THE INVENTOR HIMSELF TO THE PRESENT PROPRIETOR.

*Paris*, Nov 4, 1840.

In consideration of the sum of $3600, I have divulged to MR. T. JONES, residing in the City of New York, N. A., the whole process of manufacturing, together with a statement of the ingredients composing my Italian Chemical Soap. He is to manufacture it for sale in the United States only, and to have the privilege of naming it "*Jones's Italian Chemical Soap.*"

Witness, Henry J. Holdsworth.
(Signed) ANTONIO VESPRINI.

There are probably few persons of intelligence, who, after reading the above, will doubt the qualities of *Jones's Italian Chemical Soap*, in curing Eruptions, Disfigurements, Freckles, Salt Rheum, Scurvy, Erisypelas, Sun-burn, Morphew, Tan, Yellow or Brown Skin, &c. Should there be such persons, perhaps the following recommendations, as well as hundreds from others, may convince them.

HOWES & CO'S
**GREAT UNITED STATES CIRCUS!**
JOHN C. HOWES, AGENT.

*Embracing a Treble Company, and by far the Large est Establishment ever Organized, consisting of*
**200 MEN AND HORSES!!**
ADMITTANCE TO THE BOX, 25 CENTS.

WILL be Exhibited in front of the AMERICAN HOTEL, PITTSBURGH, on Monday and Tuesday, the 27th and 28th of September.

This Company will make their grand procession through the principal streets, at 11 o'clock in the morning, headed by the great and

MAGNIFICENT GOLDEN CHARIOT,

drawn by 20 beautiful cream colored horses, and driven in hand by the celebrated driver MARK JOHNSON. The exterior is literally covered with Gold, the interior is lined throughout with the richest crimson velvet, and of sufficient capacity to seat 30 people. This vehicle is altogether superior to the one used by Van Amburg, or any other that has been seen in the United States, and cost the proprietors $6000. Next comes

THE TOM THUMB COACH,

only 37 inches in height, and in weight about 100 pounds; this diminutive carriage forms a novel sight of itself, and when compared with the ponderous Band Chariot, the contrast is wonderful and pleasing, being drawn by two diminutive ponies only 35 inches in height, accompanied by Postillion Footmen, outriders, &c. This is followed by the

LOCOMOTIVE GAS CARRIAGE,

on which is fitted up a Furnace and Gasmeter.—Pipes, and other apparatus, (at an enormous expense) for lighting the extensive establishment, which will be lighted more brilliant than mid-summer sun, by the best of Gas, flowing from 200 burners. This novel sight can only be seen at Howes & Co's United States Circus. After which comes a train of 30 carriages, containing Performers' Wardrobes, &c., &c.

An engagement has been made for the season with W. H. KEMP, the celebrated clown from Astley's Amphitheatre, Drury Lane, and other theatres in London, who from his unquestionable superiority has won for himself the enviable soubriquet of the *Modern Grimaldi*. He was twice called to appear at Windsor Castle, by special command of Queen Victoria, and was granted an audience of royalty, an honor to which few public performers could attain. Her Majesty and Prince Albert were also visiters to Astley's Royal Amphitheatre on the first production of Pantomime of Harlequin's, Frolics, or Mistakes of a Night, which beautiful entertainment will be given with all original effects, at every evenings performance of the Company. His astonishing performance on a revolving barrel at full speed, and accomplishing the most novel feats with amazing velocity—propelling himself solely with his feet.

Mr. W. O. DALE, first principal Equestrian and Vaulter of the country, having thrown the greatest number of somersets (57) ever accomplished by any performer in the world. His Still Vaulting while in England, in Batty's Company, made a great sensation, no performer on that side of the Atlantic having accomplished over 50 or 60 somersets.

Mr. T. MCFARLAND, the only rival in vaulting of Mr. Dale, and the hero of 79 somersets, for which he holds a gold medal. The audience will have an opportunity of seeing two of the greatest vaulters in the world, actually contesting the championship of their profession.

Mrs. W. B. CARROL, the highly admired and justly celebrated female equestrian is attached to this company, and will appear in an unrivalled act of Equestrianism, in which she will introduce a new style of Seats entirely her own.

B. W. CARROL, the great two horse rider and vaulter is also attached to this company.

M. G. W. SENOBANY, in his Shakspearian changes bleact.

The juvenile prodigies, William and George, pupils of Mr. Nixon, form not the least interesting part of the spectacle. For a full discription of performance, see bills and pamphlets at the principal Hotels. sep:910d&2tw.
