REORGANIZATION of the celebrated and original Band of SABLE HARMONISTS, consisting of Messrs.

WM. G. PLUMER, J. B. FARREL,
J. TICHENOR, T. F. BRIGGS
R. M. HOOLEY. S. A. WELLS,
and WM. ROARK,

Who have the honor of announcing to the public that they will give three of their select and popular entertainments

AT THE ATHENÆUM MUSICAL HALL,

On Friday, Saturday and Monday evenings next, on which occasion they will appear in an entire new selection of Songs, Duetts, Trios, Choruses, from the most approved operas, arranged expressly for the Company.

The instrumental part comprises two Violins, two Banjos, Guitar, Congo Tambo, and Bones, upon which the respective performers stand unrivalled, and wish it understood that, individually or collectively, as regards style and execution, they hereby challenge the world.

Great care has been taken in the selection of the numerous Songs, &c., which will be sung as heretofore, in a manner that must defy competition.

The greater portion of this company have been organized nearly six years, and in that time have travelled over the immense space of *Forty Thousand Miles of Territory!*

Their Concerts, in the mean time, invariably crowded to suffocation by the beauty and fashion of the various cities, who have bestowed the highest eulogiums upon their talent.

This band have just arrived from the Queen City, with a strong recommendation to the patronage of the Iron City as crowded houses and unbounded applause of intelligent and discerning audiences can give.

The company will perform but for the time above specified, and will immediately start for Buffalo, Albany and New York, from which place they will embark for Europe.

They also take great pleasure in stating that from the valuable acquisitions lately made to the Band, they are now enabled to give the celebrated laughable burlesque on the

SWISS BELL RINGERS,

As originally arranged by Messrs Wells and Hooley, at Buffalo, N. Y.

The entertainments will consist of three parts—

1st. *As* the exquisite or Northern Negro, with popular parodies, &c.

2nd. *As* the Sable Bell Ringers.

3d. *As* the Plantation or Southern Darkies.

Cards of admission 50 cents, and to prevent confusion at the doors, tickets will be left for sale at the principal music stores, &c.

No postponement on account of the weather.

Further particulars see programmes.

HARNDEN & CO's
PASSENGER AND REMITTANCE Office.

PERSONS brought out by this Agency upon the most reasonable terms, from any part of England, Ireland, Scotland, and Wales, and in Packet Ships only. Foreign Correspondents to agree with the British Government have frequently cautioned Emigrants at Home and their friends in America, against the frauds that are continually practised upon them, and have always referred to the well known house of *Harnden & Co.* as the right place for all to apply if they wish to be treated with punctuality and kindness. We refer to the above facts in view of the conduct of the Rev. O'Malley, Editor of the Pittsburgh Catholic, who has set in judgment upon us (as he supposes) by ejecting our advertisement from his paper, thus depriving us of a fair chance to come before the Catholic Community, and let them judge of us by our actions.

Sight-Drafts to any amount payable at any of the branches of the Provincial, or National Banks of Ireland, England, Scotland, &c. We draw our own Exchange, we do not take money and send it to the East to get some one else to remit, thereby causing mistakes and delays. Let the Brokers, &c. call upon us, and we will accommodate them at New York rates. JOSHUA ROBINSON,

Fashionable Boot Maker.

THE subscriber would respectfully inform the public that he has purchased the Boot Establishment of R. Perry, No. 55 Wood st., and will carry on the business, in future, in all its branches. The manufacture of gentlemen's boots, will be particularly attended to, and the best mechanics employed to perform all parts of the labor, connected therewith. The very best materials will be used in their manufacture. From a long experience in the business, as well as being a practical workman, the subscriber expects a share of public patronage.
WM. BUTLER,

More Testimony in Favor of Dr. Ralph's PILLS.

DISEASES OF WESTERN CLIMATE.

Ira Carpenter, Postmaster, of Scottsville, N. Y., says: "I have found your pills to be of great service to me in removing bilious difficulties, as well as others of this Western Country, and sufficient to remove all attacks of disease, without any other medicine. I used to be confined to my bed two thirds of every season, with bilious difficulty, before I commenced the use of them. *Since that* I am not even confined to my room, one week in the year, from these complaints. I had three children, that suffered the same with me, and before I procured this medicine, one of these dear children fell a victim to the fatal Western consumption, the other two are yet living, and have been equally benefitted by the use (exclusively,) of your domestic Pills."

HOWES & CO'S
GREAT UNITED STATES CIRCUS!
JOHN C. HOWES, AGENT.

