The Three Big Doors vs. The Western World!!!

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, bought trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For prudence in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends (at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush to my establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this I believe the result of the liberal and honorable way I have of doing business, and not as some others could, possibly think of doing it they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year, coming to this conclusion, I will make it the interest of every man, who wants a cheap winter coat, to call at the great establishment, the Three Big Doors.

Clothing! Clothing!!

THE Spring and Summer stock that is now ready to be offered at the old original

THREE BIG DOORS.

is one of the largest and choicest in selection that has ever been exhibited by any one tailor in this or any other city in the Union. I will not undertake to describe to the reader the different assortments of articles which I have to offer them; but will simply tell them that if they only favor me with a call, I will say before them 175,000 different garments to make a choice out of, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the satisfaction of the beholder, with both mouth and eyes wide open, wondering in the most extravagant degree of surprise, how such a vast collection of ready made clothing could possibly be collected together under the control of one individual. But such things will be, as long as people patronize and industry in the shape of good trade—and I will say that it is my intention of honoring, on my part, I will say at the same time, it is of such metal I am principally composed, for nothing in the shape or form of difficulties, no power when that purpose may lie, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and, as for others, who family interest is moving in a different sphere, and requiring an article of the *no plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a tittle.

Western Review of Health.

167 MAIN STREET, BUFFALO, N. Y.

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.

THIS celebrated remedy is constantly increasing its fame in the Western States, and in Western Virginia, it has become the only medicine for family use, and is particularly recommended for *Dropsy*, in all stages of its complaint, including the so-called *Ovarian* or *Water* Dropsy, and for *Gravel*. (See pamphlet for testimony.)

Gravel, and all diseases of the urinary organs, for these diseases it is a specific, and it always does; no other article can relieve you; and the cures testified to will convince the most incredulous, (see testimonials, pamphlet,) *Bilious Diseases*, Fever and Ague. To the Great West especially, and wherever these complaints prevail, this medicine is offered as a specific. Nothing but a compound is as part of this mixture; it cures these diseases with certainty and celerity, and does not leave the system worse than before. Bilious complaints, of a painful character, is immediately relieved, and a cure follows by a few days use of this article. It is far beyond any other preparation for the cure of this disease, or any disease originating from impure blood. (See pamphlet.) Debility of the System, Weak Back, Weakness of the Kidneys, or, or Inflammation of the same, is immediately relieved by a few days use of this medicine, and a cure is always the result. It stands as a sure and effectual remedy for such complaints, and also for derangements of the female frame, Irregularities, Suppressions, painful menstruation. No article has been offered to the public, which would touch this kind of derangements. It may be relied upon as a safe and effective remedy; and, on the feel permitted to give, (see pamphlet,) testimonials, proof of cures in this distressing class of complaints.—See pamphlet. All broken down, debilitated constitutions, from the effect of mercury, will find the healing power of this article to act immediately, and the poisonous mineral eradicated from the system.

Eruptive Diseases will find the alterative properties of this article VERY THEROUGH, and drive such diseases from the system. See pamphlet for testimony of cures in all diseases, which the limits of an advertisement will not permit to be inserted here. (Agents, gives them away; they contain 32 pages of certificates of high character, and a stronger array of proof of the virtues of a medicine never appeared. Reasons of the peculiar features of this article, that it never fails to benefit in any case, and if bone and muscle are left sound, for the medicine to act and lingering invalid nurse on, and keep taking the medicine as long as there is an improvement. The proprietor would counsel the sufferer to beware of spurious articles, which come out under the heads of SARSAPARILLAS, STRYPS, &c., as cures for Dropsy, Gravel, &c. They are good for nothing, and are sold by the unwary; caution is hereby given. Their inventors never thought of curing such diseases till this article had done it. *A particular study of the pamphlet is earnestly solicited.* Agents, and all who sell the article, are glad to circulate gratuitously. Put up in 50 oz. bottles, at $3; 12 oz. do. at $1 each—the larger holding 6 oz. more than the two small bottles. Look for the red seal put composed upon. Every bottle has Vaughn's Vegetable Lithontriptic Mixture blown upon the glass, the written signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, wholesale and retail.

No attention given to letters unless postpaid—*order from regularly authorized Agent except.* Post-paid letters for verbal communications soliciting advice, promptly attended to gratuitously.

Dr. Swayne's Family Medicines.

DR. S. S. COOK, Piqua, Ohio, writes, March, 1846:

"I have used your *Vermifuge, Carminative Balsam*, and *Expectorant*, in my practice for the last three years, and have been exceedingly well pleased with them, and never, as yet, to my recollection, failed of realizing my fullest expectation in their curative properties. I know other medicines I cannot speak of from experience; but, judging from those I have used, I doubt not but that they claim, and are entitled to, all the confidence reposed in them, by those who have used them. I was formerly very partial to some Vermifuge, until I became acquainted with yours, which has my decided preference to any other now in use."

Respectfully, yours, &c., S. S. COOK, M. D.

DR. HOFLAND'S CELEBRATED GERMAN MEDICINES

Are without a Rival for the Cure of the following Diseases

IF taken according to the directions they will cure any case, no matter who or what else has failed.

VEGETABLE RHEUMATIC PILLS.

For the permanent cure of Rheumatism, Gout, Gangrene, Hysteria, and severe nervous affections, and are highly recommended for the cure of Dropsy, Hemorrhoids and Neuralgia. Patients using them, in most cases, experience benefit soon after the first dose. They quiet the nervous system, which enables them to rest well during the night. They never fail to effect a cure, when taken according to directions.

No outward application can permanently remove rheumatic pains from the system. Liniments sometimes act as a palliative for a short period, but there is always danger in their use. They may cause the pain to leave one place for perhaps a little part, or, else where the pain will be more acute.

GERMAN BITTERS;

For the permanent cure of Liver Complaints, Jaundice, Dyspepsia, Indigestion, Chronic Debility, Chronic Asthma, Nervous Debility, Pulmonary Affections, (arising from the liver or stomach,) Diseases of the Kidneys, and all diseases arising from a disordered stomach, in both male and female, such as, female weakness, dizziness, fullness of blood to the head. They strengthen the system, and remove all acidity of the stomach, and give it tone and action, and assist digestion. They can be taken by the most delicate stomach, and in every case will entirely destroy costiveness and remove the whole system, removing all impurities, and remnants of previous diseases, and giving a healthy action to the whole frame.

The symptoms of Liver Complaint are uneasiness and pain in the right side, and soreness upon touch immediately under the inferior ribs; inability to lie on the left side, or if at all able, a dragging sensation produced, which seriously affects respiration, causing very often a trouble some cough; together with these symptoms we perceive a coated tongue, acidity of the stomach, deficiency of perspiration, and sometimes a sympathetic pain in the right shoulder, with a general disposition to sleep and depression
