Daily Review of the Markets.

OFFICE OF THE POST, TUESDAY MORNING, *August 8th, 1848.*

The wharf looked very dull yesterday; hardly a dray load of freight could be seen at any one time. Business is not slack for the season, but there are now so many low water boats that what little is done is quickly done, and is not noticed. There were but few transactions in the stores or streets yesterday; and but few receipts of anything to speculate upon.

FLOUR. There was a brisk demand on the wharf, but no receipts of any account. We heard of but one sale, of 15 bbls. at $4,15; other lots arrived, but on consignment; $4,25 might have been obtained for small parcels. From store we heard of no sales above $5,25.

CORN. In store 37½c. is asked for small lots; not much in market. There appears to be some inquiry.

GROCERIES. No change in market; regular sales of Molasses at 28c.; Sugar at 5@6½c.; Coffee at 7½@8c.

FEATHERS. Sales of single sacks at 32c.

BACON. There is an active demand; sales from smoke-houses at 6c.; sales of country cut at 6½c.; Shoulders sold at 4@4½c.

RYE FLOUR. Sales from store by dray load at $2,85.

OATS. Nothing doing. The same may be said of all Grains.

PIG METAL. Some receipts of Allegheny, but no sales that we heard of.

CHEESE. Sales of 10 boxes at 6½c.; Common article worth 5@5½c.

FRUITS: No change since last week. There is a steady demand for retailing.

LARD. We heard of but one transaction, sales of kegs and barrels at 6½c. The article was good.

☞ In the market generally there is nothing worth reporting.

LIVER COMPLAINT, JAUNDICE, DYSPEPSIA, LOW SPIRITS, DEBILITY, DISEASE OF THE KIDNEYS, ASTHMA, and all affections arising from derangement or disease in the Biliary, Digestive, Vascular, Respiratory, and Nervous Systems, such as constipation, inward piles, heartburn, loss of appetite, coated tongue, acidity of the stomach, swimming of the head, fullness or weight in the stomach, dimness of vision palpitation of the heart, Hiccoughs, Choking or suffocating sensations, depression of spirits, sudden flushes of heat, pain in the side or back, weakness of the limbs, cold feet, constant fretfulness of evil, fever and dull pain in the head, pain and difficulty of breathing when lying upon the side, frightful dreams, sour eructations, yellowness of the skin and eyes, deficiency of perspiration, &c., &c., can be effectually cured

BY DOCTOR HOOFLAND'S CELEBRATED GERMAN BITTERS.

Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures in this city attest, in many cases after skillful physicians had failed.

Derangement in the liver and stomach are sources of insanity—from disorder or obstruction a morbid action of the sympathetic and other nerves follows, and the functions of the brain are impaired and deranged; as organs are the connecting medium between mind and matter, it follows from the reciprocal action that both must be more or less implicated and deranged simultaneously; derangement there will also produce disease of the SKIN, LUNGS, LIVER AND KIDNEYS, as well as the brain. The thousands THAT DIE with YELLOW FEVER, CHOLERA or INFLUENZA, is owing to the same cause; and the numerous cases of cases of that most painful disease, CONSUMPTION, originates from the same. In fact the stomach is the important organ in the system of man; on upon it you depend for the success and all the advantages to be derived from the administration of internal medicines. Its functions are of the utmost importance to every one it constituting the source and sustain of life, which is nutrition. No organ possesses such remarkable sympathies, none such remarkable power of modifying every part of the system.

The rare success in treating disease of the liver and stomach successfully has not been a want of philosophical knowledge of their functions, but the preparation of a compound that would act upon the disease and all the sympathetic afflictions. That point has been gained in these Bitters, and they are ENTIRELY VEGETABLE, and will in every case permanently destroy costiveness, and give strength and vigor to the frame, at no time debilitating the patient, and they are grateful to the most delicate stomach under any circumstances.

ALL CAN BE CURED,
WHO WILL USE THEM AS DIRECTED,
(IF WITHIN THE POWER OF MEDICINE.)

The few months this preparation has been before the public, from its infallible efficacy, elicited the eulogy of the press through the land, their object being for the benefit of suffering humanity, its success has surpassed all precedents, and it is free from all alcoholic stimulant, syrup, mercury, aloes, quinine, acids, and all injurious ingredients, and especially adapted to the diseases of the variable climate of the United States, and the West India Islands.

WEEK AND DELICATE CHILDREN are made strong by using it—in fact it is a family medicine, and can be administered with safety to a child one year old; the delicate female, or a man of ninety.

The Philadelphia Democrat says:—This medicine has an extraordinary virtue and efficacy, and is in great demand. We can speak from experience, that it has produced many wonderful cures.

The Daily Sun says:—We believe it is one of the best medicines of the age—a friend having used it in his own family with great satisfaction in the Jaundice and Liver Complaint.

The Spirit of the Times and Keystone says:—Do our good citizens, who are invalids, know the many astonishing cures that have been performed by Dr. Hoofland's celebrated German Bitters? If they do not, we recommend them to the German Medicine Store, 278 Race-street, all who are afflicted with Liver Complaint, Jaundice, Dyspepsia or Nervous Debility; the Doctor has cured many of our citizens, after the best physicians had failed. We have used them, and they have proved to be a medicine that every one should know of, and we cannot refrain giving our testimony in their favor, and that which gives them greater claim upon our humble efforts, they are entirely vegetable.

The Evening Bulletin says:—The Celebrated German Bitters are an invaluable remedy for Jaundice, Dyspepsia, and nervous complaints.

Neal's Gazette says:—It is not often we notice the various excellent medicines advertised in our columns, because we are unwilling to speak except from personal experience, and a good constitution fortunately makes us generally strangers to such articles. A word, however, of Dr. Hoofland's German Bitters. This we know to be an excellent article fulfilling in every respect what is claimed for it by the advertiser.

The Daily News says:—

A MEDICINE.—We speak knowingly of Dr. Hoofland's celebrated German Bitters when we say it is a blessing of late age, and in diseases of the biliary, digestive and nervous systems, it has not, we think, an equal.

IT IS VEGETABLE PREPARATION AND MADE WITHOUT ALCOHOL, and to all invalids we would recommend it as worthy their confidence.

What stronger testimony can a medicine have? At the Depot can be seen the evidences of many of our most respectable citizens of Cures in all the foregoing diseases.