Embracing a Treble Company, and by far the Largest Establishment ever Organized, consisting of
200 MEN AND HORSES!!
ADMITTANCE TO THE BOX, 25 CENTS.

WILL be Exhibited in front of the AMERICAN HOTEL, PITTSBURGH, on Monday and Tuesday, the 27th and 28th of September.

This Company will make their grand procession through the principal streets, at 11 o'clock in the morning, headed by the great and

MAGNIFICENT GOLDEN CHARIOT,

drawn by 20 beautiful cream colored horses, and driven in hand by the celebrated driver MARK JOHNSON. The exterior is literally covered with Gold, the interior is lined throughout with the richest crimson velvet, and of sufficient capacity to seat 30 people. This vehicle is altogether superior to the one used by Van Amburg, or any other that has been seen in the United States, and cost the proprietors $6000. Next comes

THE TOM THUMB COACH,

only 37 inches in height, and in weight about 100 pounds; this diminutive carriage forms a novel sight of itself, and when compared with the ponderous Band Chariot, the contrast is wonderful and pleasing, being drawn by two diminutive ponies only 35 inches in height, accompanied by Postillion Footmen, outriders, &c. This is followed by the

LOCOMOTIVE GAS CARRIAGE,

on which is fitted up a Furnace and Gasmeter.—Pipes, and other apparatus, (at an enormous expense) for lighting the extensive establishment, which will be lighted more brilliant than mid-summer sun, by the best of Gas, flowing from 200 burners. This novel sight can only be seen at Howes & Co's United States Circus. After which comes a train of 30 carriages, containing Performers' Wardrobes, &c., &c.

An engagement has been made for the season with W. H. KEMP, the celebrated clown from Astley's Amphitheatre, Drury Lane, and other theatres in London, who from his unquestionable superiority has won for himself the enviable soubriquet of the *Modern Grimaldi*. He was twice called to appear at Windsor Castle, by special command of Queen Victoria, and was granted an audience of royalty, an honor to which few public performers could ever aspire. Her Majesty and Prince Albert were also visitors to Astley's Royal Amphitheatre on the first production of Pantomime of Harlequin's, Frolics, or Mistakes of a Night, which beautiful entertainment will be given with all original effects, at every evenings performance of the Company. His astonishing performance on a revolving barrel at full speed, and accomplishing the most novel feats with amazing velocity—propelling himself solely with his feet.

Mr. W. O. DALE, first principal Equestrian and Vaulter of the country, having thrown the greatest number of somersets (87) ever accomplished by any performer in the world. His Still Vaulting while in England, in Batty's Company, made a great sensation, no performer on that side of the Atlantic having accomplished over 50 or 60 somersets.

MR. T. MCFARLAND, the only rival in vaulting of Mr. Dale, and the hero of 79 somersets, for which he holds a gold medal. The audience will have an opportunity of seeing two of the greatest vaulters in the world, actually contesting the championship of their profession.

MRS. W. B. CARROL, the highly admired and justly celebrated female equestrian is attached to this company, and will appear in an unrivalled act of EQUESTRIANISM, in which she will introduce a new style of feats entirely her own.

B. W. CARROL, the great two horse rider and vaulter is also attached to this company.

M. G. W. SERGEANT, in his Shakspearian changeable act.

The juvenile prodigies, William and George, pupils of Mr. Nixon, form not the least interesting part of the spectacle. For a full discription of performance, see bills and pamphlets at the principal Hotels. sept910d&2tw.

NEW ARRANGEMENT.

U. S. Hotel, Canal Basin, Pittsburgh, Pa.

THE subscriber having leased the above establishment, and having refitted and made some material alterations and additions, is now prepared to accommodate his friends and the travelling community in the best possible manner. The advantages of this excellent House are peculiar to itself, as those travelling by Canal, particularly in inclement weather, or landing at midnight, have only to step from the packet into the beautifully furnished apartments, where they will be contented and comfortable. In addition to the extensive accommodations belonging to this house, the proprietor has at great expense refitted, renovated, and made such additions as will secure to him the promise of his kind patrons "We'll call again."

The Bar, the Dining Room, the Chambers, and particularly the culinary departments, are so provided for that we challange competition anywhere.

The fare will be of the best the market affords, and the prices liberal.

The proprietor having been engaged in catering for guests for many years past in the east, feels assured that by strict attention to business with a watchful eye to the comforts of his guests, he will deserve a share of public patronage.
